## RPPOB Program

- Commonly referred to as the Bailment Program
- Allows a domestic business to purchase or borrow replenishment parts
- Assist new suppliers to become qualified sources
- Facilitate release of existing technical data
- Supplier assumes the risk and cost
- Encourage competition on items that will reduce acquisition costs

## Display Room & Virtual Parts Catalog

- Display/locate potential candidates
- Typically sole source with demand over \$40K/yr
- Work with contractors on daily basis
- Assistance with DLA applications
- Web address for catalog and guidance:  
<http://www.dla.mil/Aviation/Offers/Services/AviationEngineering/Engineering/RPPOB.aspx>

## Process

- DLA provides pricing of part to purchase/borrow sample
- If approved, contract initiated to provide samples
- You review the data and determine if you wish to proceed, Military Service concurrence is required prior to Sales or Loans
- We will ship the item to you and you shall conduct the reverse engineering at your own expense
- DLA coordinates release of samples
