Choose your cause and
Show Some Love today.

ohiocfc.org

Fellow Federal Employees:

Since 1960, the Combined Federal Campaign (CFC) has successfully raised more than \$8.3 billion to help those in need in our neighborhoods, across our country, and around our world. Each year, the generous women and men in the federal government pledge to charitable causes close to their hearts and make a positive difference in people's lives when thousands of charities turn those contributions into tangible assistance to restore hope for those who need it most.

Last year, we pledged more than \$2.8 million through the Ohio CFC zone for causes that touch our hearts: education, the environment, veterans, natural disasters, refugees, healthcare, and so many more. We are fortunate to be part of a community with such a strong spirit of generosity extending beyond our call to public service. Time and time again, we pledge resources and valuable hours to help those in need. These dedicated efforts amount to contributions—great and small—which change a life. I can't think of anything more inspiring than that.

This year, we will continue to Show Some Love by generously sharing our monetary resources, our time, and our giving stories with each other. Talk with your friends and family about a cause you care about and what it means to you. Take a moment out of your day to tell a colleague about your volunteer experience. Whether this is your first time participating in the CFC or this is your 30th year to contribute, we want to hear your story. We can continue to learn from each other and grow as a community, always striving to find new ways to reach those who need a helping hand.

I would like to extend a deep and heartfelt thank-you to everyone taking part in the 2018 campaign. We welcome campaign workers, federal retirees, existing donors, and those new to making a pledge. Without you, the CFC would not be possible. Together, we are able to Show Some Love to those who need it most. We invite you now to take a moment to choose your cause, and join us in this longstanding tradition of compassion through campaign.

Thank you,

Online Giving

Online giving is an efficient and effective way to give charitable dollars because it lowers campaign costs and reduces processing errors. Here are some general instructions for how to pledge online using the centralized giving platform.

1 Sign In

- Visit opm.gov/ShowSomeLoveCFC and sign in or follow the steps to create an account. Either personal or government email can be used. You will need to select your department, agency, and office from the drop-down menus.
- Only DoD personnel located overseas should use their APO/FPO code when establishing an account and check the box that indicates "I'm located in a foreign territory without a Zip code." Domestic personnel should use the ZIP Code from their stateside duty/work location in order to be matched to the correct CFC Zone.
- From the Welcome Page, click "Pledge Now."

2 Choose your charities

- Search for charities by entering various criteria to narrow your search. Use the reset button to clear results between searches.
- Select the charities you want to support by clicking the "Add" button. When finished, click "Checkout."

3 Make your donation

- Select your payment method (payroll deduction, bank account, credit/debit card, money order or personal/bank check- made out to Combined Federal Campaign). If you choose payroll allotment, you will be required to enter your Social Security number to connect to your payroll system.
- Select your payment frequency.
- Set your pledge total.
- Distribute your annual pledge between your selected charities. If you selected charities with available volunteer hours, indicate the number of hours you would like to pledge to each organization.
- Elect whether to share your personal information with your selected charities. If you designate volunteer hours to an organization, you may wish to share your contact information so the charity can contact you. Otherwise, you will need to contact the charity directly to discuss volunteer opportunities.

4 Submit your pledge

- Review your pledge for accuracy and make changes if necessary.
- When everything is correct, check the "I Agree" box and click "Submit Pledge" to confirm.
- Print the confirmation for your records.

5 Feel good

- Thank you for choosing to *Show Some Love!* Your donation will make a significant impact for those in need.
- Spread the word about giving through the CFC.

For a more detailed walkthrough, ask your Campaign Manager/Coordinator, CFC staff member, or visit our local zone's CFC website.

Why the CFC?

Confidence

Donors can give with confidence knowing this is a federally regulated program.

- Giving is easy and secure—choose from the list of approved charities, then donate through the online giving portal or with a paper pledge form.
- CFC charities have been vetted as legitimate nonprofit organizations that provide real benefits and services to the communities they serve.

Convenience

The CFC is convenient for donors and charities.

- The CFC encourages people to think about making charitable contributions.
- Charities rely on donations from the CFC because they are a consistent source of unrestricted revenue throughout the year and an inexpensive way to attract new donors.
- Payroll deduction makes it easy to make regular contributions that add up to a significant impact.

Choice

The CFC provides a myriad of choices from how to pledge to the thousands of charities donors can choose to support.

- There are several ways to pledge: payroll deduction, credit/debit card, or ACH transfer from a bank account.
- Federal employees have the option to pledge both dollars and volunteer time.
- The CFC provides donors the option to give anonymously. Donors choose whether to release name, contact information, pledge amount and/or volunteer hours to the charities they support.
- There are thousands of local, national, and international participating charities for donors to choose from. Designations can be made to one or multiple charities. Note that donors must select at least one charity when making a pledge.

Thank you for considering to Show Some Love through the CFC

Contributions made through the CFC have a significant impact on the lives of those who need it most. So, choose your cause and make your pledge. Here are a few examples of how your gifts make a difference on those in local communities, across the nation and around the world:

\$125

Animal Welfare

sponsors a pet adoption at a local humane shelter.

Poverty

provides a family in poverty with goats and a garden starter kit.

\$10

Youth Development

provides one hour of after-school sports coaching for public school kids in a metropolitan area.

Hunger/Refugees

feeds a child in a refugee camp for three weeks.

\$100

Homelessness

buys one toilet, two hard hats, and three hammers to support housing development for families across the United States.

Global Health

buys 10 mosquito nets to protect families in Africa from the transmission of malaria.

\$50

Cancer Research

provides an hour of research to find a cure for childhood cancer.

Education

tutors a child in reading and writing for an entire year.

OHIO COMBINED FEDERAL CAMPAIGN

CAMPAIGN ROLES

Loaned Executive

A Loaned Executive is a federal employee who is detailed to the CFC, either part time or full time, to help facilitate the campaign activities across multiple agencies within the campaign zone. This is a development opportunity position that is well-suited for individuals who are seeking to broaden their skills and experience while learning about the charitable sector. The detail covers the campaign period beginning with training in mid-August through the conclusion of the campaign in mid-January.

The ideal candidate will possess a positive mindset and a commitment to personal growth. Individuals should demonstrate an ability to deal with challenges, a willingness to learn and practice public speaking skills, great flexibility, a commitment to achieving excellent results and strong skills in working with others. Grade level and current responsibilities are of much less importance than the abilities and commitment demonstrated by the nominee. Successful Loaned Executives have ranged from civilian grades GS5 to GS11. All campaign workers must receive supervisor approval prior to accepting a CFC worker.

Responsibilities

- Attend orientation and LE training sessions.
- Provide personal leadership and account management of all assigned agencies; working with the Coordinators and Key workers.
- Review and become familiar with the background and giving history of assigned offices.
- Develop and implement campaign work plans, based on individual account assignment priorities.
- Develop a strong working relationship with Federal agency representatives and campaign leadership in designing and executing a successful internal campaign.
- Support the activities of the Outreach Coordinator by encouraging attendance to major events, use of online and printed promotional materials and engagement in social media and email communications.
- In collaboration with the Outreach Coordinator, conduct Coordinator and Key worker training in assigned Federal agencies.
- Utilize a full range of promotional materials, resources and coordinate charitable agency speakers to present interesting and motivational meetings.
- Work with agency coordinator(s) to plan internal agency events including customizing training and promotional materials, charts, graphs, verbal presentations and meeting agendas.
- Monitor individual account progress; maintain regular contact with the Outreach Coordinator and ensure that appropriate deadlines are met for campaign closure.
- Prepare CFC thank you, recognition and achievement correspondence to federal agency directors and coordinators.

Training

Specialized training will be provided to CFC Loaned Executives. Topics will include: team-building, time management, account analysis and campaign planning, public speaking skills and practice, CFC regulations, conducting Coordinator and Key worker training, volunteer motivation and leadership, recognizing CFC donors and volunteers, closing out accounts and agency achievement awards. Loaned Executives will also be given the opportunity for tours of and hands-on work with local human service agencies.

Agency CFC Coordinator

An agency coordinator is responsible for planning, coordinating and leading the CFC efforts within their federal agency. The agency coordinator is appointed by the agency head and provides the day to day hands-on support for all campaign activities.

Responsibilities

- Work with senior management to recruit a team of campaign key workers
- In conjunction with the assigned Loaned Executive, provide training and ongoing communication with all key workers
- Develop a promotion plan to communicate the CFC message to all agency employees. Plan should include establishing unit goals, planning events and activities and training employees for using the online pledge system.
- Order and distribute campaign supplies and promotional materials
- Hold kick-off rally and coordinate charity fairs
- Communicate ongoing progress and final results to agency head

Campaign Keyworker

The Keyworker is the most important role within the CFC. Keyworkers reach out to their co-workers to promote the CFC and to directly ask people to give to their favorite cause through the CFC. Keyworkers attend training sessions to learn about the CFC including the CFC web sites, online donation options and various other CFC resources. At these training sessions Keyworkers, learn about best practices for asking their co-workers to make pledges, how to use the reporting tools to track campaign progress, and how to properly process paper pledges. Duties of a Keyworker include:

- Attending a CFC Keyworker training session.
- Working with their Campaign Coordinator to promote the campaign using posters, postcards, social media and email.
- Contacting all assigned co-workers to do the in person, face to face "ASK". This process includes offering a copy of the Charity Listing, providing instructions and support for using the online pledge system and offering a paper pledge option.
- Reporting progress towards the 100% "ASK" goal
- Collecting paper pledge forms, completing a keyworker report envelope and turning in the envelope to their Campaign Coordinator.
- Provide guidance to employees of how to research a specific charity's mission statement and prior accomplishments within the communities they serve.

COMBINED FEDERAL CAMPAIGN (CFC)

What is the CFC?

The Combined Federal Campaign (CFC) is the only authorized solicitation of federal employees in their workplaces on behalf of charitable organizations.

What is the mission of the Combined Federal Campaign?

The mission of the CFC is to support and promote philanthropy through a voluntary program that is employee-focused, cost-efficient, and effective in providing all federal employees the opportunity to improve the quality of life for all.

When did the CFC begin?

The CFC was created in 1961 to coordinate the fund-raising efforts of various charitable organizations so that the federal donor would only be solicited once in the workplace and have the opportunity to make charitable contributions through payroll deduction.

Federal employees continue to make the CFC one of the largest and most successful workplace philanthropic fundraisers in the world. Continuing a long-standing tradition of selfless giving, in 2017, federal employees pledged more than \$101 million for charitable causes around the world. Since its inception, federal employees have contributed more than \$8 billion to charities through CFC.

What is the structure of the CFC?

The CFC is made up of 36 local campaign Zones that organize the annual fund-raising effort in federal workplaces in the United States and abroad.

Each local campaign is managed by a Local Federal Coordinating Committee (LFCC), which serves as a "Board of Directors." The LFCC is comprised of federal employees and representatives of labor unions and is responsible for the oversight of the local CFC. In conformance with CFC regulations and policies, the LFCC makes admission determinations for local charities.

The LFCC also supervises the local Outreach Coordinator (OC). That contractor is a small business hired by OPM to administer the CFC in the local Zone. The LFCC uses the OC to conduct marketing activities, arrange for events such as Charity Fairs, and educate charities and donors regarding the program. You can find LFCC and OC contact information at www.opm.gov/cfc.

The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns (LFCCs and OCs).

OPM also contracts with a charity to serve as the Central Campaign Administrator (CCA). For 2018, that organization is The Give Back Foundation. The CCA is the organization responsible for developing and maintaining the CFC Online Donation System (www.opm.gov/showsomalovecfc) and the charity application module (cfccharities.opm.gov), as well as making distributions to charities designated by donors.

What are some of the recent new developments?

Recent innovations include:

- One common online portal for federal employees to use when giving to charity through CFC (www.opm.gov/showsomalovecfc);
- One common application site for all charities;
- The ability of federal employees to volunteer for qualified charities;
- The ability of federal annuitants and military retirees to donate via a deduction from their retirement pay; and
- Multiple types of gifts allowed (payroll deduction, credit, debit, checks).

How is public accountability ensured?

OPM is accountable for assuring federal employees that their designations are honored and distributed to the charitable organizations of their choice. OPM achieves this in several ways:

1. OPM maintains eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at www.opm.gov/combined-federal-campaign/reference-materials/.
2. Every year, OPM makes admission decisions for all local, national and international charity applicants and resolves charity admission appeals.
3. OPM sets strict requirements and provides on-going guidance for the activities and conduct of the CCA, the LFCC, and the OC. OPM verifies the fiscal integrity of the campaign annually through compliance and financial audits completed by an independent CPA, the OPM Inspector General, or the LFCC.

What is the CFC Charity List?

The Charity List is a web-based and paper display of local, national, and international organizations that have met CFC eligibility requirements. A sample charity listing is shown below with essential elements shown in

italics. Key features include the organization's five-digit CFC code, the IRS Business Master File name shown in parentheses if it is "doing business as" another name, a 25-word statement of purpose (except in abbreviated listings), and its administrative and fund-raising expense rate (AFR).

Sample Charity Listing

11405 ABC Charity (Alpha-Charity) (800) 555-5555 www.abccharity.org EIN#123456789 ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. 15.8%

What factors should I consider when choosing a charity?

The EIN, AFR, and the Service Categories are included to help you identify organizations that meet your interests and performance standards.

The Internal Revenue Service (IRS) issues the Employer Identification Number (EIN). You can use the EIN to obtain additional information about an organization from the IRS (877-829-5500) or other sources such as the Better Business Bureau, Charity Navigator, Guidestar, or other charity rating organizations. Please Note: You may find an organization's tax-exempt status is under an umbrella organization (such as a parent organization or headquarters).

The Administrative and Fund-raising Rate (AFR) represents the percentage of dollars spent on expenses other than services. The CFC calculates the AFR as a percentage of the organization's total support and revenue. Donors concerned about an excessive AFR should contact the organization and review its IRS Form 990, which is available to the public, for a complete explanation. Each situation is unique. Donors may contact the charity directly or look up data that is tracked by industry oversight organizations to better understand the financial status, service delivery record, and governance policies of the charity before donating.

The Service Categories (Taxonomy Codes) categorize the types of services that most charitable organizations offer. Charities self-select up to three alpha-codes (shown below) for inclusion in the CFC charity list. Charities that did not select at least one category are assigned "Z" for "Other."

The National Taxonomy of Exempt Entities (NTEE) classification system provides 26 top-level categories for charity services. This system, developed by the Johns Hopkins University National Center for Charitable Statistics, is widely used in the non-profit community.

For additional guidance on selecting charities, visit the CFC website at <http://www.opm.gov/cfc>.

Can I give to a participating CFC charity not listed in my local CFC charity Zone?

Yes. Donors may pledge to any of the charities that applied for and were approved to participate in any CFC region or Zone. The CFC refers to giving to a local charity in a different Zone as "CFC All-Around Giving." You can search through an online list by visiting the OPM Online Donation System (www.opm.gov/showsomalove/cfc). The complete CFC All-Around Giving list is available only electronically. You can make your pledge by entering the five-digit code in your online gift or on your local campaign region's pledge form.

Do I have to give through the CFC?

No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right to make your charitable choices independently. No outside party is allowed to improperly influence our decision to give or not to give through the CFC. Prohibited practices include, but are not limited to: supervisors soliciting the employees they supervise; setting 100 percent participation goals; providing and using donor lists for purposes other than the regular collection of contributions; establishing personal dollar goals and quotas; and developing and using lists to identify non-contributing employees.

If you prefer, you may donate to the CFC anonymously by placing your private gift in a sealed standard envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military or civilian personnel in the Department of Defense (DoD) should contact the LFCC or their commanding officers. If you feel that the local board did not resolve the issue satisfactorily, military personnel may also contact the DoD Washington Headquarters Services at (703) 697-7971.

Can I specify which organization will receive my contribution?

Yes, the CFC encourages donor designations. By designating the five-digit code of the charity or charities of your choice, you ensure that your donation goes to meet the needs that you feel are most important. Simply designate the organization(s) of your choice when completing your online pledge or where indicated on your pledge form by entering the five-digit code and the amount you wish to pledge. You can submit additional designations on a second (or third) pledge form. Except for the potential of a distribution fee to help with the operational costs of the CFC, the CCA distributes all contributions as designated.

There is no limit to the number or amount of contributions an organization may receive through the CFC. There is also no limit to the number of participating charities to which you may designate a gift in the online system or via a paper pledge form. To give to more organizations than allowed on one paper pledge form, complete additional pledge forms and staple them together. The top pledge form must contain the sum of all pledges.

You cannot designate to an organization that OPM did not approve for participation in the 2018 CFC. Adding organizations that do not appear in your local CFC Charity List or the "CFC All-Around Giving Search Tool" at www.opm.gov/cfc, is prohibited by CFC regulations and donations to such organizations will not be accepted.

How do I pledge through the CFC?

Visit the CFC Donor Pledge System at opm.gov/ShowSomeLoveCFC to create an account and pledge to the charities of your choice. You also can use a paper form for the next four years.

Do I have to set up an account to make an online pledge?

Yes. New users will be asked to enter their email and select a password. You can use either a government or personal email for this account. Returning users will be able to access their previous year's pledge data via their account.

When will my first contribution be deducted from my payroll?

Your payroll service provider will deduct your first installment of a payroll deduction gift in the first full payroll period occurring after the solicitation period end date. This year, that period ends on January 12, 2019.

As a federal employee, what payment methods can I use to pledge to the CFC?

Payroll deduction can be used to fund recurring donations from your salary. Credit card and ACH can support both one-time and recurring donations. Visit the CFC Donor Pledge System at www.opm.gov/ShowSomeLoveCFC to create an account and pledge to the charities of your choice.

If a donor makes a CFC payroll deduction, are those contributions taken pre-tax or after-tax?

While tax deductible, CFC deductions are not pre-tax. Federal law does not allow for charitable donations through payroll deduction (CFC or any other payroll deduction program) to be done pre-tax. Donors who are eligible to itemize charitable contributions on income tax returns may include contributions made through the CFC. Donors should contact a tax advisor for more information.

I am a current CFC donor and would like to continue my pledge into the next year. Do I have to complete a new pledge form?

Yes. CFC payroll deduction allotments cover the first pay period after the solicitation period ends and go through the last pay period that begins in that same calendar year. Charities that participate in the CFC must submit a full or partial application demonstrating continued compliance with the CFC regulations. Due to changes in charity participation, donors must com-

plete a new pledge form each year to indicate the charities to which they wish to designate a contribution.

Is it possible to make a one-time gift via credit/debit card?

Yes, you can fund your pledge with a credit card, debit card, or via ACH. Please note that the CCA processes one-time gifts when you make the pledge.

Can I set up a recurring credit/debit card pledge?

Yes. Ongoing or recurring giving is processed monthly, starting in the same month after the official solicitation period ends of the campaign year. Recurring credit or debit card gifts will be sent to your bank account monthly. Recurring giving processed by payroll deduction will begin with the user's first payroll date following the end of the official solicitation period.

How do I find a charity?

You can either use the printed charity listing for your Zone or search online. Select the "Find a CFC Approved Charity" button or click on the magnifying glass icon. You do not have to log in to an account to search. You will be able to search for charities a variety of ways (e.g., by charity name, EIN, category, location, CFC Zone, administrative fundraising rate, volunteer time, FSYP, FSYA and MWR).

How many charities can I support?

There is no limit to the number of charities you can support as long as you pledge the minimum amount (\$1 per charity per pay period).

Is there a limit to how much I can pledge?

If electing payroll as the funding source for your pledge, your payroll service provider may limit the annual maximum contribution. For example, the Defense Joint Military System (DJMS) has a limit of \$9,999 which affects all active duty members of the Army, Navy and Air Force. If selecting credit/debit card, or ACH/bank account, the maximum online contribution is \$99,999. If wishing to donate an additional amount, please contact OPM for instructions.

What are federations and independent organizations?

A federation is a charitable organization that provides common fund-raising, administrative, and management services to its member organizations. Member organizations may pay dues or fees to that federation as a service charge. Federations must charge those dues or fees to charities. They cannot merely deduct those amounts from CFC pledges before disbursement to member charities. Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a particular federation and any dues/fees charged to its members, either contact the federation, or its members or review the federation's annual report.

How do I designate a federation, or one of its members, to receive my contribution?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name is at the top of the list of the federation's member organizations. The parent federation will share that gift in accordance with its policy. If you designate all or some portion of your contribution to an affiliated federation member organization, please record the affiliate organization's corresponding five-digit code number on your pledge form.

How do I designate an independent organization to receive my contribution?

You may designate to an independent organization not affiliated with a federation by entering that organization's five-digit code number on your pledge form.

What if I choose not to specify an organization or federation to receive my CFC contribution?

All funds contributed to the CFC must be designated to a specific organization or federation. The CFC no longer collects or disburses undesignated gifts.

What happens if the organization I select goes out of business before it gets all funds designated?

The CFC will disburse funds to designated charities until we find that the organization is unable to accept any further funds due to closure, loss of tax-exempt status, or other reasons. The CCA will contact a donor to see how to disburse remaining funds.

What is the payroll deduction option?

Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Last year, federal employees pledged more than 90 percent of all CFC funds through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning after January 15, 2019, and conclude with the last pay period which includes January 15, 2020. There is no more straightforward way for you

to make a difference than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

Will I receive a receipt for my contribution?

You should print a copy of your online receipt or make a copy of your paper pledge form in addition to keeping your final Leave and Earning Statement (if you made a payroll deduction contribution), as a receipt of your pledge. A federal employee who makes a one-time (cash, check, or money order) contribution must maintain a bank record and a copy of the pledge form to show the name of the organizations contributed to, the date of the gift, and the amount of the contribution. You should consult a tax adviser to determine if the IRS requires any additional verification of the donation.

What are the costs of the campaign?

Local campaign costs vary among the 36 CFC Zones. The distribution fee charged to pledges made in 2017 was 16.5 percent. The CFC used these funds to develop and operate the online systems, to print materials, train volunteers, audit contributions, and other administrative duties. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fund-raising campaigns.

Starting with the 2017 campaign year, the CFC cost recovery model changed from prior years. OPM recovers the costs of marketing and outreach, training, distribution, traveling, and all CCA and Outreach Coordinator expenses through application fees, listing fees and distribution fees paid by charitable organizations.

How is the fee structure determined?

The fee structure is determined annually by the Director based on estimated costs of administering the central campaign and local marketing efforts. OPM announces the application and listing fee structure no later than October 31 of the year preceding the campaign. Any excess funds from applications fees over expenses will be rolled over to the following campaign. OPM will consider that balance when setting the Application and Listing Fees for the next campaign.

The CFC shall not reimburse any expenses for food or entertainment to the Outreach Coordinator for CFC events. However, the LFCC shall reimburse the Outreach Coordinator for travel-related costs in accordance with the Federal Travel Regulations.

When are the fees recovered?

Charity application fees are due at the time of the filing of the application or by the application deadline, whichever occurs last. OPM will not consider a charity application is the organization did not pay the application fee for that campaign year.

CFC regulations require the additional listing fee from all charities approved to participate in the campaign. Listing Fees allow OPM to include these charities on paper or electronic Charity Lists. The Central Campaign Administrator will not process pledges to any charity which does not submit the listing fee before the annual deadline set by OPM.

Finally, OPM may assess a distribution fee against pledges received should the application and listing fees not cover all the costs of the campaign. In 2017, the distribution fee was 16.5 percent.

What is online pledging or e-giving?

Online pledging and e-giving, in general terms, provide donors the additional pledging tools of the charity list and pledge form available to them "on-line" via the internet or intranet.

In 2017, OPM introduced a national CFC Online Donation System accessible to all employees at work, at home, or via mobile-friendly websites viewable on smartphones and tablets. This new system (www.opm.gov/showsomalovecfc) replaced any former systems in use.

This paperless process is one-way CFC is striving to "go green" and reduce administrative costs related to the processing of pledges.

I cannot find the CFC code I used last year to give to an organization when searching on the website. Can I still give to that organization?

Although CFC codes typically do not change from year to year, you may need to find the new code for the organization. When searching, try using the organization's Employer Identification Number (EIN), or their name. If you are still having trouble finding the organization, please verify with the organization that OPM approved its application for the 2018 CFC and, if so, their new CFC code.

Federal employees may not designate to any charity code not approved in the 2018 database.

When did the CFC allow for the solicitation of Federal employees for volunteer time to participating CFC charitable organizations?

Executive Order 13743 allows federal employees and members of the uniformed services to make pledges of volunteer time through the CFC in addition to financial contributions. The 2018 CFC is the second year the CFC allows donors to pledge volunteer time to charitable organizations. Visit the CFC Donor Pledge System at opm.gov/ShowSomeLoveCFC to search for charities that offer volunteer opportunities and pledge time.

How do I pledge volunteer hours?

Donors can pledge volunteer hours when completing their pledge. The charity listing, both in print and electronic formats, identifies charities that are participating in soliciting volunteer time from federal employees. Donors can search the charities that offer volunteer opportunities and indicate the number of hours they would like to pledge to the charities of their choice. Visit the CFC Donor Pledge System at www.opm.gov/ShowSomeLoveCFC to search for charities that offer volunteer opportunities and pledge time.

What if a CFC donor pledges volunteer hours but does not perform the hours?

The CFC expects that all donors honor their pledges, both financial and volunteer time; however, donors are allowed to cancel their pledges at any time.

Will the government ensure volunteers from loss or bodily injury while volunteering with my organization?

CFC donors who pledged volunteer time to charities and are using administrative leave to fulfill the obligation should refer to their agency policies. CFC donors not using administrative leave are not covered by workman's compensation if injured while doing volunteer work.

Are the federal donors representing their agency when they volunteer with charity organizations?

Volunteers fulfilling volunteer time via the CFC program are not on official Government business. They are not allowed to represent themselves as a Government employee (by word, action, clothing, etc.). CFC donors who pledged volunteer time to charities and are using administrative leave to fulfill the obligation should refer to their agency policies and guidelines.

How does the charity organization contact donors that pledged volunteer hours?

When a CFC donor pledges monetary or volunteer donations, they have the option to indicate whether or not their information is releasable to the charity. If the answer is "yes," the charity will receive the donor's contact information. Charities receiving contact information are allowed to contact the donor directly. In a campaign year, typically about 10 percent of federal donors permit the CFC to release their data to the charities they support. However, many federal donors consider the ability to give anonymously as one of the benefits of giving through the CFC.

What if I need a tax receipt for 2017?

If you made your pledge via the CFC Online Donation System (www.opm.gov/showsomalovecfc), you may now view and print your tax receipts by logging into your account. For pledges made via paper forms, you will need to contact the CFC Help Center.

If you need a tax receipt for a year prior to 2017, then you should contact the Principal Combined Fund Organization (PCFO) for your home campaign.

How do I cancel my CFC payroll deduction?

You can cancel your CFC payroll deductions at any time. Cancellation is the only change permitted to your pledge outside the official solicitation period. If you cancel your pledge during the official solicitation period, you cannot submit a new pledge until the next Open Season. From the "Your Pledge" screen, select and click on "Cancel Balance" at the top right. You will be asked to confirm your cancellation. Select and click "Yes, cancel pledge" to continue. The online donation system will confirm "Cancellation" at the top of the "Your Pledge" screen.

If you submitted a paper pledge form, contact the CFC Help Desk at The Give Back Foundation to cancel your pledge.

Note: If you change federal jobs, you may transfer your pledge to the new payroll service provider at your new organization. OPM does not consider this transfer as a pledge change.

Where can I get additional information?

For information about the CFC, including details on the public accountability standards for participating charities, how to contact your local CFC campaign, and more, visit the CFC Home Page at www.opm.gov/cfc or pledge online at www.opm.gov/showsomalovecfc.

You can find local campaign contacts on the OPM website <http://www.opm.gov/cfc/>.
