

Hall of Fame Inductees

REAR ADMIRAL GROVER C. HEFFNER SC, UNITED STATES NAVY (RET)

Is inducted into the Defense Industrial Supply Center Hall of Fame this twentieth day of January 1999 for his extraordinary leadership and support as DISC's 5th Commander from August 1967 to April 1970.

Admiral Heffner was directly responsible for setting the wheels in motion for Standard Automated Materiel Management System (SAMMS). Under his inspiring leadership, major accomplishments were realized in connection with supply effectiveness, Public Law 87-653 (Truth in Negotiations), the use of advanced optical scanning technology in the field of computer input preparation, and the reversal of a negative trend in financial operations to one of a positive nature.
