

FACT SHEET

SUBJECT: Bulk Petroleum Executive Agent Readiness Assessment

BACKGROUND:

- DoD Directive 5101.1 requires an OSD assessment at least every 3 years.
- OSD has tasked DLA to provide this assessment.

DISCUSSION:

- DORRA has been tasked to conduct an assessment of DLA's ability to perform as the DoD Executive Agent for Bulk Petroleum.
- Current Situation:
 - Primary reference is Joint Publication 4-03 Joint Bulk Petroleum and Water Doctrine.
 - Data matrix has been developed.
 - Survey developed in partnership with TRAC LEE to query key stakeholders
 - Data call to DLA Energy has been completed.
- Way-Ahead:
 - Analyze results of survey and DLA Energy data call.
 - Write and brief report.
 - Continuing requirement to assess DLA Executive Agent responsibilities – assess methodology used for Bulk Petroleum EA and make recommendations for future such EA assessments.

RECOMMENDATION: None. For information only.
