

Hall of Fame Inductees

PHYLLIS JENNINGS

Is inducted into the Defense Industrial Supply Center Hall of Fame this twentieth day of January 1999 for her extraordinary leadership and support as a Computer Specialist in the Office of Telecommunications and Information Systems and for her continuous outstanding mission support throughout her tenure at DISC from 1961 to 1993.

Ms. Jennings was known for making suggestions to improve the quality of DISC in many ways. She was also involved in many other programs. She was a PROJECT GIVE (Government-Industry Volunteers for Education) tutor. But she took the time to help, mentor and encourage new employees to become acclimated.
