

APPENDIX F-137A/B

WEAPON SYSTEM BACKORDER LISTING REPORT

1. PURPOSE

F-137A report provides a listing of backorder lines for the NSNs in the Weapon System Designator Codes (WSDs), appendix A-44, part 1 that were established during the current month from the Backorder File (BORF). The F-137A report provides information for the all of the military services as well as the National Weather Service (NWS), United States Coast Guard (USCG), and the Federal Aviation Administration (FAA). The F-137B report provides the identical information, except the report is specific for Foreign Military Sales (FMS). The data is derived at monthend from the appendix F-031, Items Placed On Backorder Listing. Line totals are the sum of lines placed on backorder having either Type of Backorder Code (TBC) 1 (items backordered from stock) or TBC 2 (items backordered for Direct Vendor Deliveries (DVDs)).

2. ORIGIN

Prepared during the Distribution Subsystem monthend updates and is specifically derived from the BORF and the appendix F-031, Items Placed On Backorder Listing Report IAW chapter 51, the Weapon System Support Program.

3. FREQUENCY

Prepared on a monthly basis at monthend in the backorder process by the Distribution Subsystem.
