

APPENDIX B-120

PEACETIME REQUIREMENTS FORECAST INQUIRY BY SERVICE

1. This transaction is applicable to chapter 25 and provides interrogation capabilities, for DSCP-T only, of forecasted requirements by Service for a specific NSN within a Procurement Group Code (PGC), or for all NSNs in a specific PGC. Valid inquiries will produce appendix F-402, Peacetime Forecast Record (Detail and Summary). The detail section of appendix F-402 will be output for both type inquiries. A summary section will be output additionally with PGC inquiries and will total the forecasted requirements by Service for all the NSNs within that PGC.
