

Federal Aviation Administration

SAFETY ALERT

Date: April 20, 2015

To: Users of the Airport/Facility Directory (All Volumes) and the Alaska and Pacific Supplements

From: Aeronautical Information Services

Subject: Incorrect effective dates located on the covers and spines of the publications listed above; also the bar code and Julian date on the back covers of all the publications listed above

The Airport/Facility Directories (A/FDs) and the Alaska and Pacific Supplements, effective 0901Z 30 APR 2015 to 0901Z 25 JUN 2015 were printed with incorrect effective dates on the cover and spines of the books. (The dates 25 JUN 2015 to 20 AUG 2015 appear incorrectly in all locations except on the spine of the Southwest A/FD which incorrectly shows 25 JUN 2015 to 20 JUN 2015).

Also, the back covers of the books should have a Julian date and Julian date bar code that reads **15120**, but were, instead, printed with the incorrect Julian date and incorrect Julian date bar code "15176".

All of these volumes can be identified by looking at the top listed Effective Date on the inside front cover.

NOTICE: Changes must be received by Aeronautical Information Services dates listed below to assure publication on the desired effective holiday must be received the previous work day.

Effective Date	Airport Information Cut-off date
30 Apr 15	18 Mar 15
25 Jun 15	13 May 15

The 30 Apr 15 date seen in the above example will disappear with the actual copies of the 25 Jun 15 publications.
