

MIL-PRF-81705 Information Sheet

Please visit the ASSIST website to view the latest version of the QPL-81705 for the only approved and authorized manufacturers of MIL-PRF-81705 material.

The QPL is updated periodically so make sure you check for the most recent authorized sources. The examples shown here are from the last QPL updated on 24 Sep 2013. Please note there are currently no MIL-PRF-81705 Type II sources so that material should not be used.

From the front page of ASSIST type in QPL-81705 or click on the below link:

http://quicksearch.dla.mil/gsDocDetails.aspx?ident_number=95727

Next, click on the “View QPD data” link

The screenshot shows the ASSIST website interface. At the top, there is a navigation bar with links for Home, About ASSIST, ASSIST Online, assistdoc.com, ASSIST Shopping Wizard, and ASSIST Updates. The main content area is titled "Quick ASSIST Search" and displays document details for "Document ID: QPL-81705". The "Overview" section includes fields for Title, Status, FSC/Area, Governing Spec, Transformation Date, Doc Category, and Qualification. The "Responsibilities" section lists Lead Standardization Activity and Preparing Activity. The "Revision History" section contains a paragraph about the document's transformation into an electronic QPL, with the link "View QPD data" circled in red. Below the screenshot, a black box with the text "Click Here" has an arrow pointing to the circled link.
