EFFECTIVE PERIOD OF CONTRACT/ORDERING/PERFORMANCE PERIOD:

A contract resulting from this solicitation will become effective on the date of award. The contract award is deemed effective when notification is mailed, transmitted, or otherwise provided and received by the contractor.

The three (3) year ordering period will begin on a date specified by the Contracting Officer at time of award rather than on the effective date of award. The ordering/performance period of the contract shall commence with placement of the first customer order, on or after **12 June 2013** through to delivery on or before **11 July 2016** and delivery period of any order will be completed on or before **11 July 2016**.

It is anticipated that the first order under the contract resulting from this solicitation will be placed on or after **12 June 2013 and the final order will take place on 11 June 2016**

The Contractor shall not be required to make any deliveries under this contract after the date exactly **THREE (3) YEARS + 30 DAYS after date of award**.

The term of the contract is anticipated to be for a **three (3) year Period from 12 June 2013 through 11 June 2016**.

MINIMUM/MAXIMUM QUANTITIES AND ESTIMATED CONTRACT DOLLAR VALUE:

The quantities shown in the schedule represent the quantities estimated to be ordered over the delivery period. Offers will be evaluated based on the estimated quantities.

The estimated total contract dollar amount will be calculated based on the aggregate unit prices for all items at the estimated quantities. Actual quantities ordered may vary among the line items.

The contract guaranteed minimum amount to be ordered under any contract is 25% of the total estimated contract dollar amount.

The normal maximum ceiling amount which can be ordered under the contract is 200% of the estimated total contract dollar amount.

The total estimated dollar value of this solicitation and resultant contract is \$3,975,000.00 for the contract term of three (3) years.

The guaranteed minimum of the contract is 25% (\$993,500.00) of the total estimated dollar value for the contract term of three (3) years.

The normal maximum contract ceiling is 200% (\$7,950,000.00) of the total estimated dollar value for the contract term of three (3) years.

FAR 52.216-19 ORDER LIMITATIONS

ORDER LIMITATIONS (OCT 1995)

(a) *Minimum order.* When the Government requires supplies or services covered by this contract in an amount of less than **\$100.00 for all customers** [*insert dollar figure or quantity*], the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) *Maximum order.* The Contractor is not obligated to honor—

(1) Any order for a single item in excess of \$7.950M [*insert dollar figure or quantity*];

(2) Any order for a combination of items in excess of \$7.950M [*insert dollar figure or quantity*]; or

(3) A series of orders from the same ordering office within 2 days that together call for quantities exceeding the limitation in paragraph (b)(1) or (2) of this section.

(c) If this is a requirements contract (*i.e.*, includes the Requirements clause at subsection [52.216-21](#) of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) of this section.

(d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within N/A days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.
