The Agency and the DLA Council are and shall be governed by all applicable laws of the United States, including those in effect on the effective date of this Master Agreement and those which are subsequently enacted. They also are and shall be governed by all applicable Government-wide regulations in effect at the time that this Agreement is executed. At the same time, the DLA recognizes the right of the DLA Council, in any given case, to allege that no compelling need exists for DLA to implement a specific DOD directive and to seek relief by exercising the privileges accorded to it by 5 U.S.C. § 7117. Where the DOD, or the Federal Relations Authority, determines that no compelling need for the directive exists, the matter may be negotiated at that time.

SECTION 3

Nothing in this Agreement does, or ever shall, impinge upon, negate, reduce or detract from the rights and privileges which are vested in the Agency by virtue of the provisions of 5 U.S.C. § 7106, "Management Rights." Pursuant to the exercise of these rights, it always has been and it shall for the duration of this Agreement, be the policy and the practice of the Director of the Agency to delegate to the Commanders of the Primary Field Activities, to the maximum feasible extent, the powers and authorities to formulate and to implement the policies, rules and regulations which affect their employees.

In the event any provision of this Supplement is hereafter found in conflict with Article 2, Section 1, of the Master Agreement, the party (Employer or Union) identifying the conflict shall promptly notify the other party in writing. Negotiations to resolve such conflicts will be held in accordance with Section 2, Article S-5, of this Supplement.

When such an examination is held, every reasonable effort will be made to schedule it at a time and PLPA site which is acceptable to all of the participants.

B. When an employee exercises his/her rights under This Section and when the DLA Council Local representative of the employee is not immediately available, the meeting will be deferred for a reasonable period of time to permit the presence of the Council representative if the Agency elects to hold the meeting.

Supervisors will grant reasonable requests for temporary absence for this purpose at such times and for such a period of time as the employee can be excused without unduly impeding the work of the Agency. If not immediately approved, the supervisor will inform the employee of the earliest time that the employee can leave.

ARTICLE 5

PROPOSALS FOR CHANGE DURING THE TERM OF THE AGREEMENT

SECTION 1 - MATTERS NOT INCLUDED IN THE AGREEMENT

A. The Headquarters DLA agrees to transmit to the President of the DLA Council, or his/her designated agent, notice of any change in any HQ DLA directive or policy issuance relating to personnel practices, or matters affecting conditions of employment of bargaining unit employees which impact on them, which it proposes to make during the term of this Agreement, on matters not specifically covered in this Agreement.

B. Upon receipt of such a proposed change, the President of the Council, or his/her designated agent, may, within 15 calendar days, request negotiations concerning the proposed changes.

C. If the DLA Council requests negotiations concerning the proposed change, it shall provide the Agency with its proposals within 45 additional days.

D. Within 60 days of receiving the Council's proposals, the Agency and the Council will confer, as necessary, to achieve an agreement. It is intended that this will be accomplished primarily through telephone and/or written communication when the Council representative is not located at Headquarters DLA, Cameron Station.

E. If at the end of 60 days any proposals remain unresolved, the parties will make an attempt at "face-to-face" negotiations. If after this there are issues still unresolved, the parties will jointly petition the Federal Service Impasses Panel to settle the issue under the final offer settlement procedures.

F. The Agency shall not supplement or enforce any change except for nondiscretionary changes prior to the completion of negotiations or, in the event of impasse, prior to a decision by the Federal Service Impasses Panel or other such appropriate authority as may be called upon to resolve the differences.

G. If a DOD regulation mandates any change in any matters affecting conditions of employment on issues not specifically covered by this Agreement, the procedures set forth in paragraph A through F and the understanding established in Article 2, Section 2 shall apply.

SECTION 2 - MATTERS INCLUDED IN THE AGREEMENT

A. If a future law mandates a change to this Agreement, the Agency will promptly notify the Council President or his/her designee in writing of the proposed specific change. The Council shall, if it desires to negotiate any negotiable aspect of the change, notify the Agency in writing within 15 calendar days of receipt of the notification from the Agency. Upon request from the President of the Council, the parties shall, within 30 calendar days, initiate "face-to-face" negotiations. The number of representatives participating in the negotiations shall be mutually agreed upon, but in no case shall exceed three per side. Neither the Agency nor the Council will be permitted to propose changes unrelated to the mandate of the law. However, for purposes of carrying out the intent of this Section, the Agency and the Council mutually recognize and agree that their respective proposals may be modified during the course of the negotiations to permit realistic good-faith bargaining of all aspects of the negotiable subject matter, including aspects not anticipated when the written proposals were exchanged.

B. The Agency shall not implement any discretionary negotiable aspect of the contractual change until the negotiation process is complete or in the event of impasse, prior to a decision by the Federal Service Impasses Panel or other such appropriate authority as may be called upon to resolve the differences.

SECTION 3

With regard to "face-to-face" negotiations under this Article, the Agency will pay travel and per them for DLA employee-DLA Council representatives.

SECTION 4

In order to expedite "mid-term" negotiations at the PLFA level, the parties shall develop similar procedures for negotiating contract changes which are directed toward resolving disputes concerning "mid-term" bargaining through communications prior to "face-to-face" negotiations.

(2) Section 2. Matters Included in the Agreement.

A. If a future law mandates a change to this Supplemental Agreement, the Employer will promptly notify the Union President or his/her designee, in writing, of the proposed specific change. The Union shall, if it desires to negotiate any negotiable aspect of the change, notify the Employer, in writing, within 20 calendar days of receipt of the notification from the Employer. USE OF OFFICIAL FACILITIES

SECTION 1

The DLA Council shall be provided private office space at the DLA Headquarters, access to AUTOVON, a lockable file cabinet, and other furniture as required. Other additional items may be provided by mutual agreement.

SECTION 2

It is understood that the AUTOVON phone system, or in the absence of AUTOVON, FTS, if available, is primarily to support military command and control requirements. Therefore, in keeping with the system's policies, use of AUTOVON/FTS by Council officials at the DLA Headquarters and PLFA level shall be discriminate and for legitimate labor-management purposes.

SECTION 3

Each DLA Council Local shall be provided office space, access to AUTOVON, or in the absence of AUTOVON, FTS, if available, a lockable file cabinet, and other furniture as required in accordance with arrangements to be agreed upon by the parties at the PLFA level.

SECTION 4

The DLA Council Local shall be granted access to all FPM, FLRA, OPM, MSPB, GAO and other public regulations and decisions as may be maintained by the PLFA. The Agency shall, upon request, provide relevant information relating to matters covered by this Agreement and shall make available specific citations or references to such other relevant documents as may be requested by the Council, provided the information is reasonably available and is not prohibited or excluded from disclosure by law.

ARTICLE S-6

USE OF OFFICIAL FACILITIES

- (1) Section 3. The Employer will provide office space to the Union. Such space will be sufficient to accommodate at least one desk, three file cabinets, one 34" X 60" table and five chairs. The Employer will furnish the above equipment and all utilities including a telephone. The space and equipment will be such as to maintain Union business and records in a confidential manner. Equipment and utilities will be provided without charge to the Union. The telephone will be provided free of charge except for commercial toll calls for which the Union will pay the rate charged by the telephone company.
- (2) Section 5. The Employer agrees to request four reserved parking spaces from the Post Commander, Cameron Station, to be assigned to the Union's elected officers. The Union will inform the Commander, DASC, in writing, as to the desired location of the spaces. If, at some future date, the administrative control of parking spaces reverts to the Employer, this Section will be subject to renegotiation.
- (3) Section 6. DASC will normally provide space for conferences, meetings, and other approved Union functions outside of regular working hours. Such requests will be submitted at least five working days in advance. The Union may also request space for meetings during working hours, however, provision of such space will be at the Employer's discretion and will be provided only when it is readily available and doesn't conflict with another management need.
- (4) Section 7. The Union will be permitted to utilize the Employer's Civilian Personnel Newsletter and the unofficial portion of the HQ DLA Bulletin to publish articles or other Union information. Similarly, the Employer will be permitted to utilize the Union's internal information newsletter. Each party, however, will retain full control over their respective media and retain the right to disapprove requests to publish the other's material. Any disapproval will be in writing and will include the reason(s) for the disapproval.
- (5) Section 8. The Employer will furnish space on all official bulletin boards in the area in which employees of the unit work. The space provided will be a minimum of 15" in width on the existing bulletin boards. However, the Employer reserves the right to review all material prior to posting by the Union. The Employer will review and return all material submitted within one workday. The Union will be responsible for posting and removing material and for maintaining their allotted portion of the bulletin boards in an orderly condition.
- (6) Section 9. The Employer will permit the Union to use the internal mail distribution facilities to transmit Union correspondence and the Union newsletter. The Union will transmit all correspondence in a sealed envelope with the first line addressed to a specific individual. The newsletter may be distributed through internal mass distribution procedures, however, the Employer reserves the right, after consultation with the Union, to withdraw any issues it finds objectionable and to discontinue this service at any time.

- (7) Section 10. The use of the Employer's official mail channels for personal mail is discouraged, and employees are expected to make other arrangements for receipt of such mail. The Employer, at the same time, agrees that an employee's privacy should be protected and recognizes that some official mail is of a private nature which should not be indiscriminately opened by others. Accordingly, as provided in DASC Regulation 5325.1, incoming mail which is "first line" addressed to an individual will not be opened by anyone but the addressee. If, however, the addressee is on leave or will be absent from the work site for more than two workdays and the envelope is not annotated that the contents are personal or private, such mail may be opened by the addressee's supervisor to determine if the contents require immediate action. If the envelope is annotated that the contents are personal or private, the mail will be retained, unopened, until the employee's return, unless the employee had left other instructions.
- (8) Section 11. DLA employees who are elected officials of DLA Council AFGE Local 2449 will be permitted, during their nonduty time, to use the agency's personal computers (PCs) located in their immediate work areas for the preparation of Union correspondence provided such use will not interfere with the accomplishment of the agency's mission. The Union will assure that their officials are sufficiently knowledgeable in the operation of a PC and the software being used so as to minimize the risk of accidental loss of data stored in the system due to operator error. It is also agreed that the Union will not access any non-Union data stored in the system nor attempt to gain access to any other system through the PC being used.

SECTION 2

In the event that the Agency is requested to participate in an OPM sponsored research or demonstration project under Chapter 47 of Title 5, United States Code, the Agency will:

A. Not approve any project involving bargaining unit employees if:

1. The project will violate this Agreement unless the DLA Council has agreed to permit its inclusion, pursuant to 5 U.S.C. § 4703(1) or

2. Until there has been consultation or negotiation, as appropriate, with the DLA Council if the project is not covered by this Agreement, pursuant 5 U.S.C. § 4703(2).

B. Abide by 5 U.S.C. § 4703(e) if the OPM or the Agency determines the project creates a substantial hardship on or is not in the best interest of the public, the Federal Government or employees

ARTICLE 8
EQUAL EMPLOYMENT OPPORTUNITY

SECTION 1

The Agency and the DLA Council acknowledge their mutual responsibility assuring that no one who has authority to take, direct, recommend, or approve any personnel action, or to influence, directly or indirectly anyone in the taking, directing, recommending or approving of any personnel action, shall discriminate for or against any employee on the basis of race, color, religion, sex, or national origin, as prohibited under the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972; on the basis of age, as prohibited under the Age Discrimination in Employment Act of 1967, as amended by the Fair Labor Standards Amendments of 1974; on the basis of sex as prohibited under the Fair Labor Standards Act of 1938; on the basis of a mental or physical handicapping condition under the Rehabilitative Act of 1973; or on the basis of marital status or political affiliation as prohibited under any law, rule, or regulation.

SECTION 2

The parties pledge to do everything, jointly and severally, which can lawfully be done to achieve, at the earliest practicable date, a DLA workforce which is fully reflective of the Nation's diversity. To that end, they agree that the DLA shall have an Agency-wide Affirmative Action Program Plan (AAPP) (which includes a Federal Equal Opportunity Recruitment Program) and that every PLFA shall have a PLFA-wide AAPP whose explicitly stated principal objective is, and shall continue to be, a workforce which is fully integrated with respect to both minorities and women in all organizational elements, in all occupational categories, and at all grade levels.

SECTION 3

In pursuit of this principal and ultimate EEO objective, it is agreed that, when filling positions in which minorities or women are presently underrepresented, every reasonable and lawful action will be taken to remedy this situation by affirmatively considering minority and female candidates.

SECTION 4

Complaints of discrimination based upon alleged violation of any of the laws or directives listed in Section 1 above will be given prompt and fair consideration and every effort will be made to provide a just and expeditious resolution of each such complaint. Persons who make such complaints of alleged discrimination or who participate in the presentation of such complaints shall be unimpeded and free from restraint, interference, coercion, discrimination or reprisal.

SECTION 5 The Agency has the duty and the responsibility to provide competent EEO Counselors who shall be available to give prompt attention to all EEO complaints. Collective bargaining agreements negotiated at the PLFA level may, at the discretion of the parties to such agreements, provide for the nomination by the DLA Council Local of candidates to be considered by the PLFA to be selected and trained to serve as EEO Counselors. The names and telephone numbers of all EEO Counselors at each PLFA will be posted on official bulletin boards within that PLFA.

SECTION 6

A person who files an EEO complaint has the right to be represented by any representative of his/her choosing during any stage of the complaint procedure. When a complainant elects to exercise that right, he/she must advise the Agency in writing of the name of his/her chosen representative. The complainant may also terminate or replace his/her representative, in which case he/she must also advise the Agency in writing. Nothing in this Section imposes any obligation upon the Agency to provide EEO complainants with attorneys.

SECTION 7

The Agency agrees to provide a copy of the applicable EEO Action Plan, EEO regulation or directive governing the EEO Complaints procedure to any employee who requests such documents.

SECTION 8

The Agency will continue its efforts to identify and remove barriers to the employability or to the on-the-job performance of handicapped persons.

SECTION 9

The Agency will revise and replace its present Agency wide AAPP (and FEORP) when it is instructed to do so by the Equal Employment Opportunity Commission (EEOC). In drafting subsequent Plans, the Agency will make every effort to make every change which can be made to facilitate the accomplishment of its basic objective of a fully integrated workforce as set forth in Section 2 above, and to avoid making any change which will inhibit or delay the accomplishment of that principal objective. The Agency will incorporate into the revised Agency Plan any proposed changes which will expedite the achievement of that result. The DLA Council agrees to contribute to that process. In pursuit of that end the following procedures will be implemented:

A. The Agency will provide the President of the DLA Council with 25 copies of the current Agency-wide AAPP and/or revisions, as required.

B. Within 60 days of receiving the aforesaid Agency-wide AAPP and/or revisions, the President of the DLA Council will provide the Agency with any proposals which the DLA Council wishes to make with respect to changes which it believes will aid materially in achieving a fully integrated workforce.

C. Within 60 days of receiving the DLA Council's proposals, the Agency will adopt those proposals which it agrees will contribute materially to the Agency's principal EEO objective or to any of its supplemental objectives. It will reject all proposals which will inhibit or delay the full integration of the workforce. In either case it will advise the Council President of the Agency response to each proposal within the 60-day time period.

D. In the event that the Agency rejects a Council proposal and the parties are unable, after negotiating the disputed proposals on the subject, to achieve a meeting of the minds on whether a given Council proposal does or does not inhibit or delay the achievement of the Agency's basic EEO objective, the parties will jointly petition the Federal Service Impasses Panel for assistance in resolution of the question: "Will adoption of the proposal contribute materially to the integration of the Agency's workforce; or will it contribute to one of the Agency's supplemental EEO objectives without inhibiting or delaying the accomplishment of the basic objective of a "fully integrated workforce?"

E. Nothing in this Article will constitute valid grounds for the Agency's failure to comply, in a timely manner, with nondiscretionary directives issued by the EEOC.

ARTICLE S-8

EQUAL EMPLOYMENT OPPORTUNITY

The Agency will periodically examine training accomplished to ascertain that such courses are also available to other employees who need them and who have been in the same career field for a longer period of time. POSITION CLASSIFICATION

SECTION 1 - BASIC POLICY

The Agency and the DLA Council endorse the principle of equal pay for substantially equal work.

SECTION 2 - POSITION DESCRIPTIONS

The Agency will maintain an accurate position description for each position which will reflect the significant duties to be performed. Position descriptions containing "and other duties as assigned" or similar phrases will not be used as a basis for assigning duties to an employee on a recurring basis which are unrelated to his/her principal duties.

SECTION 3 - COMPLAINTS OVER POSITION DESCRIPTIONS

When differences concerning the accuracy of the contents of a position description cannot be resolved between the supervisor and the employee, the employee/DLA Council Local representative may file a grievance under the negotiated grievance procedure. Such grievances will not include issue(s) concerning the appropriate classification of the title, grade and/or series of the position. The matter concerning content accuracy must be resolved before an employee may file a position classification appeal.

SECTION 4 - CLASSIFICATION COMPLAINTS

A. An employee who feels his/her position description is improperly classified will meet and discuss this matter with his/her supervisor for clarification. Should the supervisor be unable to answer the employee's questions, the supervisor will arrange for a meeting with the appropriate position classifier, the supervisor, and the employee. The DLA Council Local representative shall be afforded an opportunity to attend such meetings, if requested by the employee. Should this meeting fail to answer the employee's questions, the employee may file a position classification appeal. Upon written request by the employee in connection with the appeal, the Agency will provide the employee and the employee's designated representative with an analysis which shall cite the standards used to classify the position being appealed.

B. If the position in question is identical to other occupied positions in the PLFA which may be impacted, the DLA Council Local representative onsite will be afforded an opportunity to attend such a meeting and/or audits in connection with the appeal, whether or not requested by the employee.

ARTICLE 13

MERIT PROMOTION

SECTION 1 - PURPOSE AND SCOPE

This Article is applicable to all promotions to Agency positions within the bargaining units represented by the DLA Council.

SECTION 2 - POLICY

A. The Agency and the DLA Council recognize their joint responsibility to actively promote the achievement of a highly competent, fully integrated workforce. Toward this end, and in order to meet the total objectives of the organization, the Agency has the right in filling positions to use means other than the competitive promotion process and to select from appropriate sources such as eligibles for reinstatement, transfer, reassignment, excepted appointment, or those within reach on an appropriate certificate of appointment eligibles.

B. A principal goal of the Agency is to provide every employee with the opportunity to realize a satisfying, rewarding, and productive career. Essential to this is a merit promotion program which functions in full support of management's need for a competent effective workforce and provides the impartial mechanism to enable employees to advance as high as their abilities and initiative can take them within available opportunities.

C. Merit promotion procedures will apply to actions effecting the competitive placement (for over 120 days) of employees (including reinstatement and transfer eligibles) to positions at grade levels higher than those of their previous positions. They also apply to placement of employees which will later allow them to be noncompetitively promoted to higher levels than their previous positions.

D. The Agency has the right to select or not to select from among a group of highly qualified promotion candidates, including the right to non-select all candidates.

E. Higher level duties and responsibilities will not be assigned employees on a continuing basis when such assignment is not in accordance with the provisions and intent of this Article since such assignments create the impression of favoritism and preselection and impair employee confidence in the integrity of the promotion program.

F. Violations of the promotion program can have serious impact on personnel management that goes beyond the particular cases involved. Proper promotion actions are essential to assure that the Agency is being staffed by the best persons available and employees are receiving fair consideration. Thus, the Agency agrees to take appropriate and timely measures to correct deficiencies discovered.

SECTION 3 - DEFINITIONS

A. Area of consideration - The organizational and/or geographical area within which qualified candidates will be eligible for consideration for competitive promotion or position change.

B. Cut-Off Score - A score combining all the measuring instruments being used in a rating plan to identify highly qualified candidates. Candidates whose scores are below the cut-off score will not be referred for consideration.

C. Highly Qualified Candidates - Candidates who, in addition to meeting the basic qualifications for a position, have additional specialized knowledge, skill, and abilities (KSAs) necessary for success in the position to be filled. Their total score is at or above the cut-off score and their performance of record is at or above fully successful.

D. Concurrent Consideration - The simultaneous consideration of Agency and non-Agency candidates for competitive promotion.

E. Minimum Area of Consideration - The narrowest area of consideration from which the search for qualified candidates may be made.

F. Promotion Certificate - The certificate containing the names of the top ranked candidates eligible to be considered by the selecting official for competitive promotion.

G. Selecting Official - The individual delegated authority by the Agency to make the decision regarding the selection for placement into a position.

H. Subject Matter Expert (SME) - A person who has knowledge and experience which has provided a familiarity with the duties, qualifications requirements, and responsibilities of the position.

I. Underrepresented Position - A position in any occupation or grade level in which the organization under the supervision of the selecting official has not reached the applicable established DLA EEO and/or Affirmative Employment Program goal(s).

SECTION 4 - PROMOTIONS EXCEPTED FROM COMPETITION

The following types of actions may be taken without regard to the competitive procedures established by this Article:

- A. A promotion resulting from the upgrading of an employee's position due to the unplanned accretion of additional duties and responsibilities or due to the issuance of a new classification standard or the correction of an initial classification error.
- B. A position change resulting from the application of reduction-in-force procedures when the action is technically termed a promotion because pay fixing policy requires the employee to receive a higher rate of pay than the employee received in the old job.
- C. Career promotion of an employee without current competition when at an earlier stage the employee was selected from a civil service certificate or under competitive promotion procedures for an assignment intended to prepare the employee for the position being filled.
- D. Promotion to the highest grade level within a PLFA (or collocated organization) which contains at least 25 percent of the nonsupervisory positions in the series. Selecting officials may not use this provision to select candidates from outside their own organizational units. The specific grade levels to which these promotions can be made above the full performance level are subject to negotiations at the local level. (PROVISION NO LONGER PERMITTED PER OPM LETTER OF DEC 23, 1992.)
- E. A career ladder promotion following noncompetitive conversion of a cooperative education student.
- F. A position change from a position having known potential to a position having no higher potential.
- G. A temporary promotion of 120 days or less.
- H. Conversion from temporary to permanent promotion provided the temporary promotion was effected under competitive procedures and the fact that it might lead to permanent promotion was made known to all potential candidates.
- I. Repromotion to a grade which is no higher than the highest grade previously held on a permanent basis or to a position which offers a non-competitive promotion to a position that is no higher than the specific full performance level of any position previously held on a permanent basis. This provision will not apply to an employee previously demoted for cause.
- J. Promotion after failure to receive proper consideration in a competitive promotion action.
- K. Promotion directed by the PLFA Head or higher authority to effect the corrective action on an equal employment opportunity complaint, appeal, or grievance decision or to correct a violation of regulation or law.

L. A promotion when the employee's position is reconstituted because of either a management action or an accretion of additional duties and responsibilities, provided:

1. The employee will continue to perform the new duties as well as those of the current position.

2. The addition of new duties and responsibilities does not impact on the grade of any other encumbered position.

3. The employee meets all requirements for promotion to the position.

SECTION 5 - RESPONSIBILITIES

A. PLFAs will:

1. Administer the Merit Promotion Program and assure adequate advice and assistance is provided to supervisors and employees to enable them to discharge their responsibilities in connection with the program.

2. Appraise candidates for competitive promotion opportunities as objectively as possible and consistent with the facts as evidenced in actual performance.

3. Attendant to the circumstances of the individual case, make selections within a reasonable time, normally within 10 workdays after receipt of a promotion certificate by a selecting official.

4. Notify each employee on a promotion certificate of his/her selection or nonselection.

5. Document reasons for nonselection of employees eligible for repromotion consideration who have been certified on a promotion certificate.

6. Provide for the publicizing of job opportunity announcements within the announced area of consideration.

7. Attendant to the circumstances of the individual case, release employees selected under this program normally not later than the beginning of the second pay period following final selection.

8. Provide advice, upon request, to employees with respect to the filing of applications and the regulatory aspects of the promotion program.

B. The DLA Council Local will bring matters of concern regarding the promotion program to the attention of the PLFA as early as possible in an effort to reach informal resolutions.

C. Employees are expected to:

1. Apply only for those positions for which they consider themselves qualified and in which there is a genuine interest and willingness to accept, if selected.

2. Assure the applications filed for consideration are completed legibly, accurately and in the detail required to permit a valid evaluation of their qualifications.

3. Cooperate in the resolution of questions concerning their qualifications and eligibility for a specific job vacancy or job category by providing pertinent information as may be requested or required.

4. Advise supervisors or co-workers of the job opportunities in which they are interested and arrange to be notified if such opportunities are advertised while they are absent on leave, detail, TDY, or at a training course.

5. Familiarize themselves with this program and seek desired clarification from supervisors and/or their servicing Civilian Personnel Office.

6. Respond to the requirements of JOAS, including KSAs.

SECTION 6 - AREA OF CONSIDERATION

A. The area of consideration for positions to be filled through competitive promotion procedures must be broad enough to obtain a sufficient number of highly qualified candidates from which to select and to provide adequate promotion opportunities for employees.

1. For permanent promotion opportunities, the minimum area of consideration will be as follows:

GS-15: DOD-wide

GS-14: DLA-wide

GS-7-13 and Wage Grade Equivalents: PLFA-wide

GS-6 and Below and Wage Grade Equivalents: PLFA units within the commuting area.

2. For permanent promotion opportunities to grades and/or occupations where minorities and women are underrepresented, the minimum area of consideration must be broader than above. In these cases, the parties at the local level will expand the area of consideration through mutual agreement or through local negotiations, if necessary.

B. When there are, or it is anticipated that there will be, fewer than three highly qualified candidates, the minimum area of consideration will normally be expanded at least as follows, unless the

selecting official indicates that a selection can be made from the few candidates certified:

GS-15: DOD-wide and, as appropriate, other Federal activities in the area where the vacancy exists.

GS-14: DOD-wide and, as appropriate, other Federal activities in the area where the vacancy exists.

GS-13 and Wage Grade Equivalents: DLA-wide and, as appropriate, other Federal activities in the area where the vacancy exists.

GS-12 and Below and Wage Grade Equivalents: PLFA-wide and, as appropriate, other Federal activities in the area where the vacancy exists.

SECTION 7 - CONCURRENT AND PRIORITY CONSIDERATIONS

A. When concurrent promotion consideration is to be given to non-DLA candidates for positions to be filled in accordance with this Article, the job opportunity announcement will state the fact and such candidates will be rated by the same means and using the same criteria as to be used for rating DLA candidates, except as provided in Section 7B.

B. Priority consideration will be given to those qualified candidates who have entitlement to consideration under other regulatory requirements. These include employees affected by reduction-in-force or transfer of function in accordance with their eligibility and/or rights under the DOD Priority Placement Program, registrants in the OPM Displaced Employee Program, employees transferred or detailed to international organizations, individuals in the military service who have reemployment rights, DOD overseas returnees, recovered disability annuitants and injury compensationers, and candidates referred through mandatory referral procedures under DOD Career Programs.

SECTION 8 - JOB OPPORTUNITY ANNOUNCEMENTS

A. Positions to be filled through the competitive promotion process will be publicized by means of a job opportunity announcement (JOA).

B. As a minimum, JOAs shall include the following information:

1. The JOA number.
2. The position title(s), occupational series, and grades(s).
3. Opening and closing dates.
4. A brief summary of the representative duties of the position(s).
5. Area(s) of consideration.

6. Qualification requirements, including a description of any modification of established qualification requirements.

7. Selective placement factors, if any.

8. KSAS, evaluation factors and the due consideration of weights they will receive in arriving at composite or total scores for ranking purposes.

9. A statement that the position(s) covered has (have) known promotion potential which can result in subsequent career promotion(s), if applicable.

10. Any test(s) required.

11. Any unusual conditions of employment which it might be advisable to publicize, such as tour of duty, temporary duty (TDY) travel, driver's license, financial statement filing requirement, security requirements, etc.

12. A statement that applications will be accepted from VRA eligibles and 30 percent or more disabled veterans.

13. The statement: "The Defense Logistics Agency is an equal opportunity employer."

14. Statement that basic eligibility requirements such as time in grade, minimum qualifications, and other regulatory requirements must be met by the closing date (or the closing/cut-off date of the register, if one is used).

15. Length of temporary promotion or detail (if appropriate).

16. How and where to apply, including any special forms required.

17. Statement concerning PCS nonpayment where PCS will not be paid.

18. Statement as to whether the position is a drug testing designated position.

19. Statement as to whether the position is subject to mobility or rotation.

C. JOAs will be posted in appropriate places, such as electronic bulletin boards, electronic mail systems, or official bulletin boards developed for that purpose during the time limits within which applications will be accepted. Announcements issued for specific vacancies will remain open for periods of time dictated by local agreement.

D. An announcement issued for a specific vacancy or vacancies may also be used to fill any number of additional vacancies within 6 months after the closing date of the announcement which arise in the PLFA attendant to the particular circumstances at the PLFA.

E. JOAs for positions for which there is an anticipated frequent, repetitive or continuous need may either be announced on an open continuous basis, or may be announced for a limited period and used to establish a register of top ranked candidates to be referred as appropriate vacancies arise.

1. For JOAs announced on an open continuous basis, interested applicants within the area of consideration may apply at any time prior to cancellation of the JOA. Each time a vacancy occurs which will be filled from the JOA, all eligible candidates who have applied up to the date that the request to fill the vacancy is received for recruitment will be considered.

2. For JOAs which will be open for a limited period and used to establish continuing promotion registers, applicants may apply only during the limited period indicated. Eligible candidates will be placed in rank order on a register which will be used to fill similar vacancies as they occur for a specified period of time after the closing date of the JOA. Generally, a promotion register may be used for a period of up to 2 years provided the JOA is reopened at least every 6 months to allow for the submission of applications from other interested employees and the updating of applications by employees who have previously filed unless different reopening periods are negotiated locally.

F. To be accepted, applications must be received or postmarked by the dates specified locally. Applications determined to be late will only be accepted when extenuating circumstances prevented the applicant's timely filing.

G. Amendments, cancellations, extensions or other changes to JOAs will be publicized by issuance of an amended JOA or through other methods locally negotiated.

H. JOAs may be reviewed and initialed within a reasonable period of time by the DLA Council Local President, or designee, in accordance with arrangements agreed to at the PLFA level.

SECTION 9 - EVALUATION OF CANDIDATES FOR COMPETITIVE PROMOTIONS

A. PLFAs may use any of the alternative rating methods found in DLAR 1404.4 to evaluate merit promotion candidates in accordance with arrangements agreed to locally.

B. Candidates must be evaluated on the basis of their knowledge, skills, and abilities (KSA) relevant to the position being filled. For each position (or group of positions) which will be filled through

competitive promotion procedures, a written rating plan must be developed. This plan will describe:

1. The knowledge, skills, and abilities identified through job analysis as necessary for successful job performance and the degree to which each is needed.

2. The measurement methods to be used.

3. How the highly qualified group will be determined.

C. Development of KSAs will include:

1. Performing a job/task analysis to identify major job functions associated with the position(s) to be filled.

2. Identifying the KSAs necessary to perform the major job functions.

3. Determining those KSAs which are essential, which are ratable from a written record, and which differentiate barely acceptable from superior candidates.

D. Development of crediting plans will include:

1. Developing appropriate measures for the KSAs, normally 2 to 4 levels of possession of the KSA.

2. Weighting KSAs in terms of its relative importance to the vacant position.

E. All rating plans must evaluate promotion candidates on the basis of experience, education, training and self-development, awards and performance ratings.

F. Evaluation procedures to be followed and measuring information to be used will be based solely on job related criteria. Unless otherwise negotiated locally, all ranking plans will use a maximum point score of 100. As a minimum, the factors which must be considered in the development of ranking plans are: (a) Quality of Experience, (b) Performance Rating, (c) Education, Training, and Self-Development, and (d) Awards. Additional factors considered relevant and essential to the ranking process such as required test or group interviews, etc., may be used. Promotion candidates with no performance rating, no relevant critical elements, or whose rating does not match the DLA scoring process, will be given a score equal to "Fully Acceptable."

G. Experience must be evaluated to ascertain the qualitative value of an applicant's knowledge, skills and abilities that are directly related to the duties and responsibilities of the vacancy.

H. Only education, training, and self-development completed by the closing date of the JOA may be credited if it is indicative of likely possession of one or more of the knowledge, skills, or abilities of the vacancy.

I. Each candidate's score for the rating elements will be determined by a review of the Supplemental Qualifications Statement (SQS) and/or the SF-171 or locally developed substitute form submitted. OPFs will be used only to corroborate information provided by the candidate.

J. If 10 or fewer candidates qualify for a vacancy, or qualify at a given grade level if the position was advertised at more than one grade level, an abbreviated procedure for determining the highly qualified may be used. Under this procedure, PLFAs may use whatever job related criteria they consider appropriate to distinguish highly qualified candidates from those who meet only minimum qualification requirements. Only those candidate determined to be highly qualified may be referred for consideration. Ratings do not have to be assigned, and an elaborate or structured evaluation process is not required. Such factors as length of experience may not be used to distinguish highly qualified candidates from those who are minimally qualified.

K. Candidates who have a current annual performance rating of Minimally Acceptable or Unacceptable will not be certified for promotion consideration. They will be notified that they are ineligible for further consideration.

SECTION 10 - USE OF PANELS IN THE PROMOTION PROCESS

A. Rating and ranking panels may be used to evaluate and rank candidates for promotion consideration. If management elects to convene a rating and ranking panel, it will notify the Union and will ensure that Union nominees are fully considered in its selection of panel members.

B. Panels used to rank candidates for positions at GS-12 and above must include a subject matter expert.

C. Panel members will be provided sufficient guidance concerning the methods and procedures for evaluation and ranking candidates so as to enable them to thoroughly understand and uniformly apply the evaluation process.

D. Panels will not function in any way which preempts the selecting official's authority.

SECTION 11 - REFERRAL OF CANDIDATES FOR SELECTION

A. A list of the highly qualified candidates, as determined by the Civilian Personnel Office or a rating panel, as applicable, will be referred to the selecting official for consideration. The number to be referred will be determined locally.

B. In cases where the position was announced at more than one grade level, the selecting official may be provided a list for each grade level advertised.

C. When a promotion certificate contains at least three (3) highly qualified candidates, the selecting supervisor may not reject the certificate as inadequate solely on the basis that it contains an insufficient number of eligibles.

D. If the promotion certificate contains fewer than three (3) highly qualified candidates, or if declinations reduce the number to fewer than three, the selecting official may request that recruitment efforts be renewed or he/she may proceed with the selection process. If recruitment is renewed, previous applicants need not reapply to receive consideration. The highly qualified group will be determined based on the rating and ranking of all candidates for the position.

SECTION 12 - CANDIDATE INTERVIEWS

A. Generally, all candidates will be interviewed. Candidates who are not readily available need not be interviewed or may be interviewed by phone. To expedite staffing, additional candidates who need not be interviewed may be determined locally based on whether the position(s), interviewer(s), and the organization(s) are similar and how much time has elapsed since the last interview.

B. Interviews will be conducted in essentially the same manner in regard to questions asked and the information being sought so that all candidates are given an equitable opportunity to present themselves and their qualifications.

C. Employees will be released, after making appropriate arrangements with their supervisor, for the time necessary for the interview to be conducted.

SECTION 13 - SELECTION

Selecting officials may select any of the candidates referred on the promotion certificates, or any candidate eligible for noncompetitive consideration.

SECTION 14 - RECORDS

Promotion actions will be documented and records maintained in accordance with requirements established by the OPM. The DLA Council Local representative shall have the right to review pertinent promotion records, upon request, subject to the limitations of the Privacy Act.

ARTICLE S-13

MERIT PROMOTION

- (1) Section 6A. The initial area of consideration for permanent promotion opportunities announced under the competitive promotion procedures is the first source from which candidates will be sought. This initial area will not be smaller than the minimum area specified by Article 13, Section 6A, of the Master Agreement, except as follows: Opportunities announced under the Upward Mobility Program may be limited to the major activity in which the vacancy is located (i.e., HQ DLA, DASC, DFSC or DTIC). Other exceptions to permit a narrower minimum area of consideration may be made on a case-by-case basis, dependent upon the circumstances, by mutual agreement of the Union and the DASC Civilian Personnel Officer.
- (2) Section 8B. Selective placement factors will be used only when such factors are essential to successful job performance.
- (3) Section 8C(1). A listing of current JOAs, except those open on a continuing basis, will be published in the HQ DLA Bulletin weekly. This listing will be published as a matter of employee convenience only. The listing is not intended to relieve the Employer of the responsibility for posting JOAs on designated official bulletin boards. Similarly, any inadvertent omissions from the listing will not serve to support employee's claims that they were unaware of the JOA or as a basis to permit them to file applications after the closing date of the announcement.
- (4) Section 8C(2). A copy of each JOA will be furnished to the Union at the time it is posted. When a JOA is to be opened for less than seven (7) days, the Union will be notified in writing, prior to the opening date, except for situations when a JOA is issued primarily for the purpose of seeking candidates from outside the present work force.
- (5) Section 10A(1). The Union will advise the Civilian Personnel Office, in writing, no later than the closing date of the JOA of any bargaining unit position, as to whether a Union representative will be nominated to serve on the rating and ranking panel, if one is to be used. Such notice will provide the nominee's name, telephone number, and employing organization. The Union's nominee, if any, must meet the same requirements as established for the Employer's designees and will be fully considered by management in its selection of panel members.
- (6) Section 11A. Based upon the results of the rating panel or designated rater(s), the Civilian Personnel Office will prepare a promotion certificate reflecting the names of the top ranked candidates, normally not to exceed ten plus ties, and forward it to the selecting official. In unusual cases where the Civilian Personnel Officer believes that more than ten candidates should be referred, representatives of the Civilian Personnel Office and the Union will discuss the matter. If the reasons are acceptable to the Union, the number referred may be increased to a mutually agreeable number.

- (7) Section 12C. Employees will be allowed a reasonable period of excused absence for the purpose of interviews being conducted for positions announced under the DASC merit promotion procedures. Employees will request approval for the absence promptly upon learning of the scheduled time for the interview to permit the supervisor to make necessary workload adjustments. If the employee cannot be released at the time requested, the supervisor will explain the reasons for the denial and request that the employee schedule an alternate time satisfactory to the interviewing official and the employee's supervisor.
- (8) Section 13. If a selection is made from a promotion certificate, full consideration will be given to all unit employees referred for promotion consideration on that certificate. The selecting official, upon request, will explain the reason(s) for the selection to a non-selected DLA candidate who was referred on the certificate. If the non-selected candidate is not satisfied with the explanation, he/she may submit a request, in writing, for the reason(s) for selection. He/she will receive a written response.

B. Appropriate abatement procedures in accordance with DLAM 6055.1, E.O. 12196, and 29 C.F.R. § 1960 in effect at the time will be followed to a work area which has been determined by a competent authority to be unsafe or unhealthy.

ARTICLE S-17

MEMBERSHIP AND PARTICIPATION IN PROFESSIONAL ASSOCIATIONS

ARTICLE 18

PERFORMANCE EVALUATION

SECTION 1

A. Periodic observation and evaluation of performance, accompanied by discussions, should serve to increase understanding between supervisors and subordinate employees regarding performance.

B. Management will prepare and use written performance plans to evaluate the work of subordinates.

C. Performance plans must be current and derived from the duties and responsibilities of the position, and be reasonably attainable.

D. Employees will be given the opportunity to participate in the initial development and substantial revision of performance plans for their positions.

E. Management will keep employees informed periodically of their performance, and must provide them with counseling and training necessary to be fully productive.

F. Performance ratings will be one of the bases for decisions regarding employee training, awards, reassignments, promotions, within grade increases and quality increases, retention, reductions in grade, and removals from the Federal Service. Those employees whose performance falls below the Fully Successful level will be given the opportunity to improve.

G. Employees who serve as representatives or officials of labor organizations will be rated solely on the basis of how well they perform the duties and responsibilities of their officially assigned positions.

SECTION 2 - DEFINITIONS

A. Appraising Supervisor. The individual who is authorized to assign and review work, and is responsible to oversee performance of the employee being evaluated. This individual is normally the immediate supervisor who exercises full range personnel management responsibility.

B. Approving Official. The individual(s) responsible for approving ratings submitted by the appraising supervisor for those ratings which fall below Fully Successful. This is normally the next higher level supervisor above the appraising supervisor.

C. Critical Element. A component of a position consisting of one or more duties and responsibilities which contribute toward accomplishing organizational goals and objectives, and which is of such importance that unacceptable performance on the element would result in unacceptable performance in the position.

D. Fully Successful. The performance level necessary for the employee to function adequately, fulfill the duties and responsibilities of the position, and properly contribute to meeting organizational performance goals.

E. Minimally Acceptable. Performance in which important aspects of work are deficient and improvement is necessary for the employee to properly contribute to achieving organizational goals. If the employee is rated at this level in one or more critical elements, a summary rating of Minimally Acceptable must be given.

F. Performance Appraisal. The process of reviewing and evaluating the performance of an employee against the written performance plan.

G. Performance Plan. The written combination of critical elements and standards of performance for them.

H. Performance Standard. The results-oriented statement that describes the level of performance established for a critical element in such dimensions as quality, quantity, timeliness, and manner of performance.

I. Rating of Record. The summary rating under 5 U.S.C. 4302 ordinarily required at the end of the appraisal period (December 31).

J. Summary Rating. The written record of the appraisal of each critical element and the assignment of the summary adjective rating.

K. Unacceptable. Performance which substantially and consistently fails to meet the Fully Successful level for a critical element. If an employee is rated Unacceptable in one or more critical elements, a summary rating of Unacceptable must be given and the employee reassigned, demoted, or removed from the Federal service.

SECTION 3 - PROCEDURES

A. Establishing Written Performance Plans

1. Written performance plans related to the duties and responsibilities of each position will be prepared, revised as necessary, and kept current. Performance plans will set forth the criteria by which work will be measured for each critical element. Employees will be encouraged to participate in the initial development of performance plans for their positions. Any change to or revision of performance plans will be discussed with the concerned employees and their comments considered prior to the plan becoming official.

2. An employee will be provided a copy of the performance plan for his/her position at the beginning of each appraisal period, upon initial entry into the position, and when a new or revised performance plan is established.

3. Guidance on the development of written performance plans is contained in DLAH 1434.1, Supervisor's Guide to Written Performance Standards. The DLA Council Local will be provided copies of the Guide as negotiated locally.

B. Discussing Performance with Employees

1. Performance appraisal is a continuous process involving periodic discussions between the supervisor and employee (at least twice

per year, one mid-period discussion and a summary discussion at the end of the appraisal period or when performance is rated). Every effort should be made to assure that employees understand the performance plan for their positions, as well as the extent to which their performance meets standards. Employees may request clarification of any aspect of their plan which is not clear.

2. Each employee's performance should be discussed at the time a rating is given. If an employee is temporarily unavailable for this discussion, the supervisor should delay forwarding the completed rating to the servicing Office of Civilian Personnel (OCP) until the employee is available unless the absence is expected to last for more than 30 days.

C. Rating Performance

1. The fixed performance appraisal period for employees covered by this Article begins on January 1 and ends on December 31 each year. No requests for waivers to or variations from this rating period will be entertained. Ratings will normally be prepared and and/or approved by February 15 of each year. Ratings will be based on at least 90 calendar days working under a performance plan for an appraising supervisor. When an employee changes from one position to another, but has served 90 calendar days in the former assignment for the losing supervisor, an appraisal will be prepared and forwarded to the gaining supervisor. To the extent that it is applicable, that appraisal will be considered when the employee's performance is rated at the end of the appraisal period. When a position change occurs during the last 90 days of the appraisal period and the employee is otherwise eligible for a rating, a rating of performance will be prepared. Ratings thus prepared will become the rating of record for the appraisal period.

2. An employee who has been on long-term training or other lengthy absence from duty, or for other reasons has not completed the minimum 90 days of work necessary for a rating at the end of the appraisal period, will have his/her appraisal period extended for a period of time necessary to provide the minimum 90 days working under a performance plan for an appraising supervisor that is required for a rating. A rating will be rendered at the end of the extended period. The former rating of record will continue in effect until the new rating is prepared, reviewed, and approved.

3. When either a temporary promotion or a reassignment NTE (uate) is processed and the assignment lasts more than 9 months, the gaining supervisor will provide the employee's annual official performance rating. In addition, the gaining supervisor must also ensure that an appropriate performance plan exists for the position. If one is not available, he or she must follow the procedures outlined in section 3.A. above.

4. When a performance rating is prepared, each critical element will be rated as either Fully Successful, Minimally Acceptable, or Unacceptable unless the employee has had insufficient opportunity to demonstrate performance on an element(s). In this event, the critical element should be annotated as unratable and should not be considered in determining the summary adjective rating. If an employee's performance fails to completely meet the Minimally Acceptable level, performance for

that element should be rated Unacceptable. The summary adjective rating will be determined as provided on DLA Form 46, Performance Rating.

5. Employees who serve as representatives or officials of DLA Council Locals will be rated solely on the basis of how well they perform the duties and responsibilities of their officially assigned positions, and as provided in subparagraph C4 above.

6. Except when necessary to extend the performance appraisal period, performance ratings will be prepared by February 15 of each year.

7. The appraising supervisor will provide a copy of the completed performance rating to the employee, discuss its contents and the employee's performance, and obtain the employee's signature. The employee's signature does not imply agreement; it merely verifies that the rating has been received and discussed. A space is available for the employee to also comment on the form.

8. When an employee has been informed that his/her performance is below the Fully Successful level, the Employer will promptly initiate efforts to help the employee overcome the deficiencies. Section 4 provides further guidance to be followed when performance is considered to be at the Unacceptable level.

D. Rerating Performance During the Appraisal Period

1. It is expected that employees will usually receive only one performance rating per year and that will occur by February 15 of each year. However, performance may be rerated when an employee's performance in one or more critical elements has become Unacceptable. Performance must be rerated when the rating of record does not agree with the decision to grant or withhold a within grade increase.

2. A rerating may not take place until the employee has completed a minimum of 90 calendar days in the job working for an appraising supervisor, and at least 90 calendar days have elapsed since the previous rating. A rerating may not take place during the final 90 days of the fixed appraisal period. It is not necessary to rerate an employee at the end of a warning period(see Section 4 below) in order to take an appropriate performance-based personnel action.

E. Appraising Performance on a Detail, Temporary Promotion, or Reassignment NTE (date)

1. When a detail, temporary promotion, or reassignment NTE (date) within DLA is expected to last 120 days or more, the employee will be furnished with a copy of the performance plan for the position.

2. Upon completion of a detail, temporary promotion, or reassignment NTE (date) lasting 120 days or more, the employee will receive a performance rating. If the temporary promotion or reassignment NTE (date) lasted less than 9 months, such a rating is for information only and does not become the rating of record. It will be considered to the extent that it is applicable to the employee's regular position when the employee's performance is rated at the end of the appraisal period. See section 3C3 for information concerning longer temporary assignments.

F. Probationary Period Evaluation

1. During the 1-year probationary period required after competitive appointment, a new employee will be appraised to determine whether conduct, performance, and overall fitness warrants retention in the Federal service.

2. Management will evaluate a probationary employee's conduct and performance not later than the 10th month of probation period. A written evaluation and recommendation must be submitted on whether or not the employee should be retained. This probationary period evaluation does not take the place of the annual performance rating.

3. Part 315, 5 CFR, provides guidance and procedural requirements for the separation of a probationary employee.

G. Performance Ratings and Other Personnel Actions

1. An employee's retention standing for reduction-in-force (RIF) will be determined in part by the last three annual summary ratings of record. Where the same rating pattern exists among the affected employees, 12 years of additional service credit will be assigned for each annual summary rating of Fully Successful, 16 years for each rating of Highly Successful, and 20 years for each rating of Exceptional. However, where there are at least two different rating patterns among the affected employees, 20 additional years of service credit will be assigned for each rating of Fully Successful or higher.

2. The performance rating of record at the time an employee applies for a position under the Merit Promotion Program will be the one used in part to determine the highly qualified candidates (see Article 13).

3. An employee's performance will govern the decision to grant or withhold a within grade increase when one is due. General Schedule (GS) employees must be performing at "an acceptable level of competence." An acceptable level of competence equates to a rating of record at the Fully Successful summary level. Employees covered by the Federal Wage System must perform at a "satisfactory" level as provided in 5 U.S.C. 5343(e)(2). A satisfactory rating equates to a rating of record at the Fully Successful summary level. The most recent rating of record must agree with the decision to grant or withhold a within grade increase. Specific information on within grade increases is contained in DLAR 1416.9, Within Grade Increases (WIGs) and Quality Step Increases (QSIs).

H. Effective Dates for Ratings. The effective dates for performance ratings will be the date each is signed by the approving official.

I. Performance Rating Grievances

1. Employees are expected to seek informal resolution of disagreements with their supervisors concerning performance ratings. A

grievance may be filed only after a performance rating has been completed and communicated to the employee. If it is alleged that the summary rating has been incorrectly determined, this should be reviewed and corrected, if appropriate, by management. Only allegations of incorrect determinations of the summary ratings or ratings of individual critical elements may be grieved; the summary rating itself may not be grieved. The summary rating will be appropriately adjusted automatically depending upon the outcome of a grievance on one or more critical elements.

2. The expected norm of performance is the Fully Successful level. When an employee grieves one or more critical elements rated below Fully Successful, the burden of proof that the rating(s) given is proper rests with management.

SECTION 4 - WARNING EMPLOYEES OF SERIOUS PERFORMANCE DEFICIENCIES

A. When performance is considered by management to be at or below the Minimally Acceptable level, the following course of action will be taken:

1. Step 1. The supervisor will counsel the employee concerning the performance deficiencies, specifically identify areas of performance below the Fully Successful level, explain what must be done to improve, and suggest ways to make improvements. More than one such counseling may be necessary before an employee is able to demonstrate Fully Successful performance.

2. Step 2. If performance is considered to be at the Unacceptable level in one or more critical elements after counseling and assistance, a letter of warning will be issued to the employee. The letter will state that performance is considered to be Unacceptable, establish a period during which the employee will be expected to attain the Fully Successful level in the deficient element(s), and generally include the following:

a. Identification of each critical element in which performance is considered to be Unacceptable, and description of those aspects of work that are deficient.

b. What performance is required to overcome the deficiencies.

c. The personnel action (reassignment, demotion, or removal) that may result if performance is not improved to above the Unacceptable level.

3. The written performance plan must form the basis for the requirements of the warning letter. During the warning period, the employee must be periodically counseled noting where improvements have been made and where they have not. A written record of each counseling session should be kept showing the date, nature of assistance and advice, and how the employee is progressing. If an annual performance rating becomes due during the warning period, the rating will be deferred until the end of the period and the employee will be so notified.

4. The letter of warning will be canceled and the employee informed if during, or at the end of the warning period, performance has improved to the Fully Successful level. If performance has improved only

to the Minimally Acceptable level, the employee may be reassigned. If not reassigned, management should continue efforts to assist the employee to reach the Fully Successful level. In accordance with 5 U.S.C. 4302(b)(6), if performance is Unacceptable in one or more critical elements at the end of the warning period, the employee must be either reassigned or demoted to a position where it is considered by management that he/she could perform all critical elements at the Fully Successful level, or must be removed from the Federal service.

SECTION 5 - REMEDIAL ACTIONS BASED ON UNACCEPTABLE PERFORMANCE

A. An employee may be reassigned, demoted, or removed from the Federal service because of Unacceptable performance in one or more critical job elements. A decision for such action may only be based on instances of Unacceptable performance which occurred within a 12-month period ending with the date of the proposed action. However, before it is proposed to remove an employee for Unacceptable performance, consideration must be given to the advisability of a reassignment or demotion to another position where it is likely the employee could perform acceptably.

B. Demotions and removals due to Unacceptable performance are actions subject to the formal job protection procedures. When proposing to take such an action under 5 CFR 432, the following procedures will be followed:

1. A minimum 30 calendar day advance notice must be given.
2. A charge of "Unacceptable performance" will be used. The description of the charge must list the critical job elements and standards of performance that were not met. It must include the basic facts developed in following the warning period outlined in paragraph A above.
3. A reasonable amount of official time to prepare and present a reply to the charge must be given and the employee so informed in the notice of proposed action.
4. Any records or documents relied upon to support the charge will be made available or provided to the employee or the representative for review upon request. Information on this matter must be also provided in the notice of proposed action.
5. Any reply made by the employee must be carefully considered. If it is decided that the proposed action is warranted and supported, the employee will be given a notice of decision. The decision to take the action must be made by the approving official. The notice of decision must include information on the employee's appeal or grievance rights, as appropriate, as well as the right of union representation.
6. The employee will be notified in writing when it is decided to cancel the proposed action.

C. A performance-based action may also be taken under 5 CFR 752 when the requirements of these regulations are followed.

D. The procedural requirements above do not apply to the separation of employees during their probationary period after competitive

appointment. Requirements pertaining to probationers are contained in Part 315, 5 CFR.

SECTION 6 - PERFORMANCE APPRAISAL RECORDS

A. An Employee Performance Folder (EPF) will be established and maintained for all employees. Copies of performance ratings and the performance plans on which they are based will be placed in the EPF. These records will be retained for 4 years. Documents supporting performance ratings will be retained for not less than 1 nor more than 4 years. The number of years these documents will be retained will be changed to conform to Part 351, Title 5, Code of Federal Regulations, if revisions to that Part necessitate such changes.

B. Employees will be given access to their EPF. Access will also be provided to the employee's designated representative, and other DLA officials who have a need for the records.

C. At the time the Official Personnel Folder (OPF) of an employee is sent to another non-DLA agency to which the employee is transferring, the performance ratings for the last 4 years, including the performance plan on which the most recent rating was based, will be moved from the EPF to the left side (temporary) of the OPF. When the OPF is transferred to the gaining agency, these performance records will accompany it. The number of years these documents will be retained will be changed to conform to Part 351, Title 5, Code of Federal Regulations, if revisions to that Part necessitate such changes.

ARTICLE S-18

PERFORMANCE EVALUATION

- (1) Section 1C. Appraisals of performance will be made in a fair, objective and reasonable manner based on the employee's job related performance during the appraisal period. Performance standards of a quantifiable nature which are developed through production studies or goals will be applied with the same principles of fairness and objectivity given to the application of qualitative standards.
- (2) Section 3A(6). While developing elements and standards for each position, the responsible supervisor will give the employee(s) affected an opportunity to contribute through individual or group discussions. The Union shall be given the opportunity to be represented at any group discussions (and any individual discussions involving elements and standards to be used for more than one position).
- (3) Section 3B(1). Upon request, the employee will be given a copy of any record of performance discussions that the supervisor maintains with the Employee Record Card (SF 7B).
- (4) Section 3C(7). If an employee receives an annual appraisal with any critical elements rated at the Minimally Acceptable level, the supervisor will provide written instructions explaining what must be done to improve performance to achieve the Fully Successful level of performance for those elements unless the employee has previously been provided with such instructions during the rating period.
- (5) Section 3C(8). The timely completion of employee appraisals is a basic supervisory responsibility. Accordingly, it is expected that the time limits specified in this section will normally be adhered to unless there is justifiable reason for not doing so. In any case where an appraisal has not been received within the specified time limits, the employee should ask his/her supervisor the reason for the delay. If the reason is not considered satisfactory and if the appraisal is not received within one week after the initial inquiry, the employee may contact the Civilian Personnel Office to seek assistance in obtaining the appraisal.
- (6) Section 3I(3). The substance of elements and standards is not subject to the negotiated grievance procedures. An employee may, however, file a grievance if he/she believes that his/her performance standards have not been fairly applied.

ARTICLE 19

C. The Agency agrees to assist the employee in contacting appropriate OWCP authorities in an effort to expedite payment of claims.

D. If the compensable injury is reactivated during the period ending not later than 90 days after the employee returns to duty and the PLFA authorizes a medical examination in connection therewith, the absence for such examination shall be administratively excused and not charged to leave.

SECTION 3 - INCLEMENT WEATHER OR EMERGENCY CONDITIONS

A. When it becomes necessary to close any duty station because of inclement weather or any other emergency condition as determined by the PLFA:

1. Notification procedures shall be established in accordance with the circumstances attendant to each local situation. When those procedures provide for public media announcement and when any employee has reasonably relied on a public media announcement that his/her duty station or that all Federal offices in his/her area are closed due to weather or other conditions, he/she will not be considered AWOL or charged leave if, in fact, the duty station remains open and the employee, relying on the announcement, is unaware that it is open.

2. Workdays in which Federal offices are closed are non-workdays for leave purposes. Regular employees are excused without charge to leave or loss of pay; this does not apply to employees in a non-pay status on the days immediately before and after the day the office is closed.

B. When it becomes necessary to close any duty station because of inclement weather or any other emergency condition developing during working hours, whether an employee should or should not be charged leave for an absence depends upon his or her duty or leave status at the time of dismissal:

1. If the employee was on active duty and was excused, there is no charge to leave for the remaining hours of the work shift following excusal.

2. If the employee was on duty and departed on leave after official word was received but before the time set for dismissal, leave is charged only for the time the employee departed until the time set for dismissal.

3. If the employee was scheduled to report for duty after a leave period and dismissal is given before the employee can report, leave is charged until the time set for dismissal.

4. If the employee was absent on approved leave for the entire work-shift, the entire absence is charged to appropriate leave (e.g., annual, sick, or LWOP, as applicable).

C. When a duty station or an assigned site away from the duty station is open, but inclement weather or other emergency conditions affecting travel to the duty station, or an assigned site away from the duty station, prevents an employee from getting to work on time or not at all, the employee may be granted administrative leave on a case-by-case basis, provided that the employee presents to the supervisor a reasonably acceptable explanation and/or documentation related to the emergency.

D. When an employee is officially authorized to use his/her privately owned vehicle for the convenience of the Government and that vehicle breaks down or is otherwise inoperative, the employee shall be in a duty status in connection with emergency repairs to the vehicle if the breakdown occurs while the employee is in an official travel status. B. Base Closure After Commencement of the Workday.

If, after commencement of the workday, normal operations are interrupted by unanticipated events beyond the control of management, the Employer may order a full or partial shutdown of operations. Employees who are in a duty status at the time of the shutdown and who cannot be utilized elsewhere in another element of the activity will be released without charge to leave or loss of pay.

C. Base Remains Open.

When severe adverse weather conditions exist and the post of duty is not closed, the Employer agrees to consider granting excused absence on a case-by-case basis to any employee delayed or unable to get to work after making every reasonable effort. In cases of delay of two hours or less, the immediate supervisor will generally determine whether excused absence will be granted. For absences in excess of two hours and up to the entire workday, excused absence may be granted by an official not lower than one organization level below the Commander, or Head of a Headquarters Principal Staff Element.

Reasonable efforts will be made to accommodate employees who desire leave for special occasions such as religious and other holidays, birthdays and attendance at funerals.

SECTION 2

When leave has been requested and approved, the Agency will not cancel approval except to meet situations of emergency or urgent operating problems. When previously approved leave must be rescheduled, the employee will be advised of the reason for the change as soon as practicable after the need for the change has been determined. Every effort shall be made to accommodate the employee to reschedule his/her leave.

SECTION 3

In an emergency the employee must contact his/her supervisor or the supervisor's designated representative as soon as possible and request annual leave. Normally, emergency annual leave will be granted on an individual case-by-case basis. The Agency will have a person available during each shift who has the authority to grant requests for emergency leave.

SECTION 4

ARTICLE 25

SICK LEAVE

SECTION 1

Employees will accrue sick leave in accordance with statute and appropriate regulations. Sick leave is an employee benefit to be used by an employee for absence required by illness, injury, medical appointments, pregnancy and confinement, or to give care and attendance to a member(s) of his/her immediate family who is ill with a contagious disease and, when through exposure to it, the presence of the employee at work would jeopardize the health of others.

SECTION 3

Time spent by employees in obtaining job related medical examination or treatment at the appropriate health unit shall be time in duty status.

SECTION 4

When there is reasonable expectation that an employee will return to duty in cases of serious illness or disability, an employee should be advanced sick leave up to the maximum of 240 hours provided that:

A. The employee submits a written request to the supervisor prior to the desired effective date of the advance leave unless precluded or prevented from doing so by the disability or illness. The employee's request must be supported by a doctor's statement.

B. There is reasonable assurance that the employee will return to duty for a sufficient period of time to earn the sick leave that is advanced.

C. All earned sick leave to the employee's credit is used before the date the advanced leave is to begin.

SECTION 5

The Agency and the DLA Council recognize the privacy of the information, including sick leave, contained on individual leave

and earnings statements. They agree that these statements will be handled in a practical but discreet manner. Procedures to effectuate this objective shall be established at the PLFA in accordance with the circumstances attendant to each local situation.

SECTION 6

If requested in advance by the employee, an absence which would otherwise be chargeable to sick leave shall be charged to annual leave provided that the employee has sufficient annual leave available.

ARTICLE S-25

SICK LEAVE

- (1) Section 1. Approval of sick leave for prearranged medical, dental or optical examination will be requested in advance as soon as possible after the employee is aware of the date of the appointment. Sick leave absence because of illness, injury, or other circumstances of incapacity which cannot be anticipated in advance must be reported as soon as possible to the immediate supervisor or designated representative after the beginning of the illness but normally no later than two hours after the start of an employee's regular shift on the first working day of the absence. Failure to provide the necessary notification may result in an employee's absence being charged to annual leave or absence without leave, and/or administrative action as the circumstances may justify.
- (2) Section 2A. Sick leave of more than three consecutive workdays must be supported by a medical certificate unless the employee was not attended by a physician. If the employee was not attended by a physician, a statement signed by the employee showing satisfactory evidence of incapacity will be accepted in lieu of a medical certificate. A medical certificate or employee's certificate must be submitted to the employee's supervisor within one week after return to duty. Medical or employee's certificate may be required every two weeks during illnesses of long duration. The certificate must cover all absence beyond the third workday and show that the employee was incapacitated for duty for the entire period covered by the certificate.
- (3) Section 2B. When a supervisor has indications that an employee may be abusing the sick leave privilege, the employee may be required to furnish a doctor's certificate for every absence chargeable to sick leave. Such requirement must be made in writing and must include:
 - (1) The reasons for requiring the certificate.
 - (2) A statement that improvement in the employee's sick leave record can serve to cancel the requirement.
 - (3) A statement that claimed sick leave not supported by a doctor's certificate may result in the absence being charged to absence without leave (AWOL) and in possible disciplinary action.
- (4) Section 4. Sick leave may normally be advanced to a career or career-conditional employee provided:
 - A. The employee submits a written request to the supervisor prior to the desired effective date of the advance leave unless precluded or prevented from doing so by the disability or illness. The employee's request must be supported by a doctor's statement.

B. There is reasonable assurance that the employee will return to duty for a sufficient period of time to earn the sick leave that is advanced.

C. All earned sick leave to the employee's credit and all annual leave that may otherwise be subject to forfeiture is used before the date the advanced leave is to begin.

D. The employee's accrued sick leave has not been repeatedly exhausted or maintained at a negligible amount by the repeated use of sick leave for minor illness involving periods of five days or less.

ARTICLE 26

USE OF LEAVE FOR MATERNITY/PATERNITY

SECTION 1 - GENERAL

The Agency agrees to follow a liberal leave policy in granting requests for leave in connection with childbirth or adoption.

SECTION 2 - USE OF LEAVE

A. Sick leave shall be granted upon request for the period of incapacitation due to pregnancy and confinement, provided that the employee has sick leave available. The employee may also request and be granted annual leave or leave without pay instead of sick leave for the period of incapacitation.

B. Additional periods of annual leave or if she has an insufficient balance, leave without pay, may be granted for a non-incapacitated period.

C. A male employee may be granted annual leave or in the absence of an adequate balance, leave without pay for the purpose of aiding, assisting or caring for the mother of his child or minor children while she is incapacitated for maternity reasons. In an emergency situation the Agency, commensurate with the emergency, may grant additional leave requested based on workload considerations. The employee may also request additional annual leave or, if he has an insufficient balance, leave without pay for the period of incapacitation.

D. An employee may be granted annual leave or leave without pay, as appropriate to the individual case, to carry out parental responsibilities in connection with the adoption of a child.

ARTICLE S-26

USE OF LEAVE FOR MATERNITY/PATERNITY

- (1) Section 1. The Employer will also give full consideration to annual leave requests made in connection with responsibilities related to the care or parental responsibilities of minor children (under 18 years of age). A liberal leave policy will be followed in connection with these requests provided (1) the employee provides evidence satisfactory to the Employer regarding the need for the leave, and (2) the employee's services can be spared without disruption of the organization's mission and workload.

ARTICLE 27

ARTICLE 28
OFFICIAL TRAVEL

SECTION 1 - GENERAL

A. The Agency and the DLA Council agree:

1. That within the perimeters set forth in Sections 2 through 5, the establishment of procedures and the administration of this Article are matters for negotiation at the PLFA level.

2. An employee who is authorized official travel shall exercise the same care in the incurrence of expenses and accomplishing a mission that a prudent person would use if traveling on personal business. In this connection: excess costs; circuitous routes; delays; or luxury accommodations, which are unnecessary or unjustified in the performance of a mission, are not considered acceptable as the application of prudence by the employee.

B. Payment of per diem or actual expense allowances, as well as travel or transportation expenses, shall be in accordance with the provisions of the Department of Defense Civilian Personnel Joint Travel Regulations (JTR).

SECTION 2 - TRAVEL ORDERS

A. Except for emergency situations, as determined by the approving official, temporary duty (TDY) travel orders shall be issued in sufficient time prior to the departure on TDY so as to permit the employee to make orderly arrangements for obtaining transportation requests and authorized advance for travel expenses.

B. The TDY travel orders may authorize an advance of funds to the employee for travel and transportation expenses not to exceed the maximum amount authorized by the JTR, provided that such amount is not less than \$50.

C. Local travel authorizations which approve the use of a privately owned vehicle (POV) by the employee as being more advantageous to the Government or for the convenience of the Government, shall be issued in advance.

SECTION 3 - SCHEDULING TDY TRAVEL

To the maximum extent possible, travel shall be scheduled so that the employee shall perform travel during his/her regularly scheduled work hours. Should this not be possible and the resultant travel meets the criteria of 5 U.S.C. § 5542 (overtime rates; computation) or the Fair Labor Standards (as appropriate) the employee shall be paid overtime. Employees will be paid overtime in accordance with applicable laws and regulations. When the payment of overtime is precluded by governing laws and/or Government-wide regulations, the PLFA official who orders such travel shall record the reasons therefore and upon request of the employees shall furnish a copy of the

statement to the employee.

SECTION 4 - TEMPORARY DUTY ASSIGNMENTS

When the TDY assignment requires the employee to be away from his/her permanent duty station for more than 30 days and the assignment does not require the employee to remain at the place of TDY on non-workdays:

A. The approving official may direct, in the TDY orders, that the employee return to his/her permanent duty station for the non-workdays provided that the cost to the Government for round trip transportation and per them or actual expense allowance is less than the per them or actual expense allowance that would have been payable had the employee remained at the place of TDY and the employee's availability for duty on the scheduled TDY workdays is not affected adversely.

B. The employee may voluntarily return to his/her permanent duty station provided that his/her availability for duty on the scheduled TDY workdays is not affected adversely. In the instances of voluntary return, the maximum reimbursement to the employee for the round trip shall not exceed the per them or actual expense allowance to which the employee would have been entitled had he/she remained at the place of TDY.

SECTION 5 - MODES OF TRANSPORTATION

A. The approving official shall determine the mode of transportation which is most advantageous to the Government. In selecting the particular method of transportation to be used, the approving official shall consider the nature and duties of the employee requiring travel, the total cost to the Government, the total distance of travel, the number of points to be visited, and energy conservation.

B. If an approving official determines that an automobile is required for travel, a Government-owned or leased automobile shall be used whenever it is reasonably available. The use of POV may be authorized only if it is more advantageous to the Government or for the convenience of the Government.

C. When an employee elects to travel by a method of transportation other than that officially approved, reimbursement to the employee shall be limited to the cost on a constructive basis that would have been incurred by the Government for the officially approved mode of transportation or the actual cost incurred by the employee, whichever is the lesser.

SECTION 6 - TRAVEL VOUCHERS

A. Upon completion of official travel, the employee shall promptly submit vouchers for reimbursement to the appropriate Accounting and Finance Office.

C. If the matter is not resolved informally:

1. The DLA Council President/Director, DLA (or his designee), whichever is the grieving party, shall communicate in writing to the other party, stating the precise nature of the grievance, a description of the full background and/or circumstances leading to the grievance, applicable records and/or supporting documents, a specific citation of the portion(s) of the Master Agreement which is applicable to the grievance along with a statement explaining why or in what manner it is felt that the particular portion(s) is being misinterpreted or misapplied, the specific relief or adjustment requested, and a description of efforts taken to resolve the matter informally along with a statement explaining why offered informal resolutions, if any, were not considered satisfactory.

2. The DLA Council President/Director, DLA (or his designee), whichever is the responding party, shall prepare a final written response to the written grievance within 15 working days following receipt of the grievance.

3. The grieving party will notify the respondent of its acceptance of the final written response or its intent to advance the matter to arbitration in accordance with Article 37 of this Master Agreement within 20 workdays following receipt of the response.

SECTION 10 - FAILURE TO MEET TIME REQUIREMENTS

Failure on the part of the respondent to meet any of the time limits of this procedure without mutual consent will serve to permit the grievant to immediately escalate the grievance to the next step of the process.

SECTION 11 - WITNESSES

All DLA employees called by the Agency to testify on matters regarding a grievance being processed under this Article shall be in a duty status and paid travel and per diem expenses in accordance with appropriate regulations.

SECTION 12 - RECORDS AND DOCUMENTATION

The Agency shall, upon request, furnish the grievant(s) with pertinent records, regarding a grievance under this Article, subject to limitations of the Privacy Act.

(1) At Step 2:

<u>FOR</u>	<u>SUBMIT TO</u>
HQ DLA Employees	Division Chief
DASC Employees	Office Chief
DTIC Employees	Directorate or Office Chief

<u>FOR</u>	<u>SUBMIT TO</u>

Similarly, in cases where the official who would hear the complaint at Step 1 and/or Step 2 would be the same individual designated as the deciding official by Section 8A(2) above, Step 1 and/or Step 2 of the process may be waived for purposes of expediting the grievance process.

(4) Instances may arise where a grievable matter involves issues not under the control of the head of the organization in which the grievant is employed. In these cases, the Step 3 deciding official will be the official cited in Section 8A(2) above who has authority over the matter rather than the employee's organizational head.

(3) Section 8F. Disputes Between the Union and the Employer. Grievances of the nature described in Article 36, Section 10, of the Master Agreement, which involve matters solely between the Union and the Employer rather than individual employee grievances, will be processed as follows:

ARBITRATION

SECTION 1 - GENERAL

This Article establishes procedures for the arbitration of disputes between the DLA Council and the Agency which are not satisfactorily resolved by the negotiated grievance procedure contained in Article 36 of this Master Agreement.

SECTION 2 - OPTIONAL PLFA ARBITRATION PROCEDURES

The following Sections of this Article must be adhered to in the settlement of grievances to be resolved through arbitration unless the parties agree to process the grievances in accordance with Article 38 of this Agreement.

SECTION 3 - SELECTION OF ARBITRATOR

A. If the DLA Council and the Agency fail to settle any grievance processed under Article 36 of this Agreement, either party may, within the time limits specified in the negotiated grievance procedure, notify the other in writing of its intention to submit the matter to arbitration. Within 5 working days from receipt of the request for arbitration, the parties shall jointly request the Federal Mediation and Conciliation Service (FMCS) to provide a list of five impartial persons qualified to act as arbitrators. The request to FMCS will include a brief statement of the issue(s) in dispute. If the parties cannot mutually agree on the statement to be provided, each party may submit a separate statement.

B. Within 5 working days from receipt of the list, the parties will confer, as appropriate, to choose an arbitrator. If they cannot mutually agree on one name from the list, the parties will alternately strike one name from the list until only one name remains. The remaining name on the list shall be the duly selected arbitrator. The FMCS shall be immediately notified of the selection.

C. The FMCS shall be empowered to make a direct designation of an arbitrator to hear the case in the event: (1) either party refused to participate in the selection of an arbitrator, and/or (2) upon inaction or unreasonable delay on the part of either party.

SECTION 4 - ARBITRATION PROCEEDINGS

A. Once an arbitration hearing has been scheduled, there shall be no postponement or rescheduling of the hearing except by the written mutual agreement of the parties.

B. By mutual consent, arbitration may be conducted as oral proceedings with no verbatim transcript and no filing of briefs. In the event only one of the parties desires a transcript of the proceedings, that party shall be responsible for making arrangements for and the full cost of the transcript. If the other party later wishes a copy of the transcript, that party shall pay for half of the original cost.

C. At least 10 working days before the opening of the arbitration hearing, the parties shall exchange lists of witnesses whom they expect to have testify along with a listing of facts and/or evidence that may be stipulated in advance of the hearing. If the parties cannot agree on a slate of witnesses, it shall be at the sole discretion of the arbitrator to determine who may testify.

D. The grievant, his/her representative, and the DLA employees who are called as witnesses will be excused from duty to the extent necessary to participate in the arbitration hearing. All DLA participants shall be in a duty status.

E. The arbitrator shall be requested to render and serve his written decision within 30 calendar days after the conclusion of the hearing. The arbitrator's award shall be limited solely to answering the question(s) put to him/her by the parties' submission. In the event the parties are unable to agree to a submission statement, the arbitrator shall be empowered to formulate his/her own statement of the issue to be resolved.

SECTION 5 - COST OF ARBITRATION

The fee and expenses of the arbitrator shall be borne equally by the parties.

SECTION 6 - EXCEPTIONS TO ARBITRATOR'S AWARD

The arbitrator's award shall be binding on the parties. However, either party may file exceptions to an award with the Federal Labor Relations Authority (FLRA) under regulations prescribed by the Authority.

SECTION 7 - CLARIFICATION OF ARBITRATOR'S AWARD

Disputes between the parties over the application of an arbitrator's award may be returned for clarification. The party seeking clarification shall bear the full cost of such clarification.
