IN REPLY
REFER TO GENERAL ORDER
NO. 4-03

DSS

FEB 19 2003

I. AUTHORITY: Approval of the Director, Defense Logistics Agency (DLA).

II. REFERENCE: HQ DLA General Order No. 9-00, dated September 11, 2000.

III. Pursuant to cited authority and effective 23 February 2003, the changes in Financial Operations (J-8) organizational alignment are as follows:

A. Financial Services, Systems, and Control Division (J-85) is changed to the Financial Services and Accounting Division. The systems accounting function is realigned from J-85 to J-88. The Accounting Systems and Control Team is renamed the Accounting Team. The Staff Director, J-85, is responsible for oversight of Agency accounting and financial services operations; provision of accounting and financial services to Headquarters, Defense Logistics Agency (HQ DLA); and integration and coordination of Agency accounting requirements. J-85 has the following teams:

1. Virtual Accounting/HQ Financial Services Team.

2. The Accounting Team (renamed from Accounting Systems and Control Team).

B. Financial Business Systems Modernization Division (J-88) is changed to the Financial Systems Modernization Division. The Staff Director, J-88, is responsible for the development of reengineered financial management processes based on commercial best practices to include role and job development, organizational structures, Chief Financial Officer compliance criteria, key performance metrics, and other business considerations. Additionally, J-88 is responsible for defining the requirements for the design, configuration, and implementation of corresponding commercial off-the-shelf software associated with the new processes and for the integration and coordination of Agency accounting systems requirements.

IV. Administrative services and support will be provided by HQ DLA organizations as appropriate.

FOR THE DIRECTOR:

RICHARD J. CONNELLY
Director
DLA Support Services
