[Electronic Invoicing by Suppliers via Electronic Commerce/Electronic Data Interchange:](#)

All suppliers are required to process invoices electronically. **This is a condition for contract award.** An electronic invoicing system expedites payments by providing a real time system for invoice processing. In an effort to ensure that your firm is paid promptly for products that you supply, we want to utilize the best business practices available. The business practices of today reflect increased utilization of Electronic Commerce/Electronic Data Interchange providing more timely and cost effective ways of information exchange. DLA Troop Support, Subsistence is migrating towards more and more use of the electronic mediums available to conduct business with you as our business partners. The Defense Logistics Agency has undergone an Enterprise Business Systems (EBS) initiative. This EBS initiative will change the way you currently invoice. EBS conforms to a strict adherence of detailed line item payment in concert with the order. The manual paperwork will no longer be a viable way to invoice. Invoices need to be submitted for payment promptly after delivery.

Our intention is to provide you a quick and easy way to submit your invoices for payment and to help ensure prompt and accurate payments. Efforts have been underway for some time to bring a resolution for you to be able to accomplish Electronic Data Interchange with the invoices. Several alternatives are available:

If your company is able to exchange information electronically through ANSI X12 format, we could set your company up as an EDI vendor immediately, being able to receive orders and send invoices electronically.

There are companies available who for a fee will turn your flat files into EDI Invoices (810 transactions).

The Market Ready EDI Invoicing is another web application to submit your invoices electronically. This system can be found on the DLA TROOP SUPPORT web page for subsistence, <http://www.DLA Troop Support.dla.mil/subs/index.asp>.

CONTINUED ON NEXT PAGE

You will be issued a User ID and Password, after properly registering for this site. This application will allow you to see on the website receipts by the customers, for your contracts only. You can review the receipt and, if in agreement you will simply type in an invoice number to submit your invoice to DFAS. This receipt information is available at this website for 8 weeks. The user will have the ability to add lines or change existing lines to reflect what was delivered. The changes will be e-mailed to your DLA TROOP SUPPORT account manager, who will work at resolving the differences; however, the customer must make the corrections electronically. Vendors are encouraged to wait until the receipt is adjusted to submit their invoices. The system will be updated daily from the receipt files. Invoices submitted using this website will generate an EDI invoice to flow through the paying process at DFAS. If you need additional information on electronic or alternate electronic invoice processing contact your DLA TROOP SUPPORT Account Manager or Buyer.

One of the above methods must be used as paper invoices are no longer a viable option.

A sample STORES order is illustrated for informational purposes only. The information indicated in the five elements below is required to be identified on the vendor's invoice in order for the vendor to be promptly paid by DFAS. These elements are on the system generated STORES purchase order, and the information needs to be transferred to the invoice.

Contract Number - i.e. SPM300-09-D-V500 (on attached sample). This number will remain constant throughout the life of the contract.

Call Number - i.e. 408Y (This is the Julian date and the Lap ID number of the purchase order). This number will change with every order.

Lead CLIN No. - i.e. 55 (This is the item number on the purchase order). This number will change with every order.

Purchase Order Number - i.e. FT123490912211. This number will change with every order.

Required Delivery Date (RDD) i.e. 4/3/09. This date will change with each order.

Each order will contain similar information. Contractor is responsible to extract the correct information from the STORES order for each invoice.

(ii) The offeror shall list as other end products those end products that are not U.S.-made or designated country end products.

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR Part 25. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) () Are, () are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) () Have, () have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) () Are, () are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) () Have, () have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]
