Updates and Reminders

- Start reviewing the technical specifications at the Market Research stage. Request for standards and patterns in advance through our repository area at <http://www.dla.mil/TroopSupport/ClothingandTextiles/SpecRequest.aspx>
- There are no patterns or samples available for Commercial items
- Review Suppliers Performance Risk System score-SPRS (formerly PPIRS) at <https://www.sprs.csd.disa.mil/>
- If there is a discrepancy with your score, contact Tim Atwell (215-737-7844 timothy.atwell@dla.mil), Procurement Analyst immediately for resolution, so your past performance score is top notch when competing for awards.
- Inform your potential suppliers that there is an upcoming procurement, so they can provide you with Product Demonstration Model (PDM) material. Sometimes, test reports are required with your submission.
- Remember to fill out your clauses in their entirety. Non-compliance may result in rejection of offer and removal from competition.
- Don't wait until the last minute to submit your proposal. Take recent delays with delivery providers into consideration. A late bid will not be considered!

Updates and Reminders

- If PDM testing (i.e. wash test) is required, conduct testing in-house to ensure compliance with technical specifications.
- Do not pull PDMs from production.
- Ensure you have long term agreements with your subcontractors and suppliers prior to submitting a proposal.
- Establish your line of credit prior to submitting your proposal. In fact, submit it with your proposal.
- Be ready for the Government to award on initial offers. Provide your best price/proposal up front. Review historical information on DLA Internet Bid Board System (DIBBS) or simply ask the contracting officer.
- Ensure your System for Award Management (SAM) registry is up-to-date and active.
- Know your places of performance at the acquisition stage.
- Go to Sam at <https:sam.gov/> and DIBBS for any upcoming or open procurements.
- Visit our Shade Lab.

USAF Optional Physical Training Gear (PTG)

AFLCMC... Providing the Warfighter's Edge

Background:

- **Program Description:** Provide improved cold weather PTG; utilize the recent design for Air Force PTG and provide additional design option
- **Requirement:** Revise fit and feel. Update fleece fabric w/ Berry Amendment compliant

Utilize short sleeve design the for cold weather option

Plan Forward:

- Searching for a fleece fabric that provides stretch, good recovery, soft hand, and medium weight
- Wear test new fleece Jan 2024
- Pass to AAFES Spring 2024
- Fielding in 2025

Update fleece fabric and design to be comfortable and modern
