SUBJECT: Class Deviation - - Equal Employment Opportunity

This memorandum forwards the subject class deviation issued by the Director, Defense Procurement, dated February 20, 1998. This deviation supersedes FARS DEV 97-13. This deviation implements the Department of Labor final rule published in the Federal Register on August 19, 1997 (62 FR 44174). DEPUTY ASSISTANT SECRETARY OF THE ARMY (PROCUREMENT)  
DEPUTY DIRECTOR (ACQUISITION), DEFENSE LOGISTICS AGENCY

SUBJECT: Class Deviation--Equal Employment Opportunity

Effective immediately, all military departments and defense agencies shall deviate from the requirements of Federal Acquisition Regulation (FAR) Subpart 22.8, Equal Employment Opportunity, and the clauses and provisions prescribed therein. Specifically, contracting officers shall implement the attached FAR Subpart 22.8, and shall use the attached clauses and provisions instead of the clauses and provisions at FAR 52.212-3 and 52.222-21 through 52.222-24 and 52.222-26 through 52.222-29.

This class deviation implements a Department of Labor final rule that was published in the Federal Register on August 19, 1997 (62 FR 44174). In part, the final rule eliminates the requirement to obtain a certification of nonsegregated facilities from prospective contractors; increases from \$1 million to \$10 million the threshold for, and amends the timing of, obtaining from the Office of Federal Contract Compliance Programs preaward compliance clearance of prospective contractors and subcontractors; and eliminates the requirement for postaward compliance clearance of subcontractors.

This class deviation supersedes class deviation number 97-00008, and is approved until December 31, 1998, or until the FAR is revised, whichever occurs first.

## **22.804 Affirmative action programs.**

**22.804-1 Nonconstruction.**

Except as provided in 22.807, each nonconstruction prime contractor and each subcontractor with 50 or more employees and--

- (b) Government bills of lading that in any 12-month period, total, or can reasonably be expected to total, \$50,000 or more, is required to develop a written affirmative action program for each of its establishments within 120 days from the commencement of its first such Government contract, subcontract, or Government bill of lading.

(a) Construction contractors that hold a nonexempt (see 22.807) Government construction contract are required to meet--

- (2) Applicable requirements of 41 CFR 60-1 and 60-4.

(b) Each contracting agency shall maintain a listing of covered geographical areas that are subject to affirmative action requirements that specify goals for minorities and women in covered construction trades. Information concerning, and additions to, this listing will be provided to the principally affected contracting officers in accordance with agency procedures. Any contracting officer contemplating a construction project in excess of \$10,000 within a geographic area not known to be covered by specific affirmative action goals shall request instructions on the most current information from the OFCCP regional office, or as otherwise specified in agency regulations, before issuing the solicitation.

(c) Contracting officers shall give written notice to the OFCCP regional office within 10 working days of award of a construction contract subject to these affirmative action requirements. The notification shall include the name, address, and telephone number of the contractor; employer identification number; dollar amount of the contract; estimated starting and completion dates of the contract; the contract number; and the geographical area in which the contract is to be performed. When requested by the OFCCP regional office, the contracting officer shall arrange a conference among contractor, contracting activity, and compliance personnel to discuss the contractor's compliance responsibilities.

**22.805 Procedures.**

(a) *Preaward clearances for contracts and subcontracts of \$1[0] million or more (excluding construction).* (1) Except as provided in [paragraph]22.805(a)(7) [of this section]below, if the estimated amount of the contract; [or] subcontract, ~~or basic ordering~~

~~agreement is expected to aggregate \$1 million or more or to increase the aggregate value of an existing contract to \$1[0] million or more, the contracting officer shall request the appropriate OFCCP regional office to determine whether a contractor is awardable before--~~

- ~~(i) Award of any contract, including any indefinite delivery contract or letter contract;~~
- ~~(ii) Modification of an existing contract for new effort that would constitute a contract award; or~~
- ~~(iii) The issuance of any basic ordering agreement.~~

~~(2) Preaward clearance for each proposed contract and for each proposed first-tier subcontract of \$1[0] million or more shall be requested by the contracting officer directly from the OFCCP regional office(s). Verbal requests shall be confirmed in writing [or by facsimile transmission].~~

~~(3) When the contract work is to be performed outside the United States with employees recruited within the United States, the contracting officer shall send the request for a preaward review to the OFCCP regional office serving the area where the proposed contractor's corporate home or branch office is located in the United States, or the corporate location where personnel recruiting is handled, if different from the contractor's corporate home or branch office. If the proposed contractor has no corporate office or location within the United States, the preaward review request action should be based on the location of the recruiting and training agency in the United States.~~

~~(4) The contracting officer shall include the following information in the preaward review request:~~

~~(i) Name, address, and telephone number of the prospective contractor and of any corporate affiliate at which work is to be performed.~~

~~(ii) Name, address, and telephone number of each proposed first-tier subcontractor with a proposed subcontract estimated at \$1[0] million or more.~~

~~(iii) Anticipated date of award.~~

~~(iv) Information as to whether the contractor and first-tier subcontractors have previously held any Government contracts or subcontracts.~~

~~(v) Place or places of contract performance and first-tier subcontracts estimated at \$1[0] million or more, if known.~~

~~(vi) The estimated dollar amount of the contract and each first-tier subcontract, if known.~~

~~(5) The contracting officer shall allow as much time as feasible before award for the conduct of necessary reviews by OFCCP. As soon as the apparently successful contractor can be determined, the contracting officer shall process a preaward review request in accordance with agency procedures, assuring, if possible, that the preaward review request is submitted to the OFCCP regional office 30 calendar days before the proposed award date.~~

~~(6) In the event the Director has not made a final preaward clearance determination within 30 calendar days from submission of the clearance request, the contracting officer shall withhold award of the contract for an additional 15 calendar days.~~

~~or until clearance is received, whichever occurs first. If the additional 15 calendar days expire, and the Director has not either found the contractor to be in compliance or made a final written determination declaring the contractor ineligible for reasons of noncompliance, the award may be made to the contractor in question. The contracting officer shall notify the OFCCP regional office of the award. [Within 15 days of the notice, OFCCP will inform the awarding agency of its intention to conduct a preaward compliance evaluation. If OFCCP does not inform the awarding agency within that period of its intention to conduct a preaward compliance evaluation, clearance shall be presumed and the awarding agency is authorized to proceed with the award. If OFCCP informs the awarding agency of its intention to conduct a preaward compliance evaluation, OFCCP shall be allowed an additional 20 days after the date that it so informs the awarding agency to provide its conclusions. If OFCCP does not provide the awarding agency with its conclusions within that period clearance shall be presumed and the awarding agency is authorized to proceed with the award.]~~

(7) If the procedures specified in [paragraphs] (a)(5) and (a)(6) [of this section]above would delay award of an urgent and critical contract beyond the time necessary to make award or beyond the time specified in the offer or extension thereof, the contracting officer shall immediately inform the OFCCP regional office of the expiration date of the offer or the required date of award and request clearance be provided before that date. If the OFCCP regional office advises that a preaward review cannot be completed by the required date, the contracting officer shall submit written justification for the award to the head of the contracting activity, who, after informing the OFCCP regional office, may then approve the award without the preaward clearance. If an award is made under this authority, the contracting officer shall immediately request a postaward review from the OFCCP regional office.

(8) If, under the provisions of [paragraph] (a)(7) [of this section]above, a postaward review determines the contractor to be nonawardable, the Director [Deputy Assistant Secretary], may authorize the use of the enforcement procedures at 22.809 against the noncomplying contractor.

(b) Furnishing posters. The contracting officer shall furnish to the contractor appropriate quantities of the poster entitled "Equal [Employment] Opportunity Is The Law." These shall be obtained in accordance with agency procedures.

#### **22.806 Inquiries.**

(a) An inquiry from a contractor regarding status of its compliance with E[.]O[.] 11246, or rights of appeal to any of the actions in 22.809 shall be referred to the OFCCP regional office.

(b) Labor union inquiries regarding the revision of a collective bargaining agreement in order to comply with E[.]O[.] 11246, shall be referred to the Director [Deputy Assistant

Secretary].

## 22.807 Exemptions.

(a) Under the following exemptions, all or part of the requirements of E[.]O[.] 11246 may be excluded from a contract subject to E[.]O[.] 11246:

(1) *National security.* The agency head may determine that a contract is essential to the national security and that the award of the contract without complying with one or more of the requirements of this subpart is necessary to the national security. Upon making such a determination, the agency shall notify the Director [Deputy Assistant Secretary] in writing within 30 days.

(2) *Specific contracts.* The Director [Deputy Assistant Secretary] may exempt a[n] contracting agency from requiring the inclusion of one or more of the requirements of E[.]O[.] 11246 in any contract if the Director [Deputy Assistant Secretary] deems that special circumstances in the national interest so require. Groups or categories of contracts of the same type may also be exempted if the Director [Deputy Assistant Secretary] finds it impracticable to act upon each request individually or if group exemptions will contribute to convenience in the administration of E[.]O[.] 11246.

(b) The following exemptions apply even though a contract or subcontract contains the Equal Opportunity clause:

(1) *Transactions of \$10,000 or less.* The Equal Opportunity clause is required to be included in prime contracts and subcontracts by 22.802(a). Individual prime contracts or subcontracts of \$10,000 or less are exempt from application of the Equal Opportunity clause, unless the aggregate value of all prime contracts or subcontracts awarded to a contractor or subcontractor in any 12-month period exceeds, or can reasonably be expected to exceed, \$10,000. (Note: Government bills of lading, regardless of amount, are not exempt.)

(2) *Work outside the United States.* Contracts are exempt from the requirements of E[.]O[.] 11246 for work performed outside the United States by employees who were not recruited within the United States.

(3) *Contracts with State or local governments.* The requirements of E[.]O[.] 11246 in any contract with a State or local government (or any agency, instrumentality, or subdivision thereof) shall not be applicable to any agency, instrumentality or subdivision of such government that does not participate in work on or under the contract.

(4) *Work on or near Indian reservations.* It shall not be a violation of E[.]O[.] 11246 for a contractor to extend a publicly announced preference in employment to Indians living on or near an Indian reservation in connection with employment opportunities on or near an Indian reservation. This applies to that area where a person seeking employment could reasonably be expected to commute to and from in the course of a work day. Contractors extending such a preference shall not, however, discriminate among Indians on the basis of religion, sex, or tribal affiliation, and the use of such preference shall not excuse a contractor from complying with E[.]O[.] 11246, rules and

regulations of the Secretary of Labor, and applicable clauses in the contract.

(5) *Facilities not connected with contracts.* The ~~Director~~ [Deputy Assistant Secretary] may exempt from the requirements of E[.]O[.] 11246 any of a contractor's facilities that the ~~Director~~ [Deputy Assistant Secretary] finds to be in all respects separate and distinct from activities of the contractor related to performing the contract; provided, that the ~~Director~~ [Deputy Assistant Secretary] also finds that the exemption will not interfere with, or impede the effectiveness of, E[.]O[.] 11246.

(6) *Indefinite quantity contracts.* With respect to indefinite quantity contracts and subcontracts, the Equal Opportunity clause applies unless the contracting officer has reason to believe that the amount to be ordered in any year under the contract will not exceed \$10,000. The applicability of the Equal Opportunity clause shall be determined by the contracting officer at the time of award for the first year, and annually thereafter for succeeding years, if any. Notwithstanding the above, the Equal Opportunity clause shall be applied to the contract whenever the amount of a single order exceeds \$10,000. Once the Equal Opportunity clause is determined to be applicable, the contract shall continue to be subject to such clause for its duration regardless of the amounts ordered, or reasonably expected to be ordered, in any year.

(c) To request an exemption under subparagraphs (a)(1), (a)(2), or (b)(5), the contracting officer shall submit, under agency procedure, a detailed justification for omitting all, or part of, the requirements of E[.]O[.] 11246. Requests for exemptions under subparagraphs (a)(2) or (b)(5) above shall be submitted to the ~~Director~~ [Deputy Assistant Secretary] for approval.

(d) The ~~Director~~ [Deputy Assistant Secretary] may withdraw the exemption for a specific contract, or group of contracts, if the ~~Director~~ [Deputy Assistant Secretary] deems that such action is necessary and appropriate to achieve the purposes of E[.]O[.] 11246. Such withdrawal shall not apply--

(1) To contracts awarded before the withdrawal; or

(2) To any sealed bid contract (including restricted sealed bidding), unless the withdrawal is made more than 10 calendar days before the bid opening date.

#### **22.808 Complaints.**

Complaints received by the contracting officer alleging violation of the requirements of E[.]O[.] 11246 shall be referred immediately to the OFCCP regional office. The complainant shall be advised in writing of the referral. The contractor that is the subject of a complaint shall not be advised in any manner or for any reason of the complainant's name, the nature of the complaint, or the fact that the complaint was received.

#### **22.809 Enforcement.**

Upon the written direction of the ~~Director~~ [Deputy Assistant Secretary], one or more of

the following actions, as well as administrative sanctions and penalties, may be exercised against contractors found to be in violation of E[.]O[.] 11246, the regulations of the Secretary of Labor, or the applicable contract clauses:

- (a) Publication of the names of the contractor or their unions.
- (b) Cancellation, termination, or suspension of the contractor's contracts or portion thereof.
- (c) Debarment from future Government contracts, or extensions or modifications of existing contracts, until the contractor has established and carried out personnel and employment policies in compliance with E[.]O[.] 11246 and the regulations of the Secretary of Labor.
- (d) Referral by the Director [Deputy Assistant Secretary] of any matter arising under E[.]O[.] 11246 to the Department of Justice or to the Equal Employment Opportunity Commission (EEOC) for the institution of appropriate civil or criminal proceedings.

**22.810 Solicitation provisions and contract clauses.**

- (a) The contracting officer shall insert the following provisions in solicitations when a contract is contemplated that will include the clause at 52.222-26, Equal Opportunity:
  - (1) 52.222-21, ~~Certification of Nonsegregated Facilities, if the amount of the contract is expected to exceed \$10,000.~~ [Prohibition of S]egregated Facilities,

- (e) The contracting officer shall insert the clause at 52.222-26, Equal Opportunity, in

solicitations and contracts (see 22.802) unless [the contract is exempt from all of]all the terms of the clause are exempt from the requirements of E[.]O[.] 11246 (see 22.807(a)). If [the contract is exempt from] one or more, but not all, of the terms of the clause are exempt from the requirements of E[.]O[.] 11246, the contracting officer shall use the basic clause with its Alternate I.

(f) The contracting officer shall insert the clause at 52.222-27, Affirmative Action Compliance Requirements for Construction, in solicitations and contracts for construction that will include the clause at 52.222-26, Equal Opportunity, and the amount of the contract is expected to be in excess of \$10,000.

#### **52.222-27 Affirmative Action Compliance Requirements for Construction.**

As prescribed in 22.810(f), insert the following clause ~~in solicitations and contracts for construction that will include the clause at 52.222-26, Equal Opportunity, and the amount of the contract is expected to be in excess of \$10,000:~~

#### **AFFIRMATIVE ACTION COMPLIANCE REQUIREMENTS FOR CONSTRUCTION (APR 1984) [(Deviation)]**

(a) *Definitions.* "Covered area," as used in this clause, means the geographical area described in the solicitation for this contract.

"Director [Deputy Assistant Secretary]," as used in this clause, means the ~~Director, Office of [Deputy Assistant Secretary for] Federal Contract Compliance Programs (OFCGP), United States Department of Labor or any person to whom the Director delegates authority [or a designee].~~

**"Employer's identification number," as used in this clause, means the Federal Social Security number used on the employer's quarterly federal tax return, U.S. Treasury Department Form 941.**

**"Minority," as used in this clause, means--**

**(1) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).**

**(2) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands);**

**(3) Black (all persons having origins in any of the black African racial groups not of Hispanic origin); and**

**(4) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race).**

**(b) If the Contractor, or a subcontractor at any tier, subcontracts a portion of the work involving any construction trade, each such subcontract in excess of \$10,000 shall include this clause and the Notice containing the goals for minority and female participation stated in the solicitation for this contract.**

**(c) If the Contractor is participating in a Hometown Plan (41 CFR 60-4) approved by the U.S. Department of Labor in a covered area, either individually or through an association, its affirmative action obligations on all work in the plan area (including goals) shall comply with the plan for those trades that have unions participating in the plan. Contractors must be able to demonstrate participation in, and compliance with, the provisions of the plan. Each Contractor or subcontractor participating in an approved plan is also required to comply with its obligations under the Equal Opportunity clause, and to make a good faith effort to achieve each goal under the plan in each trade in which it has employees. The overall good-faith performance by other Contractors or subcontractors toward a goal in an approved plan does not excuse any Contractor's or subcontractor's failure to make good-faith efforts to achieve the plan's goals.**

**(d) The Contractor shall implement the affirmative action procedures in subparagraphs (g)(1) through (16) of this clause. The goals stated in the solicitation for this contract are expressed as percentages of the total hours of employment and training of minority and female utilization that the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for the geographical area where that work is actually performed. The Contractor is expected to make substantially uniform progress toward its goals in each craft.**

**(e) Neither the terms and conditions of any collective bargaining agreement, nor the failure**

by a union with which the Contractor has a collective bargaining agreement, to refer minorities or women shall excuse the Contractor's obligations under this clause, Executive Order 11246, as amended, or the regulations thereunder.

(f) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(g) The Contractor shall take affirmative action to ensure equal employment opportunity. The evaluation of the Contractor's compliance with this clause shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully and implement affirmative action steps at least as extensive as the following:

(1) Ensure a working environment free of harassment, intimidation, and coercion at all sites and in all facilities where the Contractor's employees are assigned to work. The Contractor, if possible, will assign two or more women to each construction project. The Contractor shall ensure that foremen, superintendents, and other onsite supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at these sites or facilities.

(2) Establish and maintain a current list of sources for minority and female recruitment. Provide written notification to minority and female recruitment sources and community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Establish and maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant, referrals of minorities or females from unions, recruitment sources, or community organizations, and the action taken with respect to each individual. If an individual was sent to the union hiring hall for referral and not referred back to the Contractor by the union or, if referred back, not employed by the Contractor, this shall be documented in the file, along with whatever additional actions the Contractor may have taken.

(4) Immediately notify the Director [Deputy Assistant Secretary] when the union or unions with which the Contractor has a collective bargaining agreement has not referred back to the Contractor a minority or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area that expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled

under subparagraph (g)(2) above.

(6) Disseminate the Contractor's equal employment policy by--

(i) Providing notice of the policy to unions and to training, recruitment, and outreach programs, and requesting their cooperation in assisting the Contractor in meeting its contract obligations;

(ii) Including the policy in any policy manual and in collective bargaining agreements;

(iii) Publicizing the policy in the company newspaper, annual report, etc.;

(iv) Reviewing the policy with all management personnel and with all minority and female employees at least once a year; and

(v) Posting the policy on bulletin boards accessible to employees at each location where construction work is performed.

(7) Review, at least annually, the Contractor's equal employment policy and affirmative action obligations with all employees having responsibility for hiring, assignment, layoff, termination, or other employment decisions. Conduct review of this policy with all onsite supervisory personnel before initiating construction work at a job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's equal employment policy externally by including it in any advertising in the news media, specifically including minority and female news media. Provide written notification to, and discuss this policy with, other Contractors and subcontractors with which the Contractor does or anticipates doing business.

(9) Direct recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students, and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than 1 month before the date for acceptance of applications for apprenticeship or training by any recruitment source, send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit minority persons and women. Where reasonable, provide after-school, summer, and vacation employment to minority and female youth both on the site and in other areas of the Contractor's workforce.

(11) Validate all tests and other selection requirements where required under 41 CFR 60-3.

(12) Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities. Encourage these employees to seek or to prepare for, through appropriate training, etc., opportunities for promotion.

(13) Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment-related activities to ensure that the Contractor's obligations under this contract are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilets [rest rooms] and necessary changing facilities [dressing or sleeping areas] shall be provided to assure privacy between the sexes.

(15) Maintain a record of solicitations for subcontracts for minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's equal employment policy and affirmative action obligations.

(h) The Contractor is encouraged to participate in voluntary associations that may assist in fulfilling one or more of the affirmative action obligations contained in subparagraphs (g)(1) through (16). The efforts of a contractor association, joint contractor-union, contractor-community, or similar group of which the contractor is a member and participant may be asserted as fulfilling one or more of its obligations under subparagraphs (g)(1) through (16), provided the Contractor--

- (1) Actively participates in the group;
- (2) Makes every effort to ensure that the group has a positive impact on the employment of minorities and women in the industry;
- (3) Ensures that concrete benefits of the program are reflected in the Contractor's minority and female workforce participation;
- (4) Makes a good-faith effort to meet its individual goals and timetables; and
- (5) Can provide access to documentation that demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply is the Contractor's, and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

(i) A single goal for minorities and a separate single goal for women shall be established. The Contractor is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and nonminority. Consequently, the Contractor may be in violation of Executive Order 11246, as amended, if a particular group is employed in a substantially disparate manner.

(j) The Contractor shall not use goals or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

(k) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts under Executive Order 11246, as amended.

(l) The Contractor shall carry out such sanctions and penalties for violation of this clause and of the Equal Opportunity clause, including suspension, termination, and cancellation of existing subcontracts, as may be imposed or ordered under Executive Order 11246, as

amended, and its implementing regulations, by the OFCCP. Any failure to carry out these sanctions and penalties as ordered shall be a violation of this clause and Executive Order 11246, as amended.

(m) The Contractor in fulfilling its obligations under this clause shall implement affirmative action procedures at least as extensive as those prescribed in paragraph (g) above, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of Executive Order 11246, as amended, the implementing regulations, or this clause, the ~~Director~~ [Deputy Assistant Secretary] shall take action as prescribed in 41 CFR 60-4.8.

(n) The Contractor shall designate a responsible official to--

(1) Monitor all employment-related activity to ensure that the Contractor's equal employment policy is being carried out;

(2) Submit reports as may be required by the Government; and

(3) Keep records that shall at least include for each employee the name, address, telephone number, construction trade, union affiliation (if any), employee identification number, social security number, race, sex, status (e.g., mechanic, apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, separate records are not required to be maintained.

(o) Nothing contained herein shall be construed as a limitation upon the application of other laws that establish different standards of compliance or upon the requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(End of clause)

~~52.222-28 [Reserved] Equal Opportunity Preaward Clearance of Subcontracts.~~

~~As prescribed in 22.810(g), insert the following clause:~~

~~EQUAL OPPORTUNITY PREAWARD CLEARANCE  
OF SUBCONTRACTS (APR 1984)~~

~~Notwithstanding the clause of this contract entitled "Subcontracts," the Contractor shall not enter into a first tier subcontract for an estimated or actual amount of \$1 million or more without obtaining in writing from the Contracting Officer a clearance that the proposed subcontractor is in compliance with equal opportunity requirements and therefore is eligible for award.~~

~~(End of clause)~~

**52.222-29 Notification of Visa Denial.**

As prescribed in 22.810([g]h), insert the following clause ~~in contracts that will include the clause at 52.222-26, Equal Opportunity, if the Contractor is required to perform in or on behalf of a foreign country.~~

**NOTIFICATION OF VISA DENIAL (APR 1984) [(Deviation)]**

It is a violation of Executive Order 11246, as amended, for a Contractor to refuse to employ any applicant or not to assign any person hired in the United States, on the basis that the individual's race, color, religion, sex, or national origin is not compatible with the policies of the country where the work is to be performed or for whom the work will be performed (41 CFR 60-1.10). The Contractor agrees to notify the [U.S.] Department of State, [Assistant Secretary, Bureau of Political-Military Affairs (PM), 2201 C Street NW, Room 7325,] Washington, DC [20520], ~~Attention: Director, Bureau of Political-Military Affairs,~~ and the ~~Director, Office of~~ [Deputy Assistant Secretary for] Federal Contract Compliance Programs, when it has knowledge of any employee or potential employee being denied an entry visa to a country in which the Contractor is required to perform this contract, and it believes the denial is attributable to the race, color, religion, sex, or national origin of the employee or potential employee.
