1. All orders will be treated on a fill-or-kill basis. If there is an item on the existing STORES catalog that may serve as a replacement for the NIS item, the vendor will notify the customer within a day of the order (i.e. the skip day). If the customer agrees, they will place a separate order for that line item. The replacement item will be delivered along with the rest of the purchase order however it will be invoiced separately, including a separate purchase order number, CLIN, etc. The vendor must show the original item as a zero quantity fill on their first invoice, and the replacement item on the second invoice. The replacement item will be priced at its own catalog price. Invoices must have all the correct information (contract number, purchase order number, CLIN, quantity, price etc) in order to be paid.

**2. A separate STORES order must be placed for all replacement items.**
