

The logo consists of a dark blue rectangular box with a thin black border. Inside the box, the words "Hall of Fame Inductees" are written in a white, sans-serif font, centered horizontally and vertically.

## **ROBERT HARDCASTLE**

**Is inducted into the Defense Industrial Supply Center Hall of Fame this twelfth day of December 1997 for his extraordinary leadership and support as a Supervisory Supply Systems Analyst in the Office of Policy and Plans and for his continuous outstanding mission support throughout his tenure at DISC from 1966 to 1989. Mr. Hardcastle was responsible for the planning, development and successful implementation of the first Automated Procurement System in DLA. The original system, named the Automated Small Purchase System (ASPS), was developed and implemented in two phases, and both phases were incorporated into the current Standard Automated Material Management System (SAMMS). After more that 25 years, this system is still running, virtually unchanged.**
