Survey Comments

General Comments
Liked LMI Facility
Great Facilitation
LMI is a great host
LMI was great & thanks for snacks
Great meeting & accommodations
Ease of parking
Great support from LMI

Enjoyed & Relevant
Updates & Committee work
Case Studies
Counterfeit & Lead Free discussions
Counterfeit Discussions
DOD updates, Presentation and comments
Good Presentations
Input from industry
Interesting Presentations - However, not much progress
Learning about the PSMC
NAVSEA & Common Parts Presentations
Networking
Networking, DSPO & SE leadership presentations, L-3 Presentation
OEM presentations
Presentations
Presentations
Presentations

Recommendations
Do breakouts first, add technology roadmaps
More time for subcommittee work
Maybe 2 days
Organize a networking dinner
Provide copies of material during discussions
Some presentations too detailed & not polished
Going down to lunch took too much time
Need better transisitions to breakout
Recruit more Govmmt parts folks
Pre-publish committee agendas/topics/goals
