

PUB LOG consists of five different products and two publications.

The five products consist of:

- * Federal Logistics Information System (FLIS) Data
- * Characteristics Data (CHAR DATA)
- * Demilitarization Data (DEMIL)
- * Master Cross Reference Data (MCRD)
- * Management Data Interchangeability and Substitutability (MDI&S)

The two publications consist of:

- * H-Series (Manuals used for cataloging National Stock Numbers including Federal Stock Class and Federal Supply Group definitions)
- * FLIS Procedures Manual

System Requirements **The minimum configuration required to use PUB LOG is:**

- * 16MB random access memory (RAM) or higher recommended
- * Microsoft Windows 98 or higher
- * DVD drive

The advertisement features a photograph of a man in a blue shirt and tie, wearing a headset, looking thoughtfully to the side. The background shows a building with the name "HART-DOLE" visible.

DLA Logistics Information Services
"Enabling Global Defense Readiness
Through Logistics Information"

www.logisticsinformationservice.dla.mil

PUB LOG is a DLA Logistics Information Services product intended for use by public entities requiring National Stock Number (NSN) information and other cataloging information including Federal Supply Classification (FSC) data and Commercial and Government Entity (CAGE) codes. It is an interactive product available on DVD which is updated monthly and available through a subscription process.

Queries

Interactive: Allows users to search Federal Logistics Information System (FLIS) data on DVD. Searches can be made on part numbers, supplier, item name, characteristics, NSN, Federal Supply Class (FSC), Item Name Code (INC) or Commercial and Government Entity (CAGE) Code

Batch: Allows users to process multiple queries and run them simultaneously

PUB LOG Characteristics Search: Is used to identify and search on specific attributes (i.e. characteristics)

PUB LOG Focal Points

A list of service/agency publication focal points can be found at the PUB LOG web site:

www.logisticsinformationservice.dla.mil

PUB LOG is found under Logistics Applications/Distribute the Data

Service/agencies who wish to provide PUB LOG to their contractor support staff must contact the appropriate focal point, also available at this site

For PUB LOG subscription information visit:

www.logisticsinformationservice.dla.mil

PUB LOG is found under Logistics Applications/Distribute the Data

Please use the above site to subscribe, change, or cancel your PUB LOG subscription
