

Qualified Facilities – 03 Nov 2017

DISCLAIMER:

DLA Disposition Services has reviewed these facilities in the past and has no reason to believe that they do not meet the standards specified in DLA Disposition Services contracts.

Inclusion of facilities to the Qualified List does not constitute a determination of the acceptability of these facilities for the requirements of any specific DLA Disposition Services contract or relieve the contractor of any responsibility for performing specific DLA Disposition Services contracts in accordance with each contract's terms and conditions.

Each contractor must submit their Plan per clause per contract. The Plan is good for the life of the contract and will be filed in the official contract folder. One contractor cannot piggy-back on to another contractor's Plan. A contractor may send one Plan with a cover letter listing each of their contracts that will use the Plan.
