

DLA recruiters attended the Hiring Heroes Career Fair for wounded, ill, injured and transitioning service members and their spouses on Thursday, June 4, 2015, at the Spates Community Center on Fort Myer, Virginia. Hiring Heroes Career Fairs are held at various military bases throughout the country, and this was the second event at Fort Myer. The fairs offer an excellent opportunity for employers to meet with highly skilled and talented wounded, ill, injured and transitioning service members, veterans, spouses, family members, and primary caregivers as they seek employment.

Event attendees were provided information on: the diverse career opportunities DLA has to offer, the various appointing authorities for veterans, and the process for applying for our vacancies.

Participating in this event provided DLA with a chance to market the organization to hundreds of diverse, qualified candidates while continuing to support transitioning wounded warriors, active service members, family members and retired personnel.
