

APPENDIX E-281 P

DISASSEMBLY DUE-IN REVERSAL TRANSACTION

1. PURPOSE

This appendix is applicable to DLAM 4140.2, Volume I, Chapter 15 and describes the actions required to purge the Due-In File of dues-in from disassembly which will not be cleared by a Materiel Receipt Transaction.

2. APPENDIX USED IN THIS PROCESS

Appendix B-281.

3. RESPONSIBLE ORGANIZATIONAL ELEMENT

Inventory Management Division, Directorate of Supply Operations.

4. PROCEDURES/INSTRUCTIONS

A Disassembly Due-In Reversal Transaction (DIC ZMP) will be prepared in accordance with appendix B-281 to cancel all open dues-in against a specific Directive Number upon receipt of notice from the activity performing the disassembly action. This notice will advise the DSC that all component items have been shipped in accordance with disposition instructions and no further action will take place.

5. FLOWCHART

Flowchart not required.
