06/29/2015 NAVCANADA Notice (U)

Due to a print readability issue (blurred) with Canada LO1/LO2, customers will receive a reprinted copy of this chart. No other Canadian charts were affected. Replacement chart will be delivered automatically to DLA subscribers or they may be downloaded from the NGA NIPRNET website (<https://aero.geointel.nga.mil/products/digitalaero/canada.cfm>).

If you have any questions or concerns about these replacement charts please contact the Aeronautical Help Desk at 1-877-817-9134
