

APPENDIX F-140A

WEAPON SYSTEM ANALYSIS REPORT

Part A

ALL WS1 SUBMISSIONS TO THE SYSTEM

1. PURPOSE

Provide a listing of all WS1 submission transactions for a 30-day (monthly) report period or for any specified number of days within the past 90 days (3 months). By varying dates, reports can be generated for one day, a week, etc. as required. However, the earliest transaction date that is available at any particular time is displayed on the request screen and the reporting time period days will be calculated from that date. The F-140A displays data for all the military services as well as the United States Coast Guard (USCG), the National Weather Service (NWS), and the Federal Aviation Administration (FAA).
