1. PURPOSE

This report provides a list of those NSNs which have a Key Code DX posted in the NIR with assets or Due-In still indicated and which now experiences a reinstatement action (Change Code NN/NG in appendix A-94).

2. ORIGIN

Prepared as a result of processing an internally generated DIC ZRY with Change Code NN/NG against an item currently recorded in the NIR under Key Code DX.

3. FREQUENCY

This report will be output on an AS REQUIRED basis, but will not exceed weekly generation.

4. FORMAT

a. Heading Line (Standard Identification).

b. Data Organization:

(1) Sequence - Major sequence is by NSN within ORC.

(2) Double-spaced.

(3) Page break by ORC.

(4) Required Totals - None.

c. Captions of Data Elements:

(1) NSN with Key Code DX (NSN logistically lost with NSN and possible UI change).

(2) NSN with Key Code DX (the replacing NSN).

(3) ASSETS - Entry indicates assets are currently recorded against the NSN which is being logistically transferred.

(4) DUE-IN - Entry indicates due-in are recorded against the NSN which is being logistically transferred.

5. DISTRIBUTION AND RETENTION

One copy to the indicated ORC.

6. PROCEDURES FOR REVIEW AND PROCESSING

Obtain copies of the NIR assets (appendix F-109) or Due-In (appendix F-184), as applicable, by preparation and input of DIC ZCQ or ZCJ respectively.

a. When on-hand assets are recorded, request the Inventory Accounting Branch to prepare a DIC D9K transaction to remove the assets from the DZ NSN and to prepare a DIC D8K transaction to record those assets under the reinstated NSN.

b. When Due-In (other than direct deliveries) are involved, follow the procedures of appendix E-506 P to amend Purchase Requests or awarded contracts. Normally, Amendment Codes D and E should apply to Purchase Request; H and J to Contract Line Item Number (CLIN).
