

## **DLA Aviation's Industrial Gas Support Program**

**(This program does NOT include Class 1 Ozone Depleting Substances (ODS)!!! – Continue to use established ODS Program procedures and Points of Contact)**

DLA Aviation, Richmond awarded an industrial gas support contract to Haas Group International, LLC, to manage the supply, storage and distribution of industrial compressed and liquefied gases to Military and Federal activities in the Continental United States (CONUS). The Industrial Gas Support Program includes:

- Supplies a menu of compressed and liquefied gases in a variety of cylinder sizes.
- Delivers full cylinders to the customer's site.
- Charges for product only. No extra charge for returnable reusable cylinders.
- Pick up for empty reusable cylinders from the customer's site (in most cases).

Continue to order your Industrial Gas requirements using your Service/Government agency automated ordering systems using MILSTRIP/FEDSTRIP (Standard Form 344) or shop online through DoD E-Mall.
