AMERICAN MATERIAL HANDLING, INC.

1) CONTRACT AWARD

a. This contract constitutes the Government's acceptance of the Contractor's offer, including all revisions that were approved and accepted by the Government, under Request for Proposal (RFP) SPM8EC-11-R-0004, as amended by Amendments 0001, 0002, 0003 and 0004. It is an Indefinite Delivery/Requirements Contract under which the Contractor shall function as a supplier for Cranes.

b. Performance under this contract shall be governed by the Statement of Work (SOW) and terms and conditions of RFP SPM8EC-11-R-0004, as amended, and, the following terms and conditions negotiated prior to award that were acceptable to both the Contractor and the Government.

c. The overseas preservation/packaging and additional commercial manual set pricing elements included in the solicitation are both hereby deleted from the basic contract. In the event that these requirements are applicable to a particular Request for Quotations (RFQs), they will be considered and competed upon the issuance of RFQs.

The contractor was advised via e-mail on 23 July 2014 of the change.

d. DFARS 252.204-7004, Alternate A, System for Award Management, has been updated to Feb 2014 and is hereby incorporated into this document by reference on page 5.

e. FAR 52.216-2-Economic Price Adjustment – Standard Supplies (Jan 1997), which was completed by AMH and returned to DLA Troop Support on 4 August 2014 is hereby incorporated into the contract.

f. Offeror Representations and Certifications – Commercial Items Regarding Transportation of Supplies by Sea on page 69 of the solicitation which was completed by the contractor and returned to DLA Troop Support on 4 August 2014 is hereby incorporated into the contract.

g. The product base list unit prices set forth in the contractor's proposal dated 4 August 2014 are based on the base list unit prices from the Broderson Commercial Price List dated **Sector**, Elliott Commercial Price List dated and MAEDA USA Commercial Price List dated and the final proposed discounts dated 15 August 2014 are applicable to the items specified in this contract and are shown on pages 14 - 16 of this contract. The attachments/optional features (options) and **Sector** for all items are also shown on pages 14 - 16 of this contract. The negotiated discounts on pages 14 - 16 of this contract shall remain in effect for the entire five-year contract period. The contract pricing (catalog price minus discount) shall be the ceiling price for any delivery order solicited and awarded under the contract. At any time, the contractor can offer discounts greater than the discounts negotiated in the contract.

h. DFARS 252.212-7001, Contract Terms and Conditions Required to Implement Statutes or Executive Orders Applicable to Defense Acquisitions of Commercial Items which was included in solicitation SPM8EC-11-R-0004 has been deleted. However, the applicable contract clauses previously contained within this clause are incorporated by reference in the Addendum to FAR 52.212-4 on pages 5 & 6.

i. CAUTION - CONTRACTOR CODE OF BUSINESS ETHICS (DEC 2010)

FAR Part 3.1002(a) requires all government contractors to conduct themselves with the highest degree of integrity and honesty. Contractors should have a written code of business ethics and conduct. To promote compliance with such code of business ethics and conduct, contractors should have an employee business ethics and compliance training program that facilitates timely discovery and disclosure of improper conduct in connection with government contracts and ensures corrective measures are promptly instituted and carried out. A contractor may be suspended and/or debarred for knowing failure by a principal to timely disclose to the government, in connection with the award, performance, or closeout of a government contract performed by the contractor or a subcontract awarded there under, credible evidence of a violation of federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in title 18 of the United States Code or a violation of the False Claims Act. (31 U.S.C. 3729-3733)

If this solicitation or contract includes FAR clause 52.203-13 - CONTRACTOR CODE OF BUSINESS ETHICS AND CONDUCT; contained elsewhere in the solicitation or contract, the contractor shall comply with the terms of the clause and have a written code of business ethics and conduct; exercise due diligence to prevent and detect criminal conduct; promote ethical conduct and a commitment to compliance with the law within their organization; and timely report any violations of federal criminal law involving fraud, conflict of interest, bribery or gratuity violations found in title 18 of the United States Code or any violations of the False Claims Act. (31 U.S.C. 3729-3733)

Note: FAR clause 52.203-13 – Contractor Code of Business Ethics and Conduct is incorporated by reference on page 9 of this contract.

2) CONTRACT PERIOD

Any supplies to be furnished under this contract shall be ordered by issuance of delivery orders by DLA Troop Support. The ordering period shall commence on the date of award/contract and shall continue for five (5) calendar years after the effective date of the award/contract.

The "Total Award Amount" listed in block twenty six (26) on page one (1) of this contract (\$327,500,000.00) is the estimated value of the five (5) year contract and represents the combined estimated 5 year value of all the Crane contracts to be awarded under SPM8EC-11-R-0004, not this contract alone. The maximum dollar value that may be obligated against the contract throughout the five (5) year contract period is \$627,500,000.00.

3) DELIVERY ORDER LIMITATIONS

(a) **Minimum Order:** When the Government requires supplies or services covered by this contract in an amount of less than one each, the Government is not obligated to purchase, nor is the Contractor obligated to furnish those supplies or services under the contract.

(b) Maximum Order: The Contractor is not obligated to honor -

(1) Any order for a single item is excess of \$100,000,000.00

(2) Any order for a combination of items in excess of \$100,000,000.00; or

(3) A series of orders from the same ordering office within five (5) days that together call for quantities exceeding the limitations in subparagraph (b)(1) or (b)(2) of this section.

(c)The Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum order limitations in paragraph (b) of this section.

(d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within thirty (30) days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

4) CONTRACT UNIT PRICES
