

## External Web Process

To obtain access to DLA Web applications (i.e. LESO) as an external user, it is necessary to apply for the following:

1. AMPS
  - a. User ID and Password
  - b. Role Request – “DLA Disposition Services Prod EX - RTD Customer DDS-413”

**DO NOT PROCEED UNTIL YOU HAVE REGISTERED IN AMPS AND RECEIVED EMAIL VERIFICATION OF DLA DISPOSITION SERVICES PROD EX - RTD CUSTOMER DDS-413 ROLE APPROVAL**

### PROBLEMS THAT MAY OCCUR

1. Time to complete AMPS to RTD WEB SYNC
  - a. The sync could take up to 24 hours to complete. If AMPS does not sync with the RTD web you will get authentication errors  
Solution: Do not try to log into the RTD Web until you receive confirmation email that your requested roles have been approved
2. Users attempting to log in multiple times into the RTD Web prior to the completion of the AMPS to RTD WEB sync will inadvertently lock the user account.
  - a. After resetting password in AMPS the user must wait 24 hours prior to attempting to log into the RTD Web to allow AMPS to sync with the RTD WEB application  
Solution: 1. Reset your password in AMPS, wait 24 hours and try again, if that does not work then contact the Customer Interaction Center (CIC) at 1.8177.352.2255 option 5 and request your account to be unlocked, please inform them you had already tried a password reset in AMPS and waited 24 hours before you tried it again.
