Rapid Gate

Many bases currently require enrollment in Rapid Gate and will not allow entry without Rapid Gate clearance. During the contract implementation period, the Contractor must contact all customer locations to determine whether enrollment in Rapid Gate or another security program is required for access to each location. If Rapid Gate or other security enrollment is required, the contractor must take all necessary steps to obtain this in time for the start of performance under this contract. Failure to have Rapid Gate clearance may result in a vendor being turned away from the base and being unable to complete delivery. The contractor is responsible for the additional cost for Rapid Gate enrollment and must ensure that a Rapid Gate enrolled driver is available for all deliveries. There will be a fee for Rapid Gate enrollment that will include access to multiple locations for multiyear access, but the cost of Rapid Gate or other security enrollment may vary, so the contractor should contact Rapid Gate to determine its own costs. If more than one driver is required, Rapid Gate enrollment must be obtained for each driver. Note that enrollment can take several weeks, so an awardee that is not already enrolled must begin enrollment at the time of award notification at the latest. If difficulty or delay in enrollment in Rapid Gate is encountered during the implementation period, the contractor MUST contact Rapid Gate and/or the Security Officer at the applicable customer locations to resolve any issues with processing Rapid Gate enrollment so that the contractor will be able to deliver as required. For additional information regarding Rapid Gate, including enrollment instructions, please visit their website at <http://www.rapidgate.com>.

The terms and conditions of solicitation SPE30016R0034 (as amended if amended) apply.

Contract period is August 14, 2016 through August 10, 2019.
