**DLAD 52.216-9065 ECONOMIC PRICE ADJUSTMENT - ACTUAL MATERIAL COSTS FOR
SUBSISTENCE PRODUCT PRICE BUSINESS MODEL (NOV 2009)**

(a) **WARRANTIES.** For the portion of the schedule that is covered by this EPA clause, the contractor warrants that --

- (1) Contract Unit Prices covered by this contract do not include allowances for any portion of the contingency covered by this clause; and
- (2) All price adjustments invoiced under this contract shall be computed in accordance with the provisions of this clause.

(b) **DEFINITIONS.** As used throughout this clause, the term:

(1) "Contract Unit Price" means the total fixed price per unit charged to DSCP for a product delivered to DSCP's customers. The Contract Unit Price consists of two components: Product Price and Distribution Price. The unit price sum of the two component prices shall be rounded up or down as applicable, to the nearest cent.

(2) "Product Price" is the most recent DSCP Manufacturer's Price Agreement (MPA) price or the most recent manufacture, grower or private label holder commercial price per unit to the Contractor, exclusive of standard freight. The Product Price shall be based on FOB Origin/Point of Manufacturer. Product Price shall exclude all costs that are to be covered in the Distribution Price, including but not limited to, all transportation, broker and dealer costs and fees, projected general and administrative expenses, COR and VETCOM office space (where applicable), workers compensation insurance as related the Defense Base Act (DBA), the Longshore and Harbor Workers compensation Act, overhead, packaging/marketing/labeling costs, all Non Point of Manufacturer fees, palletization, procurement fees, storage, consolidation, distribution work and pallets and ice for Airlifts.

Exceptions:

a) Airfreight Charges may be included in the Product price for Fresh Fruits and Vegetables (FF&V) when it is necessary to have product flown in for the exclusive use of this contract when the local market's supply cannot support.

b) A CONUS-based manufacturer, grower or private label holder's product pricing which is a national price inclusive of transportation costs to a Distribution Point shall be supported by documentation and may be considered by the Government on a case by case basis, upon concurrence of the contracting officer.

c) **Mandatory Source Items:** The product price shall be limited to the nonprofit agency's price for product as set in accordance with applicable law. The product price shall be based on FOB Origin/Nonprofit Agency. (Prices set in accordance with applicable law (FOB Origin/Nonprofit Agency).)

For this contract, the Product Price shall be the contractor's last Product Price through close of business 12:00 p.m. local Philadelphia time on the last Monday of each month for submission not later than 12:00 p.m. local Philadelphia time on the last Monday of each month for updating the following month's Ordering Catalog price. The Product Price shall have any and all Product Allowance subtractions made prior to presenting the Product Price to DSCP.

(3) "Product Allowance" is discounts, rebates, and allowances to be passed on to the Government. All discounts, rebates, or allowances on particular items which are reflected in the amounts shown on the face of the manufacturer's, grower's or private label holder's invoice (referred to as "off-invoice allowances") or designated by the manufacturer, grower or private label holder to be passed on to the Government or to similar commercial customers, shall be passed by the Contractor in the form of an up-front price reduction. The total of these discounts, rebates, and allowances (Product Allowance), shall be reflected via a reduced STORES price, resulting in a lower invoice price to the customer. Any rebates that must be passed to the Government and which cannot be applied as an up-front price reduction must be submitted via check made to the US Treasury, attached with itemized listing of all customer purchases by line item to include contract number, call number, purchase order number and CLIN number.

(4) "Distribution Price (including normal and premium freight)" means the firm fixed price portion of the Contract Unit Price, offered as a dollar amount per unit of issue, rounded up or down to the nearest cent. The Distribution Price is the only method for the Contractor to bill the Government for all costs of contract performance other than Product Price, including but not limited to, operational costs, overhead and profit, all transportation costs from the Prime Vendor's OCONUS distribution facility to customer locations including routine airlift (where applicable), broker and dealer costs and fees, projected general and administrative expenses, COR and VETCOM office space (where applicable), workers compensation insurance as related the Defense Base Act (DBA), the Longshore and Harbor Workers compensation Act, overhead, packaging/marketing/labeling costs, all Non Point of Manufacturer fees, palletization, procurement, storage, consolidation, distribution work and pallets and ice for Airlifts, and any other elements of Distribution Price not defined in this solicitation. The Distribution price shall remain constant for the entire contract period.

(5) "Ordering Catalog" means the electronic listing of items and their corresponding contract unit prices available for ordering under this contract.

(6) "Ordering Month" means from the Sunday (12:01 AM) of the First full week in a calendar month through the last Saturday (11:59 PM) in that calendar month (Eastern Time ET, standard or daylight as applicable).

(c) PRICE ADJUSTMENTS.

(1) General.

(A) All Contract Unit Prices shall be fixed and remain unchanged until changed pursuant to this clause or other applicable provision of the contract. Only the Product price component of the Contract Unit Price is subject to adjustment under this clause. After the first Ordering month, if the Contractor's Product Price changes for any or all Contract Unit Prices, the Contract Unit Price shall be changed in the next month's Ordering Catalog upon the Contractor's request, submitted in accordance with paragraph B below, by the same dollar amount of the change in the Product price, subject to the limitations in paragraph (d). The price change shall be effective at the beginning of the next Ordering Month. All Ordering Catalog Unit Prices computed in accordance with this clause and in effect when an order is placed shall remain in effect for that order through delivery. DSCP will be charged the Contract Unit Price in effect at the time of each order regardless of any changes in the unit price occurring in any subsequent Ordering Month.

(B) All notices and requests for price changes shall be submitted monthly, no later than 12:00 p.m. local Philadelphia time on the last Monday of each month, to be effective in the following Ordering Month's Ordering Catalog prices. The Contractor shall notify the Contracting Officer of its notice/request in the form of an EDI 832 transaction set. The change notice shall include the

Contractor's adjustment in the Product Price component of the applicable Contract Unit Price. Upon the Contracting Officer's acceptance of such 832 price changes in accordance with D below, the price change transaction sets will post in the next month's Ordering Catalog and each contract unit price shall be changed by the same dollar amount of the change in the Product Price in the next month's Ordering Catalog.

(B) All price changes, and catalog contract prices, are subject to review by the Government. The Contracting Officer may at any time require the submission of supporting data to substantiate any requested price change or the requested continuation of the pre-existing price for any item, including prices applicable to prior ordering months. Upon notice from the Contracting Officer that supporting data is required, the Contractor shall promptly furnish to the Government all supporting data, including but not limited to, invoices, quotes, price lists, Supplier documentation regarding rebates/allowances, and any other substantiating information requested by the Contracting Officer.

(D) Price change requests that the Contracting Officer questions or finds to be inconsistent with the requirements of this clause shall not be posted until the Contracting Officer specifically authorizes the posting. If the Contracting Officer does not notify the Contractor by close of business local Philadelphia time on the Thursday immediately following the Monday when price changes are due, that a price or a price change request is being questioned or has been found to be erroneous, the price change(s) will post to the ordering catalog effective the beginning of the following Ordering Month. The posting of updated prices in the Ordering Catalog, calculated in accordance with this clause, constitutes a modification to this contract. No further contract modification is required to effect this change.

(E) Should the Contracting Officer determine or question that a price change request contained an erroneous unit price or price change, or cannot otherwise determine the changed price(s) to be fair and reasonable, such as when the changed price(s) is(are) higher than lower Product Prices for items of comparable quality which are reasonably available to the Government or Contractor from other sources, the Contracting Officer will so advise the Contractor, prior to close of business local Philadelphia time on the Thursday immediately following the Monday when price changes are due. If the Contracting Officer cannot determine or negotiate a fair and reasonable price, the Contracting Officer may reject any price change and direct in writing that the item in question be removed from the Contractor's Ordering Catalog, without liability to the Government. The Contracting Officer may subsequently remove any such item from the Ordering Catalog if the Contractor does not take the appropriate corrective action. The Government has the right to procure such removed items from any alternate source of supply, and the failure of the Contractor to supply such item will be considered a negative instance of performance.

(F) In the event of a price change not posting or an Ordering Catalog Contract Unit Price not computed in accordance with this clause, resulting in an incorrectly increased or decreased Contract Unit Price, the Prime Vendor shall immediately notify the Contracting Officer in writing and promptly thereafter correct its Ordering Catalog and submit a refund proposal for any amounts paid to the Contractor resulting from the erroneous price. In the event of an erroneous price decrease in the Ordering Catalog, if the Contractor can demonstrate to the satisfaction of the Contracting Officer that the error did not result from the fault or negligence of the Contractor, the Contractor may submit a request for equitable adjustment for consideration by the Contracting Officer.

(2) Limitations: All adjustments under this clause shall be limited to the effect on Contract Unit Prices of actual increases or decreases in the Product Prices for material. There shall be no upward adjustment for ---

(A) Supplies for which the Product Price is not affected by such changes;

(B) Changes in unit prices other than those in or subsequently added in the Ordering Catalog;

(C) Changes in the quantities of material; and

(D) Increases in unit prices that the Contracting Officer determines are computed incorrectly (i.e. not adhering to the Contract Unit Price definition in this clause) and/or increases in unit prices that the Contracting Officer determines are not fair and reasonable.

(d) **UPWARD CEILING ON ECONOMIC PRICE ADJUSTMENT:** The aggregate of contract unit price increases for each item under this clause during any contract period shall not exceed 70 percent (%) (90% for Fresh Fruits and Vegetables) of the initial Contract unit price in such performance period, except as provided below:

(1) If at any time the Contractor has reason to believe that within the near future a price adjustment under the provisions of this clause will be required that will exceed the current contract ceiling price for any item, the Contractor shall promptly notify the Contracting Officer in writing of the expected increase. In the event the latest actual market price for an item would result in a contract unit price that will exceed the allowable ceiling price under the contract, then the Contractor shall immediately notify the Contracting Officer in writing or via its EDI 832 price change request and separate email no later than the time specified in paragraph (c)(1)(B) above. With either such notification the Contractor shall include a revised ceiling the Contractor believes is sufficient to permit completion of remaining contract performance, along with appropriate explanation and documentation as required by the Contracting Officer.

(2) If an actual increase in the reference price would raise a contract unit price for an item above the current ceiling, the Contractor shall have no obligation under this contract to fill pending or future orders for such items, as of the effective date of the increase, unless the Contracting Officer issues a contract modification to raise the ceiling. If the contract ceiling will not be raised, the Contracting Officer shall so promptly notify the Contractor in writing. After evaluation of a requested actual price increase, if the Contracting Officer authorizes the change in the contract unit price, the Contractor shall submit an EDI 832 price change. The price change shall be posted for the following month's ordering catalog.

(e) There is no downward limitation on the aggregated percentage of decreases that may be made under this clause.

(f) **EXAMINATION OF RECORD:** The Contracting Officer or designated representative shall have the right to examine the Contractor's books, records, documents and other data, to include commercial sales data, the Contracting Officer deems necessary to verify Contractor adherence to the provisions of this clause. Such examination may occur during all reasonable times until the end of 3 years after the date of final payment under this contract or the time periods specified in Subpart 4.7 of the Federal Acquisition Regulation (FAR), whichever is earlier.

(g) **FINAL INVOICE:** The Contractor shall include a statement on the final invoice that the amounts invoiced hereunder have applied all decreases required or authorized by this clause.

(h) **DISPUTES:** Any dispute arising under this clause shall be determined in accordance with the "Disputes" clause of the contract.
