ADDENDUM TO 52.212-4

The following paragraph(s) of 52.212-4 are amended as indicated below:

1. Paragraph (a), Inspection/Acceptance, is revised to add the following:

Inspection/ Acceptance shall be Origin by the Army Veterinary Inspection (AVI).

2. Paragraph (d) Disputes, is revised to add the following:

52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (ADR) (NOV 2011) – DLAD

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when

ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the Contractor (see Federal Acquisition Regulation (FAR) clause 52.233-1), or, for the Agency, by the Contracting Officer, and approved at a level above the Contracting Officer after consultation with the ADR Specialist and with legal. Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the Contracting Officer before determining ADR to be inappropriate.

(c) The offeror should check here to opt out of this clause:

[] Alternate wording may be negotiated with the Contracting Officer.

3. Paragraph (g), Invoice

252.232-7003 ELECTRONIC SUBMISSION OF PAYMENT REQUESTS (MAR 2008) – DFARS

(a) *Definitions.* As used in this clause—

(1) “Contract financing payment” and “invoice payment” have the meanings given in section 32.001 of the Federal Acquisition Regulation.

(2) “Electronic form” means any automated system that transmits information electronically from the initiating system to all affected systems. Facsimile, e-mail, and scanned documents are not acceptable electronic forms for submission of payment requests. However, scanned documents are

acceptable when they are part of a submission of a payment request made using Wide Area WorkFlow (WAWF) or another electronic form authorized by the Contracting Officer.

(3) “Payment request” means any request for contract financing payment or invoice payment submitted by the Contractor under this contract.

(b) Except as provided in paragraph (c) of this clause, the Contractor shall submit payment requests and receiving reports using WAWF, in one of the following electronic formats that WAWF accepts:

Electronic Data Interchange, Secure File Transfer Protocol, or World Wide Web input. Information regarding WAWF is available on the Internet at <https://wawf.eb.mil/>.

(c) The Contractor may submit a payment request and receiving report using other than WAWF only when—

(1) The Contracting Officer authorizes use of another electronic form. With such an authorization, the Contractor and the Contracting Officer shall agree to a plan, which shall include a timeline, specifying when the Contractor will transfer to WAWF;

(2) DoD is unable to receive a payment request or provide acceptance in electronic form;

(3) The Contracting Officer administering the contract for payment has determined, in writing, that electronic submission would be unduly burdensome to the Contractor. In such cases, the Contractor shall include a copy of the Contracting Officer’s determination with each request for payment; or

(4) DoD makes payment for commercial transportation services provided under a Government rate tender or a contract for transportation services using a DoD-approved electronic third party payment system or other exempted vendor payment/invoicing system (e.g., PowerTrack, Transportation Financial Management System, and Cargo and Billing System).

(d) The Contractor shall submit any non-electronic payment requests using the method or methods specified in Section G of the contract.

(e) In addition to the requirements of this clause, the Contractor shall meet the requirements of the appropriate payment clauses in this contract when submitting payment requests.

4. Paragraph (m), Termination for Cause.

Delete paragraph (m) in its entirety and substitute the following:

(m) *Termination for Cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If this contract is terminated in whole or in part for cause, and the supplies or services covered by the contract so terminated are repurchased by the Government, the Government will incur administrative costs in such repurchases. The Contractor and the Government expressly agree that, in addition to any excess costs of repurchase, or any other damages resulting from such default, the Contractor shall pay, and the Government shall accept, the sum of \$1155.00 as payment in full for the administrative costs of such repurchase. This assessment of damages for administrative costs shall apply for any termination for cause following which the Government repurchases the terminated supplies or services together with any incidental or consequential damages incurred because of the termination. If it is determined that the Government improperly terminated this contract for cause, such termination shall be deemed a termination for convenience.

5. Paragraph (o) Warranty: The following clause will supersede FAR 52.212-4(o) referenced in this solicitation.

52.246-9060 WARRANTY OF SUPPLIES (COMMERCIAL ITEMS) (SEP 2008) – DLAD

(a) Definitions.

"Acceptance," as used in this clause, means the act of an authorized representative of the Government by which the Government assumes for itself, or as an agent of another, ownership of existing supplies, or approves specific services as partial or complete performance of the contract.

"Correction," as used in this clause, means the elimination of a defect.

"Supplies," as used in this clause, means the end item furnished by the Contractor and related services required under the contract. The word does not include "data".

(b) Contractor's obligations.

(1) Notwithstanding inspection and acceptance by the Government of supplies furnished under this contract, or any condition of this contract concerning the conclusiveness thereof, the

Contractor warrants that for 6 months after receipt of supplies at destination or, in the case of supplies required to bear an expiration date, for the expiration date indicated in the labeling thereof, all supplies furnished

(i) Are of a quality to pass without objection in the trade under the contract description;

(ii) Are fit for the ordinary purposes for which the supplies are used;

(iii) Are within the variations permitted by the contract, and are of an even kind, quality and quantity within each unit and among all units;

(iv) Are adequately contained, packaged, and marked as the contract may require; and

(v) Conform to the promises or affirmations of fact made on the container.

(2) When return of the supplies to the contractor and redelivery, if applicable, is required, transportation charges and responsibility for the supplies while in transit shall be borne by the contractor. Contractor shall also be liable for:

(i) Handling costs and incidental charges incurred by the Government in the preparation of the above described supplies for return to the contractor and in return of said supplies to storage, after redelivery by the contractor; and

(ii) For cost of Government examination of the corrected or replaced supplies computed and charged at the flat rate of \$49.28 per hour.

(3) Any supplies or parts thereof, corrected or furnished in replacement under this clause, shall also be subject to the terms of this clause to the same extent as supplies initially delivered. The warranty, with respect to supplies or parts thereof, shall be equal in duration to that in paragraph (b)(1) of this clause and shall run from the date of receipt of the corrected or replaced supplies at destination.

(c) Remedies available to the government.

(1) Notice Requirement: The contracting officer shall give written notice to the contractor of any breach of warranties in paragraph (b)(1) of this clause within 7 days from receipt of supplies at destination or, in the case of supplies required to bear an expiration date, no later than one month following the expiration date indicated in the labeling.

(2) Conformance of supplies or parts thereof subject to warranty action shall be determined in accordance with the inspection and acceptance procedures contained in the contract except as provided herein. If the contract provides for sampling, the contracting officer may group any supplies delivered under this contract. The size of the sample shall be that required by the

sampling procedure specified in the contract for the quantity of supplies on which warranty action is proposed, except when projecting sampling results. Warranty sampling results may be projected over supplies in the same shipment or other supplies contained in other shipments even though all of such supplies are not present at the point of re-inspection and regardless of whether such supplies have been issued or consumed, provided (1) the supplies from which the samples were drawn are reasonably representative of the quantity on which warranty action is proposed, and (2) the defects found in the sample size are sufficient to reject the quantity of supplies on which warranty action is proposed, even though the sample size may be less than that required for such quantity. The original inspection lots need not be reconstituted, nor shall the contracting officer be required to use the same lot size as on original inspection. Within a reasonable time after the notice, the contracting officer may exercise one or more of the following options; and also, following the exercise of any option, may unilaterally change it to one or more of the other options set forth below:

(i) Require an equitable adjustment in the contract price for any supplies or group of supplies;

(ii) Screen the supplies grouped under this clause at contractor's expense and return all nonconforming supplies to the contractor for correction or replacement;

(iii) Require the contractor to screen the supplies at depots designated by the Government within the continental United States and to correct or replace all nonconforming supplies;

(iv) Return any supplies or group of supplies under this clause to the contractor (irrespective of the f.o.b. point or the point of acceptance) for screening and correction or replacement;

(v) Return or hold for contractor's account any supplies or group of supplies delivered hereunder, whereupon the contractor shall repay the contract price paid therefore. In such event, the Government may reprocure similar supplies upon such terms and in such manner as the contracting officer may deem appropriate, and charge to the contractor the additional cost occasioned the Government thereby.

(3) When remedy (c) (2) (iii) or (c) (2) (iv) of this clause is exercised, the contractor is required to submit in writing and within 30 days after receipt of notice of such invocation a schedule for either:

(i) Correction and/or replacement of all defective supplies and subsequent redelivery of the returned supplies; or,

(ii) Screening defective supplies at each depot involved and subsequent redelivery of all corrected and/or replaced supplies.

Such schedule will become a part of the contract delivery schedule upon agreement thereto by the Government. If the contractor fails to provide an agreeable schedule within the specified

period, or any extension agreed to by the Government, the Government may correct the items and charge the contractor's account; or, issue a contract for correction of the items and charge the contractor's account; or, exercise one or more of the remedies specified in paragraph (4) below.

(4) If the contractor fails to accept return of the nonconforming supplies; or, fails to make redelivery of the corrected or replaced supplies to the Government within the time established; or, fails to make progress after their return to correct or replace them so as to endanger performance within the time established for redelivery and does not cure such failure within a period of 10 days (or such longer period as the contracting officer may authorize in writing) after receipt of notice from the contracting officer specifying such failure, the contracting officer may exercise one or more of the following remedies:

(i) Retain or have the contractor return the nonconforming supplies and require an equitable adjustment in the contract price.

(ii) Return or hold the nonconforming supplies for contractor's account, or require the return of the nonconforming supplies and then hold for contractor's account, whereupon the contractor shall repay the contract price therefore. In such event, the Government may re-procure similar supplies upon such terms and in such manner as the contracting officer may deem appropriate, and charge to the contractor the additional costs occasioned the Government thereby.

(iii) If the contractor fails to furnish timely disposition instructions, dispose of the nonconforming supplies for the contractor's account in a reasonable manner, in which case the Government is entitled to reimbursement from the contractor or from the proceeds for the reasonable expenses of the care and disposition of the nonconforming supplies, as well as for any other costs incurred or to be incurred.

(5) The rights and remedies of the Government provided in this clause are in addition to and do not limit any rights afforded to the Government by any other clause of this contract.

(d) Failure to agree upon any determination to be made under this clause shall be a dispute concerning a question of fact within the meaning of the "Disputes" clause of this contract.

(e) When the contract specifies ultimate delivery of supplies to a location outside the contiguous United States, such location shall be deemed the destination for purposes of this clause.

6. Paragraph (r) Compliance with laws unique to Government contracts is revised to include the following:

(r) The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not

to benefit; 40 U.S.C. 3701, *et seq.*, Contract Work Hours and Safety Standards Act; 41 U.S.C. 51-58, Anti-Kickback Act of 1986; 41 U.S.C. 265 and 10 U.S.C. 2409 relating to whistleblower protections; Section 1553 of the American Recovery and

Reinvestment Act of 2009 relating to whistleblower protections for contracts funded under that Act; 49 U.S.C. 40118, Fly American; and 41 U.S.C. 423 relating to procurement integrity.

7. Paragraph (t), Central Contractor Registration (CCR).

Add the following:

(5) Definitions.

"Central Contractor Registration (CCR) Database" means the primary Government repository for contractor information required for the conduct of business with the Government.

"Commercial and Government Entity (CAGE) Code" means—

- (a) A code assigned by the Defense Logistics Information Service (DLIS) to identify a commercial or Government entity; or
- (b) A code assigned by a member of the North Atlantic Treaty Organization that DLIS records and maintains in the CAGE master file. This type of code is known as an "NCAGE code".

"Data Universal Number System (DUNS) Number" means the 9-digit number assigned by Dun and Bradstreet, Inc. (D&B) to identify unique business entities.

"Data Universal Numbering System+4 (DUNS+4) Number" means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. (D&B has no affiliation with this 4-character suffix.) This 4-character suffix may be assigned at the discretion of the business concern to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts (see Subpart 32.11 of the Federal Acquisition Regulation) for the same parent concern.

"Registered in the CCR Database" means that—

- (a) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database;
- (b) The Contractor's CAGE code is in the CCR database; and
- (c) The Government has validated all mandatory data fields and has marked the records "Active."
