It is the Government's intention to reflect the annual usage quantities for each Distribution Category based upon the most current information for this Region. The attached spreadsheet (3719-3720-3721-N102 Annual Usage) represents the estimated usage quantities for every item on the current catalogs for the period of November 2013 through October 2014. This information will allow each offeror to be more competitive during the Reverse Auction by understanding the average volume for each respective item.

Column C and Column D represent the total "Unit of Issue Quantities" and Unit of Measure Quantities" for each respective Distribution Category for this Region.
