The Small Business and Small Disadvantaged Business Subcontracting Plan submitted by Labatt Food Service is incorporated into this contract. The DCMA is assigned all administrative duties associated with the Small Business and Small Disadvantaged Subcontracting Plan as provided under Clause 52.219-9 "Small Disadvantaged and Women Owned Small Business Subcontracting Plan".

J. INVOICING

COLUMBUS, OH 43218-6260

Each invoice shall contain sufficient data for billing purposes. This includes, but is not limited to:

1. Contract Number, Call or Delivery Order Number, and Purchase Order Number;
2. DoDAAC;
3. Contract line listed in numeric sequence (also referred to as CLIN order);

K. MANDATORY FOOD PRODUCTS AND DINING PACKETS

- A. The Javits-Wagner-O'Day Act 41 U.S.C. § 46 et seq. is a U.S. federal law requiring that all federal agencies purchase specified supplies and services from nonprofit agencies employing persons who are blind or have other significant disabilities. The Act was passed in 1971. The program was known as the Javits Wagner O'Day Program or JWOD. In 2006 the program was renamed "AbilityOne". **Mr. Gus Altieri is the Subsistence Program Manager for the Ability One Program.**

Contract SPM300-13-D-3659

Subsistence Prime Vendor for the San Antonio Area

- B. Within DLA Troop Support Subsistence the AbilityOne procurement list is referred to as the Mandatory Procurement List (MPL). Items and associated local stock numbers and prices are provided here. Prices are F.O.B. origin. DLA Troop Support local stock numbers have been assigned for Individual Unit sales of spice items.
- C. Subsistence Prime Vendors are required to expeditiously catalog the mandatory products and remove any commercial equivalent product with “essentially the same” product characteristics. For CONUS Prime Vendors, if the removal and replacement will take longer than 30 days after notification by the Contracting Officer, the approval of the Contracting Officer must be obtained for the extension. For OCONUS Prime Vendors, within 30 days of notification by the Contracting Officer the OCONUS Prime Vendor must provide the Contracting Officer of current details of issues (outstanding orders, product in the ‘pipeline’, etc) delaying the catalog updates and provide the date when the catalogs will be updated. Contracting Officers will notify Program Manager.
- D. Any other commercial equivalent product with “essentially the same” product characteristics cannot be sold to the DLA Troop Support customers under this contract. The contractor is not authorized to submit catalog changes containing other commercial equivalent products with “essentially the same” product characteristics as those items on the MPL.

The following criteria should be used in determining if a commercial product is “essentially the same” as an AbilityOne MPL item:

1. It has effectively the same form, fit and function.
2. The AbilityOne and commercial products may be used for the same purpose.
3. The AbilityOne and commercial products are relatively the same size and a change in size will not affect the use or performance.
4. The appearance, color, texture, or other characteristic of the AbilityOne product and commercial product are not significantly different from one another.

The only potential exception to this requirement is identified in paragraph E.

- E. If the Prime Vendor is requested to carry items commercially equivalent to MPL items but with unique packaging requirements provided by the supplier but not currently provided by the MPL source, the Prime Vendor must notify the Contracting Officer. **The Contracting Officer will notify the Ability One Program Manager.**
- F. Prime Vendors are required to adhere to the same contractual requirements and best business practices for MPL items as for all other items provided on this contract.
- G. Price and delivery information for MPL items are available directly from the Designated Sources as provided. Payments shall be made directly to the Designated Source.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals--

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(3) Are, are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) Have, have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial

challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals Contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
