MODIFICATION P00006

Option Period 1 (18 Months) and Option Period 2 (18 Months)

Category Number	Category Description	UOM	Dist. Price
76	Morocco DZ Multi-Temperature Truck (Any Size) and EFS Administration Costs of Truck EA = Per	EA	
77	Morocco DZ Multi-Temperature Truck (Any Size) Demurrage Note: Cost does not include Gen Set Fuel Costs EA = Per Day	EA

For Category 76, \$23,500.00 is the maximum allowable amount per truck for the Base Year and \$24,205.00 for both Option Years. EFS' administrative catalog will reflect a Unit Price of \$1.00 in order to pay EFS for the actual cost per truck and demurrage if applicable i.e., if the cost of one truck for one RDD is \$9,500.00, the STORES Purchase order will be placed for \$9,500.00, this will ensure EFS is paid for all transportation and administration costs including but not limited to risk, customs clearance, handling, warehousing and packaging and the customer is billed correctly for those costs.

Prior to the line being added to the STORES Order, EFS will submit to DLA Troop Support the Transportation companies quote/invoice as proof of all the transportation and custom clearance costs. EFS will also submit and invoice for the Administrative Costs, not to exceed the costs defined in the categories above. The Administrative Costs will be added to the Transportation Costs and EFS will be paid accordingly. The EFS delivery ticket (invoice) that accompanies the shipments includes the products ordered by the customer and will include the number of trucks associated with the customer's STORES Purchase Order; these delivery tickets are signed by the customer at the time of delivery confirming receipt of the product and the number of trucks and administrative charges required to make the delivery. This will confirm the number and type of items received and billing will be completed through STORES as a regular order.

10. All other terms and conditions that apply to the original contract apply to this DZ.
11. All orders placed in the area of responsibility covered by this DZ will be subject to the terms and conditions of this modification.
