

Item: **Italian style herb and cheese swirl roll**

Document: **PCR-S-026, Swirl Roll, Packaged in a Flexible Pouch, Shelf Stable**

Approximate Caloric Value Per Serving: **200**

Component Classification: **Primary**

Estimated Shelf Life: **36 months at 80°F**

Item Characteristics

Appearance: Intact, round, light to medium tan color swirl roll with a reddish-orange color near the swirl edges; off-white to light tan color interior crumb; flecks of herbs throughout; slightly dense, uniform crumb structure, no evidence of excessive flour dusting; no evidence of excessive baking (materially darkened or scorched); no evidence of compression streaks when broken by hand.

Odor: Moderate Italian seasoning, tomato, and slight cheese.

Flavor: Moderate Italian seasoning, tomato, and slight cheese, and a slight to moderate wheat flavor and may have a slight leavening aftertaste.

Texture: Tender, slightly chewy, slightly dense; not excessively dry or crumbly or excessively moist and gummy.

Possible Deteriorative Changes

Appearance: Darkened surface and interior crumb.

Odor: Extreme bitterness, sour, oxidized, rancidity, staleness, scorched. Loss of Italian seasoning.

Flavor: Extreme bitterness, sour, oxidized, rancidity, staleness, scorched. Loss of Italian seasoning.

Texture: Excessively dry and crumbly or excessively moist and gummy.

Unique Examination/Test Procedures:

N/A

Special Notes:

This product should contain an oxygen scavenger packet. If defects such as oxidized or rancid odors or flavors exist, they are likely due to package failure or the absence of an oxygen scavenger. Some bleeding of the reddish orange sauce to the swirl roll is normal but may increase over time.
