

DEFENSE SUPPLY AGENCY
HEADQUARTERS
CAMERON STATION
ALEXANDRIA, VIRGINIA 22314

GENERAL ORDERS
NO. 32

26 Oct 71

I. Authority:

Deputy Secretary of Defense Memorandum, 30 August 1971, subject: Industrial Security Courses.

II. Pursuant to cited authority and effective 1 January 1972:

The Defense Industrial Security Institute is established at the Defense General Supply Center (DGSC), Richmond, Virginia, 23219, as a field extension of the Office of Industrial Security, Contract Administration Services.

The Defense Industrial Security Institute is responsible for the development and presentation of courses of instruction, including field extensions, concerning the Defense Industrial Security Program, for U. S. Government personnel, employees and representatives of government contractors engaged in classified endeavors and representatives of selected foreign governments.

Administrative support for the Defense Industrial Security Institute will be furnished by the Defense General Supply Center. The Office Symbol for the Defense Industrial Security Institute is DISI.
