CONSTRUCTION & EQUIPMENT SMALL BUSINESS

DLA Troop Support's Construction & Equipment (C&E) supply chain provides a diverse set of solutions for our military and other federal customers. C&E's support programs include equipment to support fire emergencies and force protection, communication and tactical equipment, and metal to keep critical weapon systems operational.

C&E provides customers worldwide with construction and facilities maintenance materials. The support even goes beyond land as we provide the services with marine life saving and diving equipment.

WHERE TO FIND PROCUREMENT OPPORTUNITIES

DLA Troop Support's C&E supply chain conducts most of its business electronically through the DLA Internet Bid Board System (DIBBS). DIBBS is a web-based bid board that allows suppliers to search for, view, and submit secure quotes on Requests for Quotations (RFQs), search and view Request for Proposals (RFPs), and view awards for DLA items of supply. Most of DLA Troop Support's C&E solicitations are posted on the DIBBS bid board at www.dibbs.bsm.dla.mil.

All procurements opportunities over $25,000 are publicized on the Federal Contract Opportunities website at SAM.gov.

Search for DLA Troop Support's C&E opportunities and notices in SAM.gov using the following codes:
