**LIEUTENANT COLONEL R. KEITH BROWER  
UNITED STATES ARMY**

**Is inducted into the Defense Industrial Supply Center Hall of Fame this twentieth day of January 1999 for his extraordinary leadership and support as an Inventory Management Division Chief, Directorate of Supply Operations and for his continuous outstanding mission support throughout his tenure at DISC from 1985 to 1989. When DISC became aware of a major problem involving fasteners, Colonel Brower immediately recognized the potential impact on DISC customers. He understood the need to test and purge the inventory, and realized that DoD would have to cleanse its inventory quickly in order to prevent readiness degradation.**
