

DMSMS Policy

- **DoD Manual 4140.01 Volume 3, DoD Supply Chain Material Management Procedures: Material Sourcing**
 - **Status: Published February 10, 2014**
- **Section 803 of the FY 2014 National Defense Authorization Act**
 - **Called for the Secretary of Defense to implement a process for the expedited identification and replacement of obsolete electronic parts included in acquisition programs**
 - **Status**
 - **Full response still in formative stage**
 - **The OSD office for Supply Chain Integration under Logistics and Materiel Readiness has the lead**
 - **Submitted language to DODI 5000.02 Enclosure 6, Life Cycle Sustainment: “Ensure identification of obsolete parts utilized in specifications and develop plans for suitable replacements as required by Section 803 of PL 113-66”**

DMSMS Guidance

- **Updates to the SD-22: Diminishing Manufacturing Sources and Material Shortages—A Guidebook for Best Practices for Implementing a Robust DMSMS Management Program**
 - **Summary of major changes**
 - **Software obsolescence integrated throughout the document**
 - **Risk based approach to DMSMS management emphasized**
 - **Key program leadership enabling activities identified**
 - **Material included on health assessments**
 - **Material incorporated on methods for estimating resolution funding**
 - **Status: Draft out for initial comment (Publish Fall 2014)**
 - **Future plans**
 - **Efforts underway to develop materials and mechanical obsolescence guidance**

DMSMS Training

- **What Program Management Needs to Do and Why**
 - **New DAU DMSMS continuous learning course replacing the existing DMSMS for Executives course**
 - **Why should program management care about DMSMS?**
 - **What should program management do to ensure successful DMSMS management for the benefit of the program?**
 - **Status: Conceptual slides and script created, DLA in the process of formal course development**
- **DMSMS Fundamentals**
 - **New DAU DMSMS continuous learning course replacing the existing DMSMS Fundamentals course**
 - **Aligns with the updated SD-22**
 - **Status: First draft of conceptual slides and script should be completed in May 2014**

DMSMS 2014 Conference

- **Logistics**
 - Held in conjunction with the Defense Manufacturing Conference, December 1 – 4 , 2014
 - Grand Hyatt San Antonio, Texas
 - Website <http://dmsmsmeeting.com/>
- **Call for Presentation Abstract Topics Open** Closes July 21, 2014
 - DMSMS Case Studies, Lessons Learned, and Best Practices
 - Software, Materials, and Mechanical DMSMS
 - DMSMS and the Product Support Manager
 - Counterfeit Materiel
 - Parts Management
 - Training
