GENERAL ORDERS
NO. 31

11 Sep 72

I. Pursuant to the authority contained in Assistant Secretary of Defense (Installations and Logistics) Memorandum, 16 Aug 72, subject: DoD Personal Property Disposal Organization, Logistics Systems Policy Committee (LSPC) Task Order No. 2-71 and effective 12 Sep 72, the Defense Property Disposal Service (DPDS) is established as a DSA Primary Level Field Activity at the Federal Center, Battle Creek, Michigan 49016.

II. The Commander, Defense Property Disposal Service, is responsible for the integrated management of world-wide personal property disposal operations, to include reutilization of serviceable assets, in support of the military services and other authorized customers. He is also responsible for exercising command and control of all assigned subordinate activities including regional offices and property disposal offices. Support arrangements to be approved between the Defense Property Disposal Service and the Defense Logistics Services Center (DLSA) will assure optimum use of respective assigned central staff elements to perform common support functions. The office symbol for the Defense Property Disposal Service is DPDS.
