Totals Sheet:

For reference purposes, DLA Troop Support has provided offerors with a tab titled "TOTALS" on the price proposal spreadsheet. Offerors do not enter any information in this tab. This tab calculates the offeror's aggregate offer for the base and option periods, accounting for quantities and other additional calculations. These calculations rely on the information the offeror enters into the other portions of the spreadsheet. Any incorrect information entered by the offeror, therefore, will skew this stated total.

After the offeror submits the price proposal, DLA Troop Support will verify the offeror-entered information based on the offeror-submitted documentation: invoices, quotes and specification sheets.

Note: this is not the offeror's total evaluated price. The total evaluated price is determined through the process described on solicitation page 123.
