GENERAL ORDER
NO. 19-82

12 Nov 82

I. Effective 5 Dec 82:

A. The Directorate of Property Disposal Management Systems (DSAC-N) is established as an element of the DLA Systems Automation Center (DSAC), Columbus, Ohio and located at the Defense Property Disposal Service (DPDS), Battle Creek, Michigan.

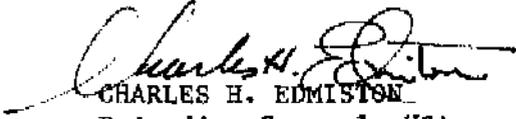

B. The responsibility to accomplish the ADP design, programming, and modifications of the Automated Information System (AIS) required in support of the Defense Property Disposal Service (DPDS) is transferred from the Defense Logistics Services Center (DLSC) to DSAC-N.

C. The responsibility to accomplish the design, development, testing, and implementation of the AIS for DPDS is transferred from DPDS to DSAC-N.

II. The Director, DSAC-N, reporting directly to the Commander, DSAC, is responsible for the development and maintenance of assigned AIS in support of applicable DLA activities.

III. Administrative support for DSAC-N will be provided by the Commander, DPDS.

BY ORDER OF THE DIRECTOR:

CHARLES H. EDMISTON
Brigadier General, USA
Assistant Director
