APPENDIX A **Revision A** **Company** **Part Number or NSN**		**ACCESSORY PRODUCT DATA SHEET** CAMSS Shelters CAMSS-7EX-PEDZT
Specifications as applicable		The CAMSS7EX-PEDZT is a double zipper end panel that attaches quickly and easily to the CAMSS7EX Vestibule
Insulated Liner		N/A
Insulated Flooring		N/A
Solar Shade/ Camouflage Netting		N/A
Weight (Unpackaged) (lb.)		25 lbs
Color in accordance with FED-STD-595		459 TAN
Special/Additional Features:		The CAMSS-7EX-PEDZ double zipper end panel is often used for vestibules in order to seal the vestibule from the outside elements. The vestibule then creates an area where personnel may remove boots or other equipment prior to entering the shelter.
