GENERAL ORDER
NO. 27-92

I. Authority: DCMC-D approval of DLA-L Staff Summary Sheet, dated 18 March 1992, subject: Realignment of Industrial Support Responsibilities Within DCMC.

II. Reference DLA General Order No. 29-91, 30 December 1991.

III. Pursuant to cited authority and effective 1 April 1992:

a. The Operations Management Division, Directorate of Program and Technical Support (DCMC-EO), is established. DCMC-EO is responsible for development of policies, procedures, and technical guidance to promote effective operations management support to Government buying activities in the mission areas of pre-award, post-award, industrial operations and operations management support to programs.

b. The Systems and Support Division, Directorate of Program and Technical Support (DCMC-ES), is established. It is responsible for management and development of policies and procedures for management information systems, automation, training, budget justification and support, and internal review activities. DCMC-ES also serves as the DCMC focal point for the Contractor Profile System.

c. The Industrial Support Division, Directorate of Contract Management (DCMC-AI), is disestablished.

d. The Manufacturing Division, Directorate of Program and Technical Support (DCMC-EM), is disestablished.

e. Mission and functions of DCMC-AI and DCMC-EM are reassigned to the new divisions established above.

V. Administrative support will continue to be provided as currently configured.
