AbilityOne Mandatory Procurement Program**02 January 2013**

- A. The Javits-Wagner-O'Day Act 41 U.S.C. § 46 et seq. is a U.S. federal law requiring that all federal agencies purchase specified supplies and services from nonprofit agencies employing persons who are blind or have other significant disabilities. The Act was passed in 1971. The program was known as the Javits Wagner O'Day Program or JWOD. In 2006 the program was renamed "AbilityOne". Mr. Gus Altieri is the Subsistence Program Manager for the Ability One Program.
- B. Within DLA Troop Support Subsistence the AbilityOne procurement list is referred to as the Mandatory Procurement List (MPL). Items and associated local stock numbers and prices are provided here. Prices are F.O.B. origin. DLA Troop Support local stock numbers have been assigned for Individual Unit sales of spice items.
- C. Subsistence Prime Vendors are required to expeditiously catalog the mandatory products and remove any commercial equivalent product with "essentially the same" product characteristics. For CONUS Prime Vendors, if the removal and replacement will take longer than 30 days after notification by the Contracting Officer, the approval of the Contracting Officer must be obtained for the extension. For OCONUS Prime Vendors, within 30 days of notification by the Contracting Officer the OCONUS Prime Vendor must provide the Contracting Officer of current details of issues (outstanding orders, product in the 'pipeline', etc) delaying the catalog updates and provide the date when the catalogs will be updated. Contracting Officers will notify Program Manager.
- D. Any other commercial equivalent product with "essentially the same" product characteristics cannot be sold to the DLA Troop Support customers under this contract. The contractor is not authorized to submit catalog changes containing other commercial equivalent products with "essentially the same" product characteristics as those items on the MPL.

The following criteria should be used in determining if a commercial product is "essentially the same" as an AbilityOne MPL item:

1. It has effectively the same form, fit and function.
2. The AbilityOne and commercial products may be used for the same purpose.
3. The AbilityOne and commercial products are relatively the same size and a change in size will not affect the use or performance.
4. The appearance, color, texture, or other characteristic of the AbilityOne product and commercial product are not significantly different from one another.

The only potential exception to this requirement is identified in paragraph E.

- E. If the Prime Vendor is requested to carry items commercially equivalent to MPL items but with unique packaging requirements provided by the supplier but not currently provided by the MPL source, the Prime Vendor must notify the Contracting Officer. The Contracting Officer will notify the Ability One Program Manager.
- F. Prime Vendors are required to adhere to the same contractual requirements and best business practices for MPL items as for all other items provided on this contract.
- G. Price and delivery information for MPL items are available directly from the Designated Sources as provided. Payments shall be made directly to the Designated Source.

P00036 - SPM300-09-D-3310 - USFI

- H. Advocacy and Resources Corporation (ARC) d/b/a/ AMP is **CURRENTLY SUSPENDED** from doing business with the Federal Government. The following items and local stock numbers are **NOT** to be on any active/current Prime Vendor contracts. The Contracting Officer is required to notify the AbilityOne Program Manager if any of these items remain on any active/current Prime Vendor contracts:
