

## Hall of Fame Inductees

### **LORRAINE CURSON**

**Is inducted into the Defense Industrial Supply Center Hall of Fame this twentieth day of January 1999 for her extraordinary support as a Procurement Clerk in a Commodity Business Unit and for her continuous outstanding mission support throughout her tenure at DSCP from 1982 to 1993. Ms. Curson was the only procurement clerk in the Division. Through reorganizations and significant changes in operating procedures, she continued to carry out her responsibilities. She has never been afraid to go to the source in order to get the complete, accurate data needed to do her job. She was timely in her actions and saw to it that others did not delay the processing of awards. She would not hesitate to educate or remind others, or to recommend a more efficient way of getting things done.**
