GENERAL ORDER
NO. 9-86

6 Mar 86

I. Authority: Assistant Secretary of Defense (Acquisition and Logistics) Memorandum, 13 February 1986, subject: Enhancing DLA Management Support Activities (MSA) and DLA-D approval of DLA-LPO Staff Summary Sheet dated 26 February 1986, subject: Realignment of the ASD(A&L) Management Support Activities (MSAs).

II. Pursuant to cited authority and effective 23 March 1986, the DoD Product Standards Office (DPSO), an Assistant Secretary of Defense (Acquisition and Logistics) Management Support Activity (MSA) is established. Under the program accountability of the Deputy Assistant Secretary of Defense (Production Support) (DASD(PS)) and with performance accountability to the Director for Standardization and Data Management, DASD(PS)(SDM), the DoD Product Standards Office (DPSO) is responsible for:

- A. Serving as the DoD focal point for product standards.
- B. Managing the Defense Standardization and Specification Program (DSSP) relating to systems, subsystems, equipments, components, parts, materials, and related technology areas.
- C. Providing DoD-wide counsel and leadership, and resolution of problems encountered in the adoption, development, coordination, approval, and maintenance of specifications, standards, handbooks, and engineering drawings for these products.
- D. Developing policies and procedures for programs emphasizing product standardization efforts such as those involved in the DoD Parts Control Program, International Standardization, Component and Equipment Standardization, and Product Qualification.

III. Administrative support for the DoD Product Standards Office (DPSO) will be provided by the Commander, DLA Administrative Support Center (DASC).
