

Hall of Fame Inductees

NEWLIN (PAT) SAUNDERS

Is posthumously inducted into the Defense Industrial Supply Center Hall of Fame this twelfth day of December 1997 for his extraordinary leadership and support as Deputy Director in the Office of Planning and Management and for his continuous outstanding mission support throughout his tenure at DISC from 1953 to 1981. As Deputy Director of the DISC Office of Planning and Management, Mr. Saunders was Project Officer for the development of the Standard Automated Material Management System (SAMMS), and was responsible for the design and documented procedures for many of its sub-systems that were implemented throughout the Defense Logistics Agency.
