

Hall of Fame Inductees

REAR ADMIRAL JAMES S. DIETZ SC, UNITED STATES NAVY (RET)

Is posthumously inducted into the Defense Industrial Supply Center Hall of Fame this twentieth day of January 1999 for his extraordinary leadership and support as DISC's 1st Commander from April 1962 to May 1964. Rear Admiral Dietz guided DISC as its 1st Commander when the Agency undertook the single manager concept of supplying the U.S. Armed Forces with vitally needed items used in the maintenance, overhaul and repair of their Weapons Systems and equipment. He was also the catalyst for the Center's conversion to the Military Standard Requisitioning and Issue Procedure (MILSTRIP), a format which is still in use today.
