

Hall of Fame Inductees

MAJOR GENERAL HAWTHORNE L. PROCTOR, USA

Is being inducted into the Defense Supply Center Philadelphia Hall of Fame for his exemplary leadership and support as DSCP's Commander from 1996 through 1998. General Proctor's extraordinary energy and foresight enabled DSCP to reengineer its business practices and transition the Defense Industrial Supply Center and DSCP to one inventory control point. He did a superb job in successfully managing this consolidation by partnering with city officials, DISC, and the local unions to ensure the best solutions for the DISC and DSCP merge. As a result, 1,300 jobs were saved from a potential reduction in force. Under General Proctor's leadership the prime vendor programs improved delivery times and reduced customer costs by \$686 million.
